WASTEFUL SPENDING

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, bureaucracy is a word we hear every day. The Federal Government has become so large that it is difficult to follow how individual agencies are spending taxpayer dollars.

Take the Federal Aviation Administration, for example. The FAA spent \$4 billion on an air traffic control modernization program that was unreliable, did not work, and was shut down before it was completed. Mr. Speaker, \$4 billion just flew out the window.

The General Accounting Office remains concerned about the agency's poor accounting and lack of control over costs, as the agency proceeds with its new \$42 billion air traffic modernization program. The GAO has every reason to be concerned about the FAA's decision-making process.

According to the Department of Transportation's report, FAA employees are using programs designed to acquaint air traffic controllers with cockpit operations for personal travel. And as my friend and colleague, the gentleman from the 17th district of Ohio (Mr. TRAFICANT), would say, "Just beam me up, Scotty."

One employee took 12 weekend trips in a 15-month period to visit his family

in Tampa, Florida, at taxpayers' expense.

Mr. Speaker, the waste of taxpayer dollars just will not fly any more.

NEED FOR INVESTIGATION AT WACO

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, infrared video technology has proven beyond a reasonable doubt that rapid-fire semiautomatic weapons were fired into the Branch Davidian compound after the explosive fire had ignited. Yet all this time, the Justice Department and the FBI have maintained in their knowledge they never fired into the compound after or before the fire had started.

Janet Reno further said she believed the FBI was telling the truth. Beam me up. 80 Americans were killed, many of them innocent women and children. They continued to lie. Stop the lies. Stop the coverup. Stop lying to Congress and Congress stop letting agencies get away with it. Mr. Speaker, I yield back the need for an investigation into the lies at Waco.

BREAST AND CERVICAL CANCER TREATMENT ACT

(Mrs. MORELLA asked and was given permission to address the House for 1 minute and to revise and extend her remarks.) Mrs. MORELLA. Mr. Speaker, as you know, on May 14, we will celebrate Mother's Day. To honor that day, I am pleased that the leadership has agreed to schedule a vote on H.R. 1070, which is the Breast and Cervical Cancer Treatment Act.

This legislation will provide treatment for low-income, uninsured working women who are diagnosed with breast or cervical cancer. H.R. 1070 will give States the option of providing Medicaid coverage for these women if they are screened by the CDC's early detection program and found to have cancer, that is, the Centers for Disease Control. The program now provides screening for breast and cervical cancer, but can you believe it does not provide for treatment? H.R. 1070 will correct this. If we offer this screening, we must offer the treatment.

Mr. Speaker, the funding for H.R. 1070 is included in the budget resolution that the House recently passed. It enjoys strong bipartisan support. Let us do the right thing.

In honor of Mother's Day, let us pass H.R. 1070.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Ohio (Mr. LATOURETTE) and the gentleman from Ohio (Mr. TRAFICANT) each will control 20 minutes.

The Chair recognizes the gentleman from Ohio (Mr. LATOURETTE).

Mr. LATOURETTE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, House Concurrent Resolution 280 authorizes the 2000 District of Columbia Special Olympics Law Enforcement Torch Run to be conducted through the grounds of the Capitol on June 2, 2000, or on such date as the Speaker of the House of Representatives and the Senate Committee on Rules and Administration jointly designate.

The resolution also authorizes the Architect of the Capitol, the Capitol Police Board, and the D.C. Special Olympics, the sponsor of the event, to negotiate the necessary arrangement for carrying out the event in complete compliance with the rules and regulations governing the use of the Capitol Grounds.

The sponsor of the event will assume all expenses and liabilities in connection with the event and all sales, advertisements, and solicitations are prohibited.

The Capitol Police will host the opening ceremonies for the run starting on Capitol Hill and the event will be free of charge and open to the public. Over 2,000 law enforcement representatives, Mr. Speaker, from local and Federal law enforcement agencies in Washington will carry the Special Olympics torch in honor of the 2,500 Special Olympians who participate in this annual event to show their support of the Special Olympics.

For over a decade, the Congress has supported this worthy endeavor by enacting resolutions for the use of the grounds. I am proud to support this resolution and urge my colleagues to do the same.

