

the assistance of the Hilltop staff. In all, Hilltop can be credited with helping over 12,000 Mesa County residents a year.

One notable person who has had a dramatic impact on the success of Hilltop is its current Chief Executive Officer, Sally Schaefer. Sally has been the driving force behind Hilltop's dedicated effort to put forth a helping hand to needy citizens in the Grand Valley for nearly two decades. She has initiated numerous outreach programs and, most notably, created a 158-unit retirement and assisted living facility. Ms. Schaefer's care and compassion for those in need of assistance is evident in the effort she has put forth during her career at Hilltop. #### TRIBUTE TO DUSTY BUSS

#### HON. JOHN SHIMKUS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. SHIMKUS. Mr. Speaker, I rise before you today to commend Dusty Buss for his efforts that helped save the life of 7-year-old Tia Creasy. Dusty, a 16-year-old sophomore at Brown County High School in Mt. Sterling, IL, was dropping his sister off at school as Cathy Creasy was dropping off her daughter, Tia, in front of him.

As Cathy drove away she was unaware that Tia's jacket was caught in the door causing her to begin dragging her daughter alongside the car. On seeing this Dusty got out of his car and was able to get in front of Cathy's car before serious injuries could occur.

Dusty did a very honorable and courageous act. I am very proud of his Good Samaritan attitude, which makes him a hero to us all.

#### IN HONOR OF THE WOOD FAMILY, THE TOWN OF HARRISON, NJ FAMILY OF THE YEAR

#### HON. ROBERT MENENDEZ

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. MENENDEZ. Mr. Speaker, I rise today to pay tribute to a great family—a great American family. The Wood family is being honored as the family of the year by the Town of Harrison, New Jersey, and I am very proud to honor them for their contribution to their community.

The Harrison Family of the year has its roots in the Martin family originally from Brooklyn, NY and the Wood family originally from Newark. Robert and Rachel Martin's family has lived in the Town of Harrison since 1910, and William and Esther Wood's family since 1919.

After Robert and Rachel's daughter, Margaret, met William and Esther's son, Harold, in 1938, they were married, and began a family.

Harold and Margaret Wood had eight girls and four boys. Of their twelve children, five still live in Harrison. Harrison is currently home to five of Margaret's children, seven grandchildren, and nine great grandchildren. In all, Margaret has thirty-two grandchildren and forty great grandchildren.

The Wood children have an enduring love for this country, a love instilled in them by their father, Harold Wood who, having served in the Navy in WWII, understood the power and value of community and patriotism. He lived in Harrison all his life until his death in 1996.

For the pride they show in America, and for the contributions they have made to the Town of Harrison, New Jersey, I honor and praise the Wood family.

Today, I ask that my colleagues join me in honoring the Wood family for being the Town of Harrison's family of the year.

#### RECOGNIZING GUAM POLICE DEPARTMENT'S POLICE OFFICER OF THE YEAR AND CIVILIAN OF THE YEAR

#### HON. ROBERT A. UNDERWOOD

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. UNDERWOOD. Mr. Speaker, I would like to take this occasion to recognize Guam Police Department's Police Officer of the Year and Civilian of the Year. These awards are presented annually to the top employees of the Guam Police Department (GPD). Police Officer III John A. Bagaforo was named Police Officer of the Year while Ms. Karen Guerrero was honored as Civilian of the Year.

Officer John A. Bagaforo is a 1980 graduate of Pearl City High School in Hawaii. He moved to Guam in 1989 with the intention of joining the Guam Police Department. He commenced service as a police recruit in October 1990, and graduated in May 1991. He was initially assigned as a patrol officer with the Northern Precinct Command—later being selected to be part of the Northern Precinct task force to counteract gang activity. This is in addition to his duties with the precinct's patrol operations.

John was moved to the Central Precinct Command in 1992, where he was assigned to the task force on robbery suppression. Later that year, he was transferred to the Juvenile Investigation Section with a collateral assignment to the Department of Education Task Force. He was reassigned to patrol duty in 1994 and served in this capacity until 1996, when he was transferred to the GPD Drug Task Force which operated under the auspices of the Drug Enforcement Administration (DEA). As a member of this task force, John facilitated contact with confidential informants, identified drug targets, formulated operational plans, authored search warrants, conducted drug buys, secured evidence, effectuated arrests and testified as an expert witness in both federal and local courts. In 1997, he was deputized and received his DEA credentials as a sworn Task Force Agent. John currently serves as a shift supervisor for the Tamuning/Tumon Precinct Command, a position he has held since November 1999.

