PERSONAL EXPLANATION

Mr. MCGOVERN. Mr. Speaker, because of urgent business in my congressional district, I was unable to be present earlier today, October 25, 2000, and I missed votes as a result. Had I been here, I would have voted in support of the Conference Report on the FY 2001 Foreign Operations Appropriations Bill (H.R. 4811) and in support of H.R. 782, the Older American Act Amendments, which would have been recorded as "yea" on rollcall votes 546 and 547.

I applaud Chairman CALLAHAN and Ranking Member PELOSI for negotiating a conference agreement that provides important funding for multilateral debt relief, HIV/AIDS treatment and prevention programs and child survival programs. While I would support greater funding for development assistance for USAID bilateral programs that promote sustainable development, poverty alleviation, universal education and refugee and disaster assistance, I recognize that this bill is a significant improvement over the original House-approved bill. I am very glad to see that the so-called "Mexico City" restrictions on international family planning programs have been removed from the bill. I also commend the conferees for including strong conditions on our military aid and relations with Indonesia because of the continuing refugee crisis in West and East Timor and for maintaining the Section 907 conditions on U.S. assistance to Azerbaijan.

I am especially pleased that statutory language remains in this bill requiring the President to direct all federal agencies to declassify and release all relevant documents about the 1980 murders in El Salvador of four American churchwomen. This is a matter on which I have long labored, and I hope our government will make all documents and other materials available to the families of these women before December 2, 2000, which will observe the 20th Anniversary of their deaths.

□ 1409

So (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

The title of the bill was amended so as to read:

"A bill to amend the Older Americans Act of 1965 to extend authorizations of appropriations for programs under the Act, to modernize programs and services for older individuals, and for other purposes."

A motion to reconsider was laid on the table.