Mr. Speaker, I reserve the balance of my time.

Mr. TRAFICANT. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am very glad to join forces with my neighbor, the gentleman from Ohio (Mr. LATOURETTE), in supporting this legislation. Rather

than being redundant, I will not give my entire statement because I believe the gentleman from Ohio LATOURETTE) has described the legisla-

tion quite thoroughly.

I would like to add that this was started by Eunice Kennedy Shriver, however, in the mid-1960s as a summer camp for handicapped children; and now this event has grown to involve, as the gentleman from Ohio (Mr. LATOURETTE) has stated, 2,500 Special Olympians competing in more than a dozen events. So I think it is worthy. I

Mr. Speaker, I have no further speakers, and I yield back the balance of my

Mr. LATOURETTE. Mr. Speaker, I yield such time as she may consume to the gentlewoman from Maryland (Mrs. MORELLA).

Mrs. MORELLA. Mr. Speaker, thank the gentleman from Ohio (Mr. LATOURETTE) for yielding to me this

time.

Mr. Speaker, I want to indicate my strong support for the use of the Capitol Grounds for the Special Olympics Torch Run. It is very important and I wholeheartedly support it.

Mr. LATOUŘETTE. Mr. Speaker, I would urge passage of the resolution, and I yield back the balance of my

time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Ohio (Mr. LATOURETTE) that the House suspend the rules and agree to the concurrent resolution, H. Con. Res. 280.

The question was taken; and (twothirds having voted in favor thereof) the rules were suspended and the concurrent resolution was agreed to.

A motion to reconsider was laid on the table.

DEEPEST SYMPATHIES TO THE FAMILIES OF DR. GARY POLIS AND MICHAEL ROSE FROM THE UNIVERSITY OF CALIFORNIA AT DAVIS

(Mr. OSE asked and was given permission to address the House for 1 minute and to revise and extend his re-

marks.)

Mr. OSE. Mr. Speaker, I rise today to offer my deepest sympathies to the families of Dr. Gary Polis and Michael Rose. The University of California at Davis community lost two valuable members when these two men were involved in a tragic boating accident in

Mexico's Sea of Cortez.

Dr. Polis chaired and taught at UC Davis' Environmental Science and Policy Department. He traveled to Mexico to lead a research expedition with a group of UC Davis students, Japanese visiting scholars, and Earth Watch study tour participants. Michael Rose, postgraduate researcher at the university, was also on that trip. After a routine visit to a nearby island, the boat they were in capsized. Dr. Polis, Mr. Rose, and three advising Japanese scholars drowned.

While we understand that words cannot ease the pain everyone experienced during this tragic time, let us take solace in the fact that these people died doing the work they so loved and so willingly shared with the world. Both Dr. Polis and Michael Rose shared the passion for adventure and learning that epitomizes the spirit of the university. We were blessed by their distinguished academic accomplishments.

Mr. Speaker, please join me and the entire Davis community in offering our deepest heartfelt condolences to the family and friends of Dr. Polis and Michael Rose. Please know that our thoughts and prayers are with you dur-

ing this difficult time.

This event is currently one of the largest races in the country, and the winners of these races will represent the Washington metropolitan area in the national finals to be held in Akron, Ohio.

I support this resolution. I urge my colleagues' support.

Mr. Speaker, I reserve the balance of my time.

Mr. TRAFICANT. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I want to commend the gentlewoman from Maryland (Mrs. MORELLA), as well as the gentleman from Maryland (Mr. WYNN), the gentleman from Virginia (Mr. DAVIS), the gentleman from Virginia (Mr. MORAN), and the gentlewoman from the District of Columbia (Ms. NORTON), and certainly the gentleman from Maryland (Mr. HOYER), the sponsor, for working together. Certainly there is some bipartisanship on this committee for sure.

But I want to take a couple minutes to filibuster, hopefully, so that the gentleman from Maryland (Mr. HOYER), who would like to speak, might make it here. But if he does not, then he can speak on the next one.

So taking that minute, I would like to thank Mr. Rick Barnett and Ms. Susan Brita of the staff. They probably do more work in the Congress than any other committee. This little subcommittee passes more legislation
