S. 1438 authorizes the Memorial Fund to construct the Museum on Federal property that was transferred to the District of Columbia in 1970 for municipal purposes. The property is located on E Street between 4th and 5th Streets, NW, and is currently used as a parking lot for the District of Columbia Courts. All funds used in the construction of the Museum will come from private donations.

S. 1438 was introduced by Colorado's senior Senator, Senator CAMPBELL, and the House companion bill was introduced by Representative HEFLEY. The Resources Committee has approved the House bill. I urge the House to send the Senate bill to the President for signing into law.

Mrs. CHRISTENSEN. Mr. Speaker, I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and pass the Senate bill, S. 1438.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mrs. CHRISTENSEN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8, rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.

AUTHORIZING RELOCATION OF HOME OF ALEXANDER HAMILTON

Mr. HANSEN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 5478) to authorize the Secretary of the Interior to acquire by donation suitable land to serve as the new location for the home of Alexander Hamilton, commonly known as the Hamilton Grange, and to authorize the relocation of the Hamilton Grange to the acquired land.

The Clerk read as follows:

H.R. 5478

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. RELOCATION AND PRESERVATION OF THE HAMILTON GRANGE IN NEW YORK CITY.

Section 2 of Public Law 87-438, as amended by Public Law 100-701; 102 Stat. 4640; 16 U.S.C. 431 note) is amended—

(1) by inserting "(a) IN GENERAL.—" before "The Secretary of the Interior"; and

(2) by adding at the end the following new subsection:

"(b) RELOCATION OF HAMILTON GRANGE.—The Secretary is authorized to acquire by donation from the City of New York, New York, a parcel of land or suitable interests in such land, not to exceed one acre, to serve as the new location for the home of Alexander Hamilton, commonly known as the Hamilton Grange, and to relocate the Hamilton Grange to such land. The acquired land or interests

in land shall be in close proximity to the original location of Hamilton Grange and shall be added to and administered as part of the memorial."

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Utah (Mr. HANSEN) and the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) each will control 20 minutes.

The Chair recognizes the gentleman from Utah (Mr. HANSEN).

Mr. HANSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 5478 authorizes the Secretary of the Interior to acquire by donation suitable land to serve as the new location for the home of Alexander Hamilton. The home is commonly known as the Hamilton Grange.

The bill would also authorize the relocation of the Hamilton Grange to the land acquired. Located in New York City, the Hamilton Grange was dedicated in 1962. The home, at its current location, is bordered by high-rise buildings and is not a suitable location. The City of New York has agreed to donate approximately one acre of land in a small park directly across the street so that the Hamilton home can be moved to a more suitable location.

This bill will protect an important part of early American historical resources, and I urge my colleagues to support H.R. 5478.

Mr. Speaker, I reserve the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am pleased to join my colleague, the gentleman from Utah (Chairman HANSEN), in supporting H.R. 5478.

This bill would authorize the National Park Service to move the Hamilton Grange National Memorial from its current location to a nearby city park. The legislation authorizes the Park Service to accept up to one acre of the park as a donation from the City of New York.

Commissioned in the late 1700s and completed in 1802, the Hamilton Grange served as Alexander Hamilton's home until his death. The Grange, named after Hamilton's ancestral home in Scotland, is the only home he ever owned.

Unfortunately, the Park Service was forced to close the Grange due to its deteriorating condition. The site was recently reopened on a limited basis after desperately needed repairs. However, in order for the home to be fully appreciated as it appeared in Hamilton's day, it must be moved from its present location to the nearby park. Such a move is included in the General Management Plan for the site and the City of New York, the National Park Service, local community boards, churches, civic associations, preservationists and other relevant governmental agencies have all expressed their support for this plan.

We, in the Virgin Islands, are proud that we are able to honor Alexander

Hamilton in this way, who grew up in my island of St. Croix.

Mr. Speaker, I commend the distinguished gentleman from New York (Mr. RANGEL) for this bill, and I urge our colleagues to approve H.R. 5478.

Mr. Speaker, I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and pass the bill, H.R. 5478.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. HANSEN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8, rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.

(c) COSTS AND MINERAL RIGHTS.—(1) A conveyance under this section shall be for a nominal cost. The conveyance may not include the transfer of mineral or water rights.

Amend the title so as to read: “A bill to establish the California Trail Interpretive Center in Elko, Nevada, to facilitate the interpretation of the history of development and use of trails in the settling of the western portion of the United States, and for other purposes.”

The **SPEAKER pro tempore** (Mr. PEASE). Pursuant to the rule, the gentleman from Utah (Mr. HANSEN) and the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) each will control 20 minutes.

The Chair recognizes the gentleman from Utah (Mr. HANSEN).

Mr. HANSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 2749 would provide for the establishment of an interpretive center in Elko, Nevada. The center would be dedicated to interpreting the history of the development and use of the California Trail in the settling of the West.

This bill also contains a provision that would help small Western communities that lack a suitable land base to afford school facilities because they are hemmed in by nontaxable government lands. This bill would enable these communities, under certain conditions, to purchase parcels of land for

school facilities from the Forest Service at a nominal cost. This will allow many of the cash-strapped communities to build more adequate education facilities for their children.

