HONORING THE 50TH ANNIVERSARY OF THE ALLATOONA DAM AND LAKE PROJECT IN CARTERSVILLE, GEORGIA

HON. BOB BARR

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 13, 2000

Mr. BARR of Georgia. Mr. Speaker, it is my distinct honor today to recognize the Allatoona Dam and Lake Project in Cartersville, Georgia, on the occasion of its upcoming 50th anniversary.

The Allatoona Dam Project was authorized by the Flood Control Acts of 1941 and 1946, to minimize flooding in Rome, Georgia, and surrounding areas.

On Saturday, June 15, 1946, ground-breaking ceremonies were held beside the Etowah River at the site where Allatoona Dam stands today. On that day 54 years ago, Georgia Governor Ellis Arnall, Georgia 7th District Congressman Malcolm C. Tarver, and Lt. General Raymond A. Wheeler, Chief of Engineers, U.S. Army, took shovels and pick in hand and launched a project that took four years to complete. Representative Tarver was the man most influential in passage of the Flood Control Act through Congress. In addition, Alabama Senator Lister Hill and Congressman Albert Raines of Gadsden, Alabama, assisted with passage of the Act.

General Wheeler stated in his address that, "in the course of our engineering studies and proposals, we took full cognizance of all uses of water, even through our primary concern was flood control. Consequently, this is not a

flood control dam alone. It is a multi-purpose project." He explained that the Allatoona Project embraces power production, recreation, reforestation, health and other factors, but the prime purpose is flood control.

Construction crews worked 24 hours a day, seven days a week for three and a half years to complete the dam. The project was essentially completed and opened for public use in 1950.

The Allatoona Dam and Lake Project has had a direct and extremely positive impact on northeast Georgia. It is an honor to remember and commend the many men and women who worked to construct this magnificent facility; and who continue to run it in a manner that benefits millions of Georgians each year. I especially commend the U.S. Army Corps of Engineers, Allatoona Project Management Office in Cartersville, Georgia, and wish them well on the 50th anniversary of the Allatoona Dam and Lake.

IN RECOGNITION OF DIRECT DEPOSIT AND DIRECT PAYMENT WEEK

HON. THOMAS M. DAVIS

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 13, 2000

Mr. DAVIS of Virginia. Mr. Speaker, I bring to the attention of my colleagues the celebration of Direct Deposit and Direct Payment Week, which will be observed around the country on May 15–19, 2000. This effort is dedicated to educating consumers, businesses, employers, financial institutions and billers of all kinds about the importance of Direct Deposit and Direct Payment as financial management tools.

The Direct Deposit and Direct Payment Coalition, composed of the Federal Reserve, the National Automated Clearing House Association (NACHA)—The Electronic Payments Association, and regional Automated Clearing House Associations, is celebrating this week to promote the benefits of Direct Deposit and Direct Payment to improve the efficiency of the Nation's payments system, to reduce payment risk, and to provide utmost privacy and security to users.

Direct Deposit and Direct Payment, electronic payment methods that allow consumers and businesses to be paid and to pay bills automatically, can reduce the Nation's costs considerably. Our Nation's payments system costs more than that of most other industrialized nations.

Direct Deposit and Direct Payment are two "unsung heroes" of wise financial management. Individuals can save effortlessly by earmarking part of their pay for Direct Payment into their savings or investment account. Saving for the future and managing finances wisely are important responsibilities. In addition, as a less costly and more efficient alternative to paper-based systems, Direct Deposit and Direct Payment benefit nearly every consumer and business.

Think of what our lives would be like without Direct Deposit and Direct Payment. Does anyone have time these days to stand in bank lines to deposit paychecks every week or two? With Direct Deposit, an individual's pay is automatically deposited into his/her checking

or savings account. With Direct Payment, individuals can pay bills, such as mortgage or cable, directly from their accounts. Direct Payment saves time, and guarantees that payments will be made on time, every time. No more buying stamps, looking for mailboxes or worrying about the payments. Direct Payment can be used to make a large variety of payments, from utility to insurance to brokerage to telephone.

Mr. Speaker, I hope that all of my colleagues will join me in supporting Direct Deposit and Direct Payment Week. These secure, efficient and highly confidential payment methods have helped individuals and business save time and manage their finances more efficiently and securely for more than 25 years. And I urge all Americans to recognize the importance of these valuable financial tools.

