The SPEAKER pro tempore. Pursuant to House Resolution 542 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the State of the Union for the consideration of the bill, H.R. 1304.

□ 2259

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the State of the Union, for the consideration of the bill (H.R. 1304) to ensure and foster continued patient safety and quality of care by making the antitrust laws apply to negotia-

tions between groups of health care professionals and health plans and health insurance issuers in the same manner as such laws apply to collective bargaining by labor organizations under the National Labor Relations Act, with Mr. SHIMKUS in the chair.

The Clerk read the title of the bill.

The CHAIRMAN. Pursuant to the rule, the bill is considered as having been read the first time.

Pursuant to the order of the House, the gentleman from Illinois (Mr. HYDE) and the gentleman from Michigan (Mr. CONYERS) each will control 10 minutes.

The Chair recognizes the gentleman from Illinois (Mr. HYDE).

□ 2300

Mr. HYDE. Mr. Chairman, I yield 5 minutes to the gentleman from California (Mr. CAMPBELL) and 5 minutes to the gentleman from Ohio (Mr. BOEHNER), and I ask unanimous consent that they be permitted to control that time.

The CHAIRMAN. Is there objection to the request of the gentleman from Illinois?

There was no objection.

Mr. CAMPBELL. Mr. Chairman, I yield 2½ minutes to the gentleman from Florida (Mr. WELDON).

Mr. WELDON of Florida. Mr. Chairman, I thank the gentleman for yielding me this time. I rise in support of the bill, and I wanted to relate to my colleagues in the Chamber my experience on this issue, the very issue we are discussing today.

Many years before I got elected to the U.S. House, and as most of my colleagues know, I am a physician; we had an insurance company come to the community offering a product, they called it a PPO, Preferred Provider Organization, or network; and it had a fee schedule in it that was substantially below what was the prevailing rates in the communities. So a whole bunch of the providers, the doctors in the community, were concerned about this because this was a big company, it insured a lot of people. So we all agreed to gather together in a hotel ballroom to discuss this issue, and we invited an attorney to join us and asked him to get up first and explain to us the antitrust laws so that we would not run afoul of antitrust.

So we allowed him to speak, and he got up and he said, if you want to stay out of trouble, go home. You can't talk about this. If you discuss it at all, you can be prosecuted. So we all went home.

Now, back in those days there was one group that had about 20 doctors, a few other small groups, and then a lot of solo practitioners. Now, in that community there are four large groups, my group, which had 20 doctors, has 100 doctors, and there is virtually no solo practitioners left. That is really what this bill is about.

We are talking about the solo pediatrician, the two-man group, the family practitioner who operates alone, being
