AMENDMENT NO. 22: Page 12, after line 24, insert the following:

Of the funds made available by this Act for the Agricultural Research Service, \$500,000 shall be available for the report required under this paragraph. Not later than September 30, 2001, the Secretary, acting through the National Academy of Sciences, shall complete and transmit to Congress a report that includes recommendations for the following:

(1) The type of data and tests that are needed to sufficiently assess and evaluate

human health risks from the consumption of genetically engineered foods.

(2) The type of Federal monitoring system that should be created to assess any future human health consequences from long-term consumption of genetically engineered foods.

(3) A Federal regulatory structure to approve genetically engineered foods that are safe for human consumption.
