MESSAGE FROM THE SENATE

A message from the Senate by Mr. Lundregan, one of its clerks, announced that the House disagrees to the amendment of the Senate to the concurrent resolution (H. Con. Res. 290) "Concurrent resolution establishing the congressional budget for the United States Government for fiscal year 2001, revising the congressional budget for the United States Government for fiscal year 2000, and setting forth appropriate budgetary levels for each of fiscal years 2002 through 2005", agrees to the conference asked by the Senate on the disagreeing votes of the two Houses thereon, and appoints Mr. KASICH, Mr. CHAMBLISS, Mr. SHAYS, Mr. SPRATT, and Mr. HOLT, to be the managers of the conference on the part of the House.

YOUNG ROLE MODELS

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, this week three youngsters from Sparks, Nevada, were honored as national winners of Make a Difference Day, the largest national day dedicated to helping others.

Ten-year-old Crystal DeRuise, her 8-year-old brother Trevor, and her friend, 10-year-old Diana Vaden, started a simple crafts project. They collected oval-shaped rocks, painted them to resemble ladybugs, and sold them at local community craft fairs.

This simple project has become a local phenomenon in a nationally-recognized charity. When Diana's mother became ill with lupus last year, the students began to sell their rocks at the local stores, donating all of their proceeds to the Lupus Foundation. To date, they have raised about \$1,500 for lupus research, and plan to generate at least \$1,000 more in sales by Christmas.

In addition, as national finalists, an award of \$10,000 will go directly to the Lupus Foundation on their behalf.

It is truly an honor for me to recognize these young individuals, who have given so much of themselves to such a worthy cause. These young children are truly the real role models for all America.

COMMENDING COMMISSIONER CHARLES ROSSOTTI FOR CREATING PARTNERSHIP BETWEEN IRS AND NATIONAL CENTER FOR MISSING AND EXPLOITED CHILDREN

(Mr. LAMPSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMPSON. Mr. Speaker, each day in the United States, 2,200 children are reported missing to the FBI's National Crime Information Center. Our colleagues have helped to raise the level of awareness about missing children by featuring their photos on franked mail and newsletters. Hundreds of corporations do their part. President Clinton mandated the posting of missing children's photos in Federal buildings.

Today I commend Commissioner Charles Rossotti of the IRS for creating a new partnership between his agency and the National Center for Missing and Exploited Children. All tax forms and publications this year feature the pictures of missing children where blank space once appeared. The IRS estimates that up to 600 million images of missing children are being featured.

The National Center reports that one in six missing children is recovered when someone recognizes their photo, and we are optimistic that many children featured in the new IRS program will make their way home as a direct result.

Mr. Speaker, please join me and the Members of the Missing and Exploited Children's Caucus in applauding Commissioner Rossotti for his leadership in bringing the pictures of these children to such a large audience simply by taking advantage of available space.

On behalf of all the families of missing children from our respective districts, we thank you.

IN SUPPORT OF DR. LAURA

(Mr. BARTLETT of Maryland asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARTLETT of Maryland. Mr. Speaker, I have a button which I sometimes wear. It says, "Politically Incorrect and Proud of it." I probably ought to be wearing that button tonight, because what I am going to say is going to be deemed politically incorrect by some.

You see, I rise in strong support of Dr. Laura. Mr. Speaker, under the guise of freedom of speech, my children and my grandchildren are put into a sea of filth and violence on television and the Net. Yet, when Dr. Laura recaptulates spiritual and moral values espoused by countless civilizations through millennia of time, pagans and Christians and Jews and Muslims, she is accused of hate speech.

Mr. Speaker, I proudly rise to defend Dr. Laura and her right to freely express her religious convictions, her deeply held religious convictions, without fear of being called a bigot. If her rights are denied, all our rights are at risk.

THE CENSUS AND URGING MEMBERS TO JOIN IN RESOLUTION SALUTING MINORITY VETERANS

(Ms. JACKSON-LEE of Texas asked and was given permission to address

the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON-LEE of Texas. Mr. Speaker, I rise for two reasons this evening. First of all, I ask Americans not to forget the Census. On April 16, we will have Census Sunday in my district, where I hope all of our religious communities and all those who will be gathered under one roof will realize the importance of one vote, one person, and realize they should be part of the count and not part of the undercount.

So many of our men and women have served the United States military so that we might be free. The Census is one exercise that the United States partakes in to ensure that all Members of this Nation are counted. So I hope that those who have not sent in their forms will realize that this is a part of the obligation of being here in the United States, to be counted.

Finally, Mr. Speaker, I hope my colleagues will join me in supporting House Resolution 98 to salute and give appreciation to all of the minority veterans that served in World War II, African-Americans, Hispanics, Native Americans, who, because of discriminatory laws in the United States, were not fully acknowledged.

We appreciate all who served in World War II and who gave their lives in sacrifice, but we hope we will be able to honor them on a day of honor, May 25, 2000.
