

but their vision of what America is all about, and it should be more difficult to raise taxes.

We heard the story about the senior earnings limit, the earnings limit put on seniors years ago. The gentleman from Texas (Mr. ARCHER), chairman of the Committee on Ways and Means, this was the very first bill that he presented upon being a Member of Congress 30 years ago. After years of working on this effort, he finally succeeded in giving the President of the United States, the House, and the Senate, the other body, the opportunity to agree to this bill, what turned out to be unanimous. What 5 years before was impossible, because the gentleman from Texas (Mr. ARCHER) sat in the chair as the majority party representative to the Committee on Ways and Means, it got signed into law.

The tax limitation amendment, H.J. Res. 94, will be debated on Wednesday. I hope my colleagues will join us to support this.