IN HONOR OF BAYONNE LITTLE LEAGUE BASEBALL INC.'S 50TH SEASON ANNIVERSARY

HON. ROBERT MENENDEZ

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 13, 2000

Mr. MENENDEZ. Mr. Speaker, today I recognize the Bayonne Little League Baseball Inc. for the forty-nine years it has provided young people with access to one of America's greatest athletic traditions. Baseball teaches responsibility, teamwork, sportsmanship, and nurtures self-esteem.

Forty-nine years ago, on April 15th, 1951, the Bayonne Little League Inc. began its commitment to the young people of Bayonne when W. Vincent Cook, and a handful of associates, organized a four-team program. Volunteers contacted several merchants who agreed to provide uniforms and equipment for the 90 youngsters in the league. In 1952, twelve more teams were added to accommodate the incredible numbers of boys who wanted to participate.

The increase in participation led to the building of a stadium. The League received assistance building the stadium from William Rosenthal, and, as a gesture of its appreciation, the League named the new stadium in memory of his son, Lewis Rosenthal.

In 1954, the number of Little League teams increased to twenty, and by 1962, the astounding success of the League led to the establishment of a program that consisted of 24 Major League and 12 Minor League teams. The challenge of expansion and the substantial financial obligation that went with it was a constant challenge for the organization; but not once did this prevent the League from successfully providing for the many young people who registered to play.

After numerous complications, and an extraordinary fund raising drive by the community of Bayonne, the League was able to move to a new stadium in 1965. The decades to follow demonstrated the same growth that the first did, and the community of Bayonne never wavered in its profound commitment to its young people and the challenge of Little League expansion.

This great youth organization would not have been possible without the hard work and dedication of Commissioner Gene Klumpp and all those who understand the positive impact

sports have on our young people. I would like to thank everyone who has contributed to the growth and continuation of the Bayonne Little League.

I ask my colleagues to join me in congratulating Bayonne Little League Baseball Inc. on its 50th season anniversary.

A TRIBUTE TO REV. DR. WALLACE
HARTSFIELD

HON. KAREN MCCARTHY

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 13, 2000

Ms. MCCARTHY of Missouri. Mr. Speaker, it is with great pride and respect that I bring to your attention, and to the attention of the House, the outstanding work and commitment of Rev. Dr. Wallace Hartsfield for 50 years of preaching to church congregations, serving the last thirty four years as pastor of the Metropolitan Missionary Baptist Church in Kansas City.

Reverend Hartsfield was born in Atlanta, Georgia, November 13, 1929. He was an only child, raised by his mother, Ruby Morrissatte. After a three year tour of duty in the United States Army, he attended Clark College in Atlanta and in 1954 he received a Bachelor of Arts degree from Clark College. He received a Master of Divinity degree from Gammon Theological Seminary in Atlanta in 1957. His first pastorate was at a Baptist church in Pickens, South Carolina.

Reverend Hartsfield is chairman of the Congress of National Black Churches which represents 65,000 churches and 20 million members. Reverend Hartsfield is also chairman of the Economic Development Commission of the National Baptist Convention of America, Inc.; second vice president of the National Baptist Convention of America, Inc.; president of the Greater Kansas City Chapter of Operation PUSH; and an adjunct professor of the Central Baptist Theological Seminary in Kansas City, KS.

Reverend Hartsfield is married to Matilda Hopkins and on August 28 of this year they will celebrate their 43rd wedding anniversary. Reverend and Mrs. Hartsfield are the proud parents of four wonderful children: Pamela Faith, Danise Hope, Ruby Love, and Wallace S. Hartsfield, II.

I have known Reverend Hartsfield over the years through his extensive involvement in the community. He has been a leader in many worthwhile causes and a wonderful role model for our city's young people.

His leadership was invaluable, also, in redeveloping a blighted part of Kansas City when he led the Baptist Ministers' Union of Kansas City in their efforts to demolish the old St. Joseph's Hospital and replace it with a much-needed new shopping center, the Linwood Shopping Center. Residents of the city's central core had to travel some distances to buy groceries, drop off dry cleaning, and have a prescription filled, before the new development became a reality. Reverend Hartsfield successfully led the charge to secure with sufficient investment capital for the project, when resources for new development in that area of the city were scarce. He also was instrumental in the construction of a low-income 60-unit housing development, known as Metropolitan Homes, in that same geographical area.

