Sec. 6. Upon the adoption of this resolution it shall be in order without intervention of any point of order to consider in the House the joint resolution (H.J. The previous question shall be considered as ordered on the joint resolution to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations; and (2) one motion to recommit.

The SPEAKER pro tempore (Mr. LAHOOD). The gentleman from Georgia (Mr. LINDER) is recognized for 1 hour.

Mr. LINDER. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Massachusetts (Mr. MOAKLEY), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, House Resolution 646 is a closed rule providing for consideration of House Joint Resolutions 115, 116, 117, 118, 119, and 120. Each of these joint resolutions makes further continuing appropriations for fiscal year 2001 for a period of 1 day.

H. Res. 646 provides for 1 hour of debate on each joint resolution equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations.

The rule waives all points of order against consideration of these joint resolutions. Finally, the rule provides one motion to recommit on each joint resolution as is the right of the minority.

Mr. Speaker, the current continuing resolution expires at the end of the day today and further continuing resolutions are necessary to keep the government operating while Congress completes consideration of the remaining appropriations bills. Because the President refuses to sign any longer duration, the joint resolutions covered by this rule each simply extend the provisions included in H.J. Res. 109 by one additional day.

Mr. Speaker, after weeks of hard work, the House now just has three appropriations conference reports left to pass. However, as we work to reach agreement over the remaining appropriations bills, we will have to take valuable time away from our negotiations each day to pass 1-day continuing resolutions. President Clinton has threatened to veto any continuing resolution of more than one day's duration, so each day we must take the appropriators away from negotiations and bring them to the floor to vote on these 1-day measures.

Mr. Speaker, if that is what the President wants, it is fine with me. I will come to the floor every day to vote for a continuing resolution to keep the government running. Like my Republican colleagues, I am determined to
