AUTHORIZING THE USE OF THE CAPITOL GROUNDS BY THE EARTH FORCE YOUTH BIKE SUMMIT

Mr. LATOURETTE. Mr. Speaker, I ask unanimous consent that the Committee on Transportation and Infrastructure be discharged from further consideration of the concurrent resolution (H. Con. Res. 314), authorizing the use of the Capitol Grounds for a bike rodeo to be conducted by the Earth Force Youth Bike Summit, and ask for its immediate consideration in the House.

The Clerk read the title of the concurrent resolution.

The SPEAKER pro tempore (Mr. MILLER of Florida). Is there objection to the request of the gentleman from Ohio?

Mr. BLUMENAUER. Mr. Speaker, reserving the right to object, I yield to the gentleman from Ohio (Mr. LATOURETTE) to explain his request.

Mr. LATOURETTE. Mr. Speaker, I thank the gentleman for yielding to me for an explanation.

Mr. Speaker, H. Con. Res. 314 authorizes the use of the Capitol Grounds for Get Outspoken, Youth Bicycle Summit to be held on May 10, 2000, or on such date as the Speaker of the House of Representatives and the Committee on Rules and Administration of the Senate may jointly designate.

The resolution also authorizes the architect of the Capitol, the Capitol Police Board and the sponsor of the event to negotiate the necessary arrangements for carrying out of the events in complete compliance with the rules and regulations governing the use of the Capitol Grounds. The event is open to the public and free of charge.

Mr. Speaker, I want to thank my friend for yielding. I also want to thank him for his leadership and sponsorship of this measure.

(Mr. BLUMENAUER asked and was given permission to revise and extend his remarks.)

Mr. BLUMENAUER. Mr. Speaker, my goal in Congress has been to promote more livable communities. Livable communities are those that are safe, healthy and economically secure.

There are many things that we in Congress can do to enhance livability. Whether it is requiring the Post office to play by the same rules as the rest of America by following local land use and zoning laws or by having more rational water policies to help protect and renew our waterways.

It is important that Congress lead by example and support policies and programs that contribute to the health, safety and economic security of our communities. One simple step we can take today is to support this resolution and the event that it will enable.

On May 10th, Earth Force will hold their annual Bike Rodeo on the Capitol Grounds.

This event is the culmination of a nation wide cycling education project. Children from all of our districts were asked to devise safe bicycling routes through their communities and share their proposals with their peers.

To commemorate their efforts Earth Force holds the bike rodeo to promote youth civic involvement and teach children about safe biking techniques.

This is a fun event with an important message. In 1998, 350,000 children 14 and under were treated in hospital emergency rooms for bicycle-related injuries. Collisions with motor vehicles account for 90 percent of all bicycle related deaths and 10 percent of all non-fatal injuries.

Bike safety education will go a long way to preventing these unnecessary fatalities and significantly enhance the livability of our communities.

This event is the perfect way to celebrate May as National Bike Safety Month.

I welcome the support of my colleagues on this resolution and encourage you to join Earth Force on May 10th to celebrate the leadership demonstrated by the youths they are honoring.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Ohio?

There was no objection.

The Clerk read the concurrent resolution, as follows:

H. CON. RES. 314