Reverend Hartsfield recently chaired the capital fund campaign to expand and update Kansas City's Swope Parkway Health Center, which provides invaluable assistance to many people who could not otherwise afford or have access to quality, state-of-the-art health care. Millions of dollars were raised and the new health center stands as a testament to the untiring efforts of committed and dedicated people like Reverend Hartsfield.

Reverend Hartsfield has received numerous awards including: the One Hundred Most Influential Award from the Kansas City Globe newspaper; the Greater Kansas City Image Award presented by the Urban League; the Minister of the Year Award from the Baptist Ministers Union of Kansas City; a Public Service Award from the Ad Hoc Group Against Crime; the Role Model for Youth Award from Penn Valley Community College, in Kansas City; and a Community Service Award from Kansas City, MO, and then-mayor Richard Berkeley, among others.

Additionally, he was named 'One of the Top 50 Ministers in America' by Upscale magazine of Atlanta, GA and he received an honorary Doctor of Divinity degree from both Western Baptist Bible College in Kansas City and also from the Virginia Seminary and College of Lynchburg, VA. Further, Reverend Hartsfield is a member of the board of directors for the national organization of Operation PUSH, and the Morehouse School of Religion in Atlanta, GA, among others.

This weekend in Kansas City, we are celebrating Reverend Hartsfield's 34th anniversary as pastor at the Metropolitan Missionary Baptist Church in Kansas City, and recognizing all of his critically important work and the leadership he has provided in the community over that span of time. He has blessed the lives of so many. Reverend Hartsfield loves people and he loves helping people. He has made a difference in the city he calls home, Kansas City, and we are proud to have him as one of its outstanding citizens.

Today, Mr. Speaker, I ask that you and our colleagues join with me and the congregation of the Metropolitan Missionary Baptist Church, the family of Reverend Hartsfield, and the citizens of Kansas City, MO in congratulating Reverend Hartsfield on his 50th preaching anniversary and for his 34 years of service to his church and his community.

CONGRATULATING CHRIST TEMPLE
CHURCH OF CHRIST (HOLINESS) OF GARY, INDIANA

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 13, 2000

Mr. VISCLOSKY. Mr. Speaker, it is with great pleasure and enthusiasm that I congratulate Christ Temple Church of Christ (Holiness) U.S.A. in Gary, Indiana, as it celebrates its 75th anniversary as a parish on May 3-7, 2000. This anniversary is made even more special because a charter member, Brother Oliver B. Hardy, is able to celebrate with his fellow parishioners.

Christ Temple Church was formed largely through the efforts of two dedicated people. Sister Ella Bradley attended a church service in Gary, where she met Elder William A.

Nolley. Elder Nolley was singing a song that Sister Bradley recognized, a song written by Bishop Charles Prince Jones, the founder of the Church of Christ Holiness U.S.A. After several discussions, Sister Bradley opened up her home on Tuesday, November 25, 1925, and Christ Temple Church was born. The initial membership consisted of Sister Bradley and her family as well as Elder Nolley and his wife, Velma.

After much hard work and dedication, land was purchased at 2472 Pierce Street in Gary. It was here that the church began to flourish. Elder Nolley was returned to the south by the presiding bishop and was replaced with Elder J.J. Peterson in 1931. Elder Peterson built a sanctuary on the lot on Pierce Street, and the congregation began to grow steadily. In June of 1962, the generous Elder Peterson was laid to rest, but his commitment to the church had made a lasting impression on the congregation and community.

After Elder Peterson's passing, the church continued to expand. By September of 1962, the membership of the church was beginning to outgrow the limited space of the sanctuary. The church leadership took the visionary approach by forming a building fund. They predicted that once the fund had reached \$100,000 it would be time to build a new place of worship. Through the selflessness and generosity of the membership, their vision came to fruition on January 13, 1980, when they held their first service at their current location, 4201 Washington Street, in Gary.

Under the extraordinary leadership of Bishop O.W. McInnis and Elder Dale Cudjoe, the church members were able to pay off their new church's mortgage within nine months. On September 24, 1989, Elder Cudjoe was appointed pastor of Christ Temple Church of Christ, the position he holds today. Through his efforts the church has grown both spiritually and numerically.

Mr. Speaker, I ask you and my other distinguished colleagues to join me in congratulating the membership of the Christ Temple Church of Christ (Holiness) U.S.A. as they celebrate their 75th anniversary. From humble beginnings they have emerged into a thriving spiritual family. The church's positive impact on Northwest Indiana has been significant during the past 75 years. May they enjoy good fortune for many more years to come.
