

U.S. MINT'S DENIGRATION OF FOUNDING FATHER IN ADVERTISEMENT PROGRAM SHOULD BE STOPPED

(Mr. BARTLETT of Maryland asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARTLETT of Maryland. Mr. Speaker, I rise today to take issue with the United States Mint's misguided decision to denigrate our Founding Father in their current advertisements promoting their new \$1 coin.

□ 1415

A current television advertisement campaign has an image of George Washington dancing in a night club. And here is an ad from last Sunday's Washington Post which shows George Washington with two drinking women. Here is one from last Thursday in the same newspaper, the Washington Post, which shows George Washington with the phrase, "Change Happens."

Now, we all know the origin of this phrase, blank happens, and it is disgusting. I can say with complete certainty that our first President would not approve of this portrayal of himself.

And it gets worse. The Mint has initiated a \$45 million advertising campaign of which this is a part. That is the taxpayers' money. These funds come directly out of the Treasury Department's budget. I am quite sure this money could be spent on more productive activities.

Mr. Speaker, it is no wonder many of today's youth have little or no knowledge of our Founding Father and first President, George Washington. This type of treatment by our own Government agencies only goes to further denigrate the image of one of our greatest citizens, and this advertising campaign should be halted immediately.

SOCIAL SECURITY EARNINGS LIMIT

(Mr. SAM JOHNSON of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SAM JOHNSON of Texas. Mr. Speaker, my colleagues have heard of eliminating the Social Security earnings penalty. Well, we are finally doing it today.

It has been a long fight for our seniors, but today we are going to vote to end the Social Security earnings penalty.

The gentleman from Texas (Chairman ARCHER) has been working on that issue since 1973, and I have been working on it since I got in the Congress in 1991.

Our seniors deserve the right to work without being penalized by the Federal Government. Senior Americans are diligent, experienced, productive; and they want to work without the fear of losing their Social Security benefits.

This country was built by Americans of all ages who labored to realize their dreams. We have always rewarded work in America; and it is high time we rewarded, not penalized, our seniors for their hard work.

CONGRATULATING UNIVERSITY OF WISCONSIN MEN'S BASKETBALL TEAM

(Mr. RYAN of Wisconsin asked and was given permission to address the House for 1 minute.)

Mr. RYAN of Wisconsin. Mr. Speaker, I rise today to extend my congratulations to the University of Wisconsin's men's basketball team on their first Final Four appearance in 59 years. The Badgers got to the Final Four by winning the Western Regional in the NCAA Tournament over the past 2 weeks.

Led by head coach Dick Bennett, the Badgers pulled off three upsets in a row to make it to the Final Four. The Badgers' style of play proves that defense wins basketball games.

Wisconsin may not be known for having the best athletes in the tournament, but they advanced with a patient and disciplined offense, a tenacious man-to-man defense, and a great deal of heart and perseverance.

The Wisconsin Badgers have exceeded many people's expectations in getting to the Final Four this year. In fact, along with the North Carolina Tar Heels, they are the lowest seed to reach the Final Four since 1986.

Wisconsin's tournament wins can be credited in part to the defensive pressure of Mike Kelley, the three-point sharp shooting of Jon Bryant, and the great front court offensive play of Andy Kowske.

Wisconsin faces a tough assignment on Saturday when we go up against the Michigan State Spartans. I wish the Wisconsin Badgers the best of luck in Indianapolis this weekend in their quest to bring Wisconsin its first championship since 1941.

SAN GABRIEL BASIN WATER QUALITY INITIATIVE

Mr. SHUSTER. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 910) to authorize the Secretary of the Army, acting through the Chief of Engineers and in coordination with other Federal agency heads, to participate in the funding and implementation of a balanced, long-term solution to the problems of groundwater contamination, water supply, and reliability affecting the San Gabriel groundwater basin in California, and for other purposes, as amended.

The Clerk read as follows:

H.R. 910

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Pennsylvania (Mr. SHUSTER) and the gentleman from Pennsylvania (Mr. BORSKI) each will control 20 minutes.

The Chair recognizes the gentleman from Pennsylvania (Mr. SHUSTER).

Mr. SHUSTER. Mr. Speaker, I am pleased to yield 5 minutes to the gentleman from California (Mr. DREIER), the distinguished chairman of the Committee on Rules, who is the principal author of this legislation and the driving force behind it.

Mr. DREIER. Mr. Speaker, I would like to begin by saying first, I serve on the Committee on Rules, and it is a great thrill to stand here suspending the rules for consideration of this very important legislation.

I want to congratulate the gentleman from Pennsylvania (Mr. SHUSTER), the distinguished chairman of the Committee on Transportation and Infrastructure, my very good friend, whom I supported in his quest for Whip 2 decades ago; and also the gentleman from New York (Mr. BOEHLERT), the very distinguished chairman of the Subcommittee on Water Resources and Environment; along with the gentleman from Pennsylvania (Mr. BORSKI), the ranking minority member of the subcommittee.

Also, I would like to point to several of my colleagues from the San Gabriel Valley, the gentleman from California (Mr. MARTINEZ), who is here and who, in fact, reminded me of an event out in California that they came to him and talked to him about introducing this legislation, and I am very pleased that he has played a key role in helping to make this possible; our colleague, the gentleman from California (Mrs. NAPOLITANO), who joined in cosponsoring; and also a very important driving force behind this legislation has been my colleague, the gentleman from California (Mr. ROGAN), with whom I share representation of the City of Pasadena, which is in the San Gabriel Valley.

We are here for consideration of some legislation that is very, very important not just for Southern California; but, in fact, for the rest of the Nation.