Another provision in this bill authorizes a study assessing the feasibility of establishing the Golden Spike/Crossroads of the West National Heritage Area. It would also establish a Historic District in Ogden, Utah, to preserve and interpret historic features relating to the convergence of the Intercontinental Railway. Preserving the heritage of our Nation’s railroads and their influential role in our history is very important for the American people.

Mr. Speaker, I strongly urge my colleagues to support S. 2749, with an amendment.

Mr. Speaker, I reserve the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, S. 2749 is a Senate-passed measure, introduced by Senator HARRY REID, that authorizes the Secretary of the Interior, acting through the Director of the Bureau of Land Management, to plan, construct, and operate a visitor center along the California National Historic Trail near the city of Elko, Nevada.

The administration supports S. 2749. In addition, there is significant local interest and support for the interpretive center as well. It is our understanding that non-Federal funds totaling \$6 million have already been committed to the project.

Mr. Speaker, the majority has also added two extraneous bills to S. 2749. The first is language from H.R. 150 regarding making land available for public schools. The second is the House-passed version of H.R. 2932 dealing with the Golden Spike/Crossroads of the West.

Mr. Speaker, we support this bill, and we urge its passage.

Mr. Speaker, I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I am happy to yield such time as he may consume to the gentleman from Nevada (Mr. GIBBONS), who also authored companion legislation to this legislation.

Mr. GIBBONS. Mr. Speaker, I want to thank the gentleman from Utah (Mr. HANSEN), my friend and colleague, the distinguished chairman of the Subcommittee on Parks and Public Land; and I want to thank the gentleman from Alaska (Mr. YOUNG), the chairman of the full committee, as well as the gentleman from California (Mr. GEORGE MILLER), the ranking member, for allowing this bill to come to the floor today.

The 19th century westward emigration on the California National Historic Trail, which occurred from 1840 until the completion of the Transcontinental Railroad in 1869, was an important cultural and historical era in the settlement of the West. This influx of settlers contributed to the development of lands in the western

United States by Americans and immigrants and to the prevention of colonization of the West Coast by Russia and the British Empire. More than 300,000 settlers traveled the California Trail and many documented their amazing experiences in detailed journals. In Nevada, Elko County alone contains over 435 miles of National Historic Trails.

Mr. Speaker, recognition and interpretation of the pioneer experience on the Trail is appropriate in light of Americans' strong interest in understanding our national and cultural heritage.

This act authorizes the planning, construction, and operation of a visitor center. The cooperative parties include the State of Nevada, the Advisory Board for the National Historic California Emigrant Trails Interpretive Center, Elko County and the City of Elko, and the Bureau of Land Management, just to name a few.

This interpretive center will be located near the city of Elko in the northeastern part of Nevada. The location is the junction of the California Trail and the Hastings Cutoff.

Mr. Speaker, the ill-fated Reed-Donner party spent an additional 31 days meandering over the so-called Hastings Cutoff route; precious time wasted that kept them from crossing the Sierra Nevada before the deadly winter of 1846 struck, taking most of their lives.

This act will recognize the California Trail, including the Hastings Cutoff, for its national historical and cultural significance through the construction of an interpretive facility devoted to the vital role of pioneer trails in the West in the development of the United States. I would ask the House to support this bill and pass Senate bill 2749.

Mr. HANSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and pass the Senate bill, S. 2749, as amended.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have.

Mrs. CHRISTENSEN. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Pursuant to clause 8, rule XX and the Chair's prior announcement, further proceedings on this motion will be postponed.

The point of no quorum is considered withdrawn.

(2) The canals and adjacent areas that comprise the Erie Canalway are a nationally significant resource of historic and recreational value, which merit Federal recognition and assistance.

(4) The construction of the Erie Canalway was considered a supreme engineering feat and most American canals were modeled after New York State's canal.

(5) At the time of construction, the Erie Canalway was the largest public works project ever undertaken by a State, resulting in the creation of critical transportation and commercial routes to transport passengers and goods.

(6) The Erie Canalway played a key role in turning New York City into a major port and New York State into the preeminent center for commerce, industry, and finance in North America and provided a permanent commercial link between the Port of New York and the cities of eastern Canada, a cornerstone of the peaceful relationship between the two countries.

(7) The Erie Canalway proved the depth and force of American ingenuity, solidified a national identity, and found an enduring place in American legend, song, and art.

(8) There is national interest in the preservation and interpretation of the Erie Canalway's important historical, natural, cultural, and scenic resources.

(4) To provide a framework to assist the State of New York, its units of local government, and the communities within the Erie Canalway in the development of integrated cultural, historical, recreational, economic, and community development programs in order to enhance and interpret the unique and nationally significant resources of the Erie Canalway.

(5) To authorize Federal financial and technical assistance to the Commission to serve these purposes for the benefit of the people of the State of New York and the Nation.

SEC. 3. THE ERIE CANALWAY NATIONAL HERITAGE CORRIDOR.

(a) ESTABLISHMENT.—To carry out the purposes of this Act, there is established the Erie Canalway National Heritage Corridor in the State of New York.

(b) BOUNDARIES.—The boundaries of the Corridor shall include those lands generally depicted on the map entitled "Erie Canalway National Heritage Area" numbered ERIE/80,000 and dated October 2000. This map shall be on file and available for public inspection in the appropriate office of the National Park Service, the office of the Commission, and the office of the New York State Canal Corporation in Albany, New York.
