SEC. 2. DEFINITIONS.

As used in this Act—

(1) the term "local residents" means those persons living within the vicinity of Glacier Bay National Park and Preserve, including but not limited to the residents of Hoonah, Alaska, who are descendants of those who had an historic and cultural tradition of sea gull egg gathering within the boundary of what is now Glacier Bay National Park and Preserve;

(b) **MANAGEMENT PLAN.**—The Secretary and the State shall cooperate in the development of a management plan for the regulation of commercial fisheries in the outer waters of the park in accordance with existing Federal and State laws and any applicable international conservation and management treaties.

(c) **SAVINGS.**—(1) Nothing in this Act shall alter or affect the provisions of section 123 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1999 (Public Law 105-277), as amended by section 501 of the 1999 Emergency Supplemental Appropriations Act (Public Law 106-31).

(A) the productivity, diversity, and sustainability of fishery resources in such waters; and

(B) park resources and values.

(2) The Secretary shall promptly notify the Committee on Energy and Natural Resources of the United States Senate and the Committee on Resources of the United States House of Representatives upon the completion of the plan.

(3) The Secretary shall complete the program set forth in the plan not later than seven years after the date the Congressional Committees are notified pursuant to paragraph (2), and shall transmit the results of the program to such Committees on a biennial basis.

SEC. 4. SEA GULL EGG COLLECTION STUDY.

(b) RECOMMENDATIONS.—If the study referred to in subsection (a) determines that the limited collection of sea gull eggs can occur without impairing the biological sustainability of the sea gull population in the park, the Secretary shall submit recommendations for legislation to the Committee on Energy and Natural Resources of the United States Senate and the Committee on Resources of the United States House of Representatives.

SEC. 5. AUTHORIZATION OF APPROPRIATIONS.

There is authorized to be appropriated such sums as are necessary to carry out this Act.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Alaska (Mr. YOUNG) and the gentleman from California (Mr. GEORGE MILLER) each will control 20 minutes.

The Chair recognizes the gentleman from Alaska (Mr. YOUNG).

Mr. YOUNG of Alaska. Mr. Speaker, I yield myself such time as I may consume, and I rise in support of S. 501, the Glacier Bay National Park Resource Management Act.

This legislation passed the Senate with no opposition last November. The legislation was amended to remove some provisions that were controversial and should now enjoy the support of the House.

The legislation requires the Secretary of the Interior and the State of Alaska to cooperate in the development of a management plan for commercial fisheries in the outer waters of Glacier Bay National Park, in accordance with Federal and State laws and any applicable international conservation and management treaties. The legislation also directs the Secretary of the Interior, once funds are made available, to develop a plan for multi-agency comprehensive research and monitoring program to evaluate the health of fishery resources in the park's marine waters.

Once that program has been completed, the Secretary has 7 years to undertake the research program.

In addition, the legislation will allow for the study of the impact of a subsistence harvest of seagull eggs by local residents.

This legislation passed the Senate without opposition. I urge the House to

support this bill and forward it to the President for his signature.

Mr. Speaker, I reserve the balance of my time.

Mr. GEORGE MILLER of California. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, as the bill is presented before us today, my understanding is it is no longer controversial, as it once was. There have been changes in the Senate to provide for a corporate management plan for commercial fisheries in the national park waters outside of Glacier Bay proper.

The bill is no longer inconsistent with the previous compromise and is now supported by the Park Service, and we urge passage.

Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Alaska (Mr. YOUNG) that the House suspend the rules and pass the Senate bill, S. 501.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the Senate bill was passed.

A motion to reconsider was laid on the table.

INDIAN TRIBAL JUSTICE TECHNICAL AND LEGAL ASSISTANCE ACT OF 2000

Mr. YOUNG of Alaska. Mr. Speaker, I move to suspend the rules and pass the Senate bill (S. 1508) to provide technical and legal assistance to tribal justice systems and members of Indian tribes, and for other purposes, as amended.

The Clerk read as follows:

S. 1508

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Indian Tribal Justice Technical and Legal Assistance Act of 2000".

SEC. 2. FINDINGS.

The Congress finds and declares that—

(1) there is a government-to-government relationship between the United States and Indian tribes;

(2) Indian tribes are sovereign entities and are responsible for exercising governmental authority over Indian lands;

(3) the rate of violent crime committed in Indian country is approximately twice the rate of violent crime committed in the United States as a whole;

(4) in any community, a high rate of violent crime is a major obstacle to investment, job creation and economic growth;

(5) tribal justice systems are an essential part of tribal governments and serve as important forums for ensuring the health and safety and the political integrity of tribal governments;

(6) Congress and the Federal courts have repeatedly recognized tribal justice systems as the most appropriate forums for the adju-

dication of disputes affecting personal and property rights on Native lands;

(7) enhancing tribal court systems and improving access to those systems serves the dual Federal goals of tribal political self-determination and economic self-sufficiency;

(8) there is both inadequate funding and an inadequate coordinating mechanism to meet the technical and legal assistance needs of tribal justice systems and this lack of adequate technical and legal assistance funding impairs their operation;

(9) tribal court membership organizations have served a critical role in providing training and technical assistance for development and enhancement of tribal justice systems;

(10) Indian legal services programs, as funded partially through the Legal Services Corporation, have an established record of providing cost effective legal assistance to Indian people in tribal court forums, and also contribute significantly to the development of tribal courts and tribal jurisprudence; and

(11) the provision of adequate technical assistance to tribal courts and legal assistance to both individuals and tribal courts is an essential element in the development of strong tribal court systems.

SEC. 3. PURPOSES.

The purposes of this Act are as follows:

(1) to carry out the responsibility of the United States to Indian tribes and members of Indian tribes by ensuring access to quality technical and legal assistance.

(2) To strengthen and improve the capacity of tribal court systems that address civil and criminal causes of action under the jurisdiction of Indian tribes.

(3) To strengthen tribal governments and the economies of Indian tribes through the enhancement and, where appropriate, development of tribal court systems for the administration of justice in Indian country by providing technical and legal assistance services.

(4) To encourage collaborative efforts between national or regional membership organizations and associations whose membership consists of judicial system personnel within tribal justice systems; non-profit entities which provide legal assistance services for Indian tribes, members of Indian tribes, and/or tribal justice systems.

(5) To assist in the development of tribal judicial systems by supplementing prior Congressional efforts such as the Indian Tribal Justice Act (Public Law 103-176).

SEC. 4. DEFINITIONS.

For purposes of this Act:

(1) ATTORNEY GENERAL.—The term "Attorney General" means the Attorney General of the United States.

(2) INDIAN LANDS.—The term "Indian lands" shall include lands within the definition of "Indian country", as defined in 18 U.S.C. 1151; or "Indian reservations", as defined in section 3(d) of the Indian Financing Act of 1974, 25 U.S.C. 1452(d), or section 4(10) of the Indian Child Welfare Act, 25 U.S.C. 1903(10). For purposes of the preceding sentence, such section 3(d) of the Indian Financing Act shall be applied by treating the term "former Indian reservations in Oklahoma" as including only lands which are within the jurisdictional area of an Oklahoma Indian Tribe (as determined by the Secretary of Interior) and are recognized by such Secretary as eligible for trust land status under 25 CFR part 151 (as in effect on the date of enactment of this sentence).

(3) INDIAN TRIBE.—The term "Indian tribe" means any Indian tribe, band, nation, pueblo, or other organized group or community which administers justice or plans to administer justice under its inherent authority or the authority of the United States and which