GPD's Civilian of the Year, Karen E. Guerrero. Karen has worked in different capacities within GPD's administrative divisions since March 1985.

Initially assigned to the general maintenance section of the department's Support Division, she was placed in charge of building, equipment and vehicle maintenance. In 1992, she was transferred to the Operations Division. As a secretary for the division, Karen took on further administrative and record keeping responsibilities. She provided assistance with office correspondence, reports, training and budget matters. From April 1992, until March 1999, Karen worked for the legal section under the Chiefs Office. During the seven years she worked in this section, she performed a host of clerical and administrative duties. She also played a crucial role in office support, procurement and record keeping.

Karen, on different occasions, also worked at the payroll section and the Records & ID section of GPD's Administration Division. While with these sections, she worked with payroll and personnel matters. Having been with the Records & ID section since March, 1999, she has been involved in procedural development, staffing and the facilitation of public services on a supervisory level.

Karen is a graduate of John F. Kennedy High School in Tumon, Guam. She took part in the business administration program while attending the Western Pacific Business College and was a recipient of the Pedro "Doc" Sanchez Scholarship at the University of Guam where she majored in Public Administration.

On behalf of the people of Guam, I congratulate John and Karen for having been named as GPD's Police Officer and Civilian of the Year. Through their diligence and dedication to their duties at the Guam Police Department, John and Karen have made great contributions towards the safety and protection of our island's residents. I urge them to keep up the good work!

#### PREPARING FOR THE FUTURE: THE ALZHEIMER'S CLINICAL RESEARCH AND TRAINING PROGRAM

#### HON. EDWARD J. MARKEY

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. MARKEY. Mr. Speaker, I rise to express my appreciation for the language contained in the Committee Report accompanying this bill which addresses Alzheimer's Disease.

Furthermore, I would like to commend Chairman PORTER and Ranking Member OBEY for considering my April 12th testimony before the Subcommittee where I spoke on behalf of the 126 members of the Bipartisan Congressional Task Force on Alzheimer's Disease along with my co-chair Rep. CHRIS SMITH (R-NJ). Together we encouraged the Subcommittee to urge the National Institutes of Health (NIH) to increase its research for Alzheimer's by \$100 million and to implement and fully fund a new program, originally adopted into the House Budget Resolution, the Alzheimer's Clinical Research and Training Awards Program.

This worthy program will train physician-scientists to focus on clinical research and to

translate the excellent basic research in Alzheimer's Disease to the clinic. Ultimately this program provides an opportunity for the National Institute on Aging (NIA) to "enhance efforts to train, and educate health care professionals to improve diagnosis, treatment and prevention of Alzheimer's Disease" as the House Report language accompanying this bill urges.

I would note that the Senate Committee report accompanying the Labor-HHS Education Appropriations bill provides additional clarification of the intent of Congress with respect to how the NIA should improve the diagnosis, treatment and prevention of Alzheimer's Disease. The Senate Committee Report states the following with respect to the specific steps we expect to be taken to educate and train physician/scientists:

"The Committee believes that an important step in fighting Alzheimer's Disease is the encouragement of clinical research and training, which will complement the many excellent research efforts currently funded through the National Institutes of Health (NIH), the National Institute on Aging (NIA), and in the private sector. The creation of Alzheimer's Clinical Research and Training Awards program to train physicians to recognize and treat Alzheimer's Disease, and to dedicate their careers to improving care for Alzheimer's patients by bridging the gap that exists between basic and clinical research is critical. The awards program will foster physician dedication to a career in research, diagnosis, and treatment of Alzheimer's Disease by awarding junior and midlevel physicians who have demonstrated the potential for a lifelong commitment to researching and treating Alzheimer's, with a 1 year stipend to train as an Alzheimer's physician/scientist. The awards program will be administered through the NIA, and should provide support for institutions focused primarily on Alzheimer's research but linked to a clinical treatment facility. The awards program will complement the Alzheimer's Disease Research Centers (currently funded through NIA) or similar institutions that are State or privately funded. The awards program will encourage institutions implementing the program to specialize in training physician/scientists, ultimately becoming physician training centers."

