

the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and pass the bill, H.R. 4904, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

The title of the bill was amended so as to read: "A bill to express the policy of the United States regarding the United States relationship with Native Hawaiians, to provide a process for the reorganization of a Native Hawaiian government and the recognition by the United States of the Native Hawaiian government, and for other purposes."

A motion to reconsider was laid on the table.

#### GEORGE WASHINGTON MEMORIAL PARKWAY, MCLEAN, VIRGINIA, LAND EXCHANGE

Mr. HANSEN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 4835) to authorize the exchange of land between the Secretary of the Interior and the Director of Central Intelligence at the George Washington Memorial Parkway in McLean, Virginia, and for other purposes.

The Clerk read as follows:

H.R. 4835

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

#### SECTION 1. AUTHORIZATION OF LAND EXCHANGE.

The Secretary of the Interior and the Director of Central Intelligence are authorized to exchange approximately 1.74 acres of land under the jurisdiction of the Department of the Interior within the boundary of the George Washington Memorial Parkway for approximately 2.92 acres of land under the jurisdiction of the Central Intelligence Agency adjacent to the boundary of the George Washington Memorial Parkway. The land to be conveyed by the Secretary of the Interior to the Central Intelligence Agency is depicted on National Park Service Drawing No. 850/81992, dated August 6, 1998. The land to be conveyed by the Central Intelligence Agency to the Secretary of the Interior is depicted on National Park Service Drawing No. 850/81991, Sheet 1, dated August 6, 1998. These maps shall be available for public inspection in the appropriate offices of the National Park Service.

#### SEC. 2. CONDITIONS OF LAND EXCHANGE.

The land exchange authorized under section 1 shall be subject to the following conditions:

(1) NO REIMBURSEMENT OF CONSIDERATION.—The exchange shall occur without reimbursement or consideration.

(2) PUBLIC ACCESS.—The Director of Central Intelligence shall allow public access to the property transferred from the National Park Service and depicted on National Park Service Drawing No. 850/81992. Such access shall be for a motor vehicle turn-around on the George Washington Memorial Parkway.

(3) OTHER ACCESS.—The Director of Central Intelligence shall allow access to—

(A) personnel of the Federal Highway Administration Turner-Fairbank Highway Research Center as is provided for in the Federal Highway Administration's (FHWA) report of excess, dated May 20, 1971, which states, "Right-of-access by FHWA to and from the tract retained to the George Washington Parkway and to State Route 193 is to

be held in perpetuity, or until released by FHWA"; and

(B) other Federal Government employees and visitors whose admission to the Research Center is authorized by the Turner-Fairbank Highway Research Center.

(4) CLOSURE.—The Central Intelligence Agency shall have the right to close off, by whatever means necessary, the transferred property depicted on National Park Service Drawing No. 850/81992, dated August 6, 1998, to all persons except United States Park Police, other necessary National Park Service personnel, and personnel of the Federal Highway Administration Turner-Fairbank Highway Research Center when the Central Intelligence Agency has determined that the physical security conditions dictate in order to protect Central Intelligence Agency personnel, facilities, or property. Any such closure shall not exceed 12 hours in duration within a 24-hour period without consultation with the National Park Service, Federal Highway Administration Turner-Fairbank Highway Research Center facility and the United States Park Police. No action shall be taken to diminish use of the area for access to the Federal Highway Administration Turner-Fairbank facility except when the area is closed for security reasons.

(5) COMPLIANCE WITH DEED RESTRICTIONS.—The Director shall ensure compliance by the Central Intelligence Agency with the deed restrictions for the transferred property as depicted on National Park Service Drawing No. 850/81992, dated August 6, 1998.

(6) COMPLIANCE WITH AGREEMENT.—The National Park Service and the Central Intelligence Agency shall comply with the terms and conditions of the Interagency Agreement between the National Park Service and the Central Intelligence Agency signed in 1998 regarding the exchange and management of the lands discussed in that agreement.

(7) DEADLINE.—The Secretary of the Interior and the Director of Central Intelligence shall complete the transfers authorized by this section not later than 120 days after the date of enactment of this Act.

#### SEC. 3. MANAGEMENT OF EXCHANGED LANDS.

(a) INTERIOR LANDS.—The land conveyed to the Secretary of the Interior under section 1 shall be included within the boundary of the George Washington Memorial Parkway and shall be administered by the National Park Service as part of the parkway subject to the laws and regulations applicable thereto.

(b) CIA LANDS.—The land conveyed to the Central Intelligence Agency under section 1 shall be administered as part of the headquarters building compound of the Central Intelligence Agency.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Utah (Mr. HANSEN) and the gentleman from Puerto Rico (Mr. ROMERO-BARCELO) each will control 20 minutes.

The Chair recognizes the gentleman from Utah (Mr. HANSEN).

Mr. HANSEN. Mr. Speaker, I yield myself such time as I may consume.

H.R. 4835 authorizes the exchange of 1.7 acres of National Park Service land located within the boundaries of the George Washington Memorial Parkway for 2.9 acres of Central Intelligence Agency land located adjacent to the George Washington Memorial Parkway. The proposed exchange, which is designed to improve security at the CIA, is supported by both the CIA and the National Park Service. Once the exchange is complete, the CIA will allow public access to the property

transferred from the National Park Service for a motor vehicle turnaround on the George Washington Memorial Parkway. This land shall be administered as part of the headquarters building compound of the CIA. The 2.92 acres transferred to the Secretary of the Interior from the CIA shall be included within the boundary of the George Washington Memorial Parkway and shall be administered by the National Park Service.

I urge my colleagues to support this legislation.

Mr. Speaker, I reserve the balance of my time.

Mr. ROMERO-BARCELO. Mr. Speaker, I yield myself such time as I may consume.

(Mr. ROMERO-BARCELO asked and was given permission to revise and extend his remarks.)

Mr. ROMERO-BARCELO. Mr. Speaker, H.R. 4835 introduced by the gentleman from Virginia (Mr. MORAN) would authorize the exchange of 1.74 acres of National Park Service land located within the boundaries of the George Washington Memorial Parkway for 2.92 acres of Central Intelligence Agency land located adjacent to the George Washington Memorial Parkway. The purpose of the land exchange is to address security issues at the entrance to the Central Intelligence Agency headquarters in McLean, Virginia, that is accessed via the George Washington Memorial Parkway.

Mr. Speaker, this proposal will enhance security at CIA headquarters without damage to any park resources. We join with the administration in supporting the legislation.

Mr. Speaker, I yield such time as he may consume to the gentleman from Virginia (Mr. MORAN).

Mr. MORAN of Virginia. I thank my friend and very distinguished colleague from Puerto Rico for yielding me this time, and I thank the gentleman from Utah (Mr. HANSEN), the distinguished chairman.

This was necessitated when a deranged terrorist killed two CIA officers in 1993. The reason that we are making this land exchange is for security purposes. It does not do much for the parkway, but it certainly has no damaging effect; and it is the right thing to do, so the Park Service is making an equal swap of land. They are picking up almost 3 acres of land on the far compound, and they are giving up this land to enhance security for CIA employees. It is the right thing to do. There is no controversy. I very much appreciate my colleagues letting it go through.

I trust that we can find more ways that we can reach win-win bipartisan solutions on these things.

□ 1845

Mr. ROMERO-BARCELO. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. HANSEN. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore (Mr. HUTCHINSON). The question is on the motion offered by the gentleman from Utah (Mr. HANSEN) that the House suspend the rules and pass the bill, H.R. 4835.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