Alzheimer's disease is on track to become the epidemic of the 21st Century, currently 4 million Americans are afflicted and by 2050 it is estimated that this number will increase to 14 million. With these astonishing statistics we must act today to head off the health care crisis of tomorrow. The Alzheimer's Clinical Research and Training Awards envisioned by both the House and Senate bills represent an important step in meeting the challenge.

*Thursday, June 8, 2000*

Mr. SKELTON. Mr. Speaker, it is with deep sadness that I inform the House of the death of Bill Hamann, former resident of Lexington, Missouri. He was 87.

Bill, a son of the late William G. and Mary Curtis Hamann, was born in Henrietta, Missouri, on October 12, 1912. His dedication to football began on the Richmond High School football team and continued at Graceland Junior College in Lamoni, Iowa, where he also lettered in basketball. His greatest satisfaction as a player was playing center for the Missouri University Tigers under coach Don Faurot, A special influence in his life.

After graduation, Bill coached football at Odessa High School for two years before joining the United States Navy during World War II. He served in the Navy until November 1945, making lieutenant before he returned to Missouri University to complete his master's degree.

In 1946, Bill moved to Lexington and began coaching football in earnest at Lexington High School. In his first year, he led the team to their first undefeated season in Lexington history. He was head football coach for 22 years, winning four more Missouri River Valley Conference (MRVC) championships. Bill also served as Athletic Director, basketball coach and track coach during this time. He was head basketball coach for six years and assistant basketball coach for ten years, winning one MRVC championship. Bill also had great success as a track coach, winning State meets twice and numerous District and MRVC championships. He was one of a select few Missouri coaches who won championships in three major sports for one school. Bill retired from coaching football in 1968, but continued to coach track until 1972. In addition to coaching, he taught driver's education, physical education and history. He retired from teaching in 1979 after 32 years at Lexington High School.

Bill was one of the first coaches named to the Missouri High School Hall of Fame in 1992, and as Hall of Fame Coach for Track in 1993. He is one of only two coaches named in more than one Hall of Fame in all of Missouri.

He was a member of the United Methodist Church of Lexington and served as Chairman of the Church Board.

Mr. Speaker, Bill Hamann will be greatly missed by all who knew him. I know the Members of the House will join me in extending heartfelt condolences to his family: his wife of 58 years, Betty; his daughter, Sally; his two

sons, James and John; his two brothers, Herbert and Charles, and four grandchildren.

#### HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, June 8, 2000*

Mr. KUCINICH. Mr. Speaker, today I celebrate Mr. Lou Trebar. On Wednesday May 3, 2000, this Cleveland polka legend celebrated his 80th birthday with 1,500 of his closest friends. Gathered at the Slovenian National Home, thousands of polka fans and eighteen polka bands paid tribute to this local artist by giving him "the greatest day of [his] life."

Throughout Lou's life, he has made significant contributions to Cleveland's culturally diverse community. This Slovenian neighborhood native has enhanced Northeast Ohio's culture, and has added to the quality that makes Cleveland a polka city. Lou has a lifetime of dedication to promoting Cleveland-Style polkas and waltzes and to preserving the rich Slovenian heritage from which Cleveland evolved.

This "Waltz King" is a true dean of Cleveland-style music. He was a pioneer in adapting Slovenian folk music into America's musical mainstream as the first Cleveland-style bandleader to create a multi-part harmony with all types of instruments. His vision and talent have greatly decorated the heritage of the Cleveland area.

I salute Lou for these many artistic accomplishments, and I join in with his many fans who wish him a happy 80th birthday.

#### AUTHORIZING EXTENSION OF NON-DISCRIMINATORY TREATMENT (NORMAL TRADE RELATIONS TREATMENT) TO PEOPLE'S REPUBLIC OF CHINA

SPEECH OF

#### HON. BOB CLEMENT

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 24, 2000*

Mr. CLEMENT. Mr. Speaker, since the President asked Congress to grant Permanent Normal Trade Relations (PNTR) to China, the members of this body—indeed, all of the American people—have been forced to consider broad questions about our relationship with China, about our values as a free people and about our fundamental best interests as they relate to the economy and to national security. These are very serious questions; and I—like many of my colleagues, I am sure—have invested a great deal of time in study, discussions and prayer about them.

Make no mistake—I understand the value of international trade, and I am a believer in developing trade opportunities to enhance our economic future. I recognize the realities of the global economy that exist today; and there is no doubt in my mind that trade is the key to the future for the United States, for China and for every other nation as well. My record reflects my belief in free and fair trade policies, including trade with China. I supported
