So the Senate bill was passed.

The result of the vote was announced as above recorded.

The title of the Senate bill was amended so as to read: "A bill to amend the Public Health Service Act to revise and extend programs established under the Ryan White Comprehensive AIDS Resources Emergency Act of 1990, and for other purposes."

A motion to reconsider was laid on the table.

Stated for:

Mr. MALONEY of Connecticut. Mr. Speaker, I was unavoidably detained during rollcall vote No. 512. Had I been present I would have voted "yes."

PROVIDING FOR CONSIDERATION OF H.R. 2941, LAS CIENEGAS NATIONAL CONSERVATION AREA IN THE STATE OF ARIZONA

Mr. HASTINGS of Washington. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 610 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 610

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2941) to establish the Las Cienegas National Conservation Area in the State of Arizona. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment recommended by the Committee on Resources now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute printed in the Congressional Record and numbered 1 pursuant to clause 8 of rule XVIII. That amendment in the nature of a substitute shall be considered as read. All points of order against that amendment in the nature of a substitute are waived. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute

made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

The SPEAKER pro tempore. The gentleman from Washington (Mr. HASTINGS) is recognized for 1 hour.

Mr. HASTINGS of Washington. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentlewoman from New York (Ms. SLAUGHTER), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

(Mr. HASTINGS of Washington asked and was given permission to revise and extend his remarks.)

Mr. HASTINGS of Washington. Mr. Speaker, H. Res. 610 is an open rule waiving all points of order against the consideration of H.R. 2941, a bill to establish the Las Cienegas National Conservation Area in the State of Arizona.

The rule provides 1 hour of general debate to be equally divided between the chairman and ranking minority member of the Committee on Resources. The rule makes in order as an original bill for the purpose of amendment the amendment in the nature of a substitute printed in the CONGRESSIONAL RECORD and numbered 1, which shall be open for amendment at any point. The rule waives all points of order against the amendment in the nature of a substitute.

The rule also authorizes the Chair to accord priority in recognition to Members who have preprinted their amendments in the CONGRESSIONAL RECORD. The rule further allows the chairman of the Committee on the Whole to postpone votes during the consideration of the bill and to reduce voting time to 5 minutes on a postponed question if the vote follows a 15-minute vote.

Finally, the rule provides for one motion to recommit, with or without instructions.

H.R. 2941, a bill introduced by the distinguished gentleman from Arizona (Mr. KOLBE), establishes the Las Cienegas National Conservation Area in parts of Pima, Santa Cruz, and Cochise Counties in Arizona. The bill directs the Secretary of the Interior to develop a management plan for the 42,000 acre area which will conserve, protect, and enhance its resources and values.

Mr. Speaker, this legislation also authorizes the Secretary to purchase or exchange necessary acreage for the conservation area from willing sellers, both individuals and from the State of Arizona.

The bill preserves a significant amount of land that is home to an important cross-section of plants and wildlife. It also creates 142,000-plus acre planning district that is an important first step towards providing a biological corridor from the north of Tucson to Mexico for animal movements that

are necessary for the long-term viability of some species.

In addition, two of southern Arizona's perennial streams, the Cienega Creek and the Babocamari River, would be protected by this legislation, ensuring a long-term sustainable riparian area.

1200

Land will also be available for human use in ranching, hunting, and recreation.

H.R. 2941 was reported by unanimous consent by the Committee on Resources on September 20, 2000. Accordingly, I urge my colleagues to support both the rule, House Resolution 610, and the underlying bill.

Mr. Speaker, I reserve the balance of my time.

Ms. SLAUGHTER. Mr. Speaker, I yield myself such time as I may consume.

(Ms. SLAUGHTER asked and was given permission to revise and extend her remarks.)

Ms. SLAUGHTER. Mr. Speaker, I rise in support of this open rule, and urge my colleagues to pass it.

The underlying bill comes after extensive negotiations between the bill's supporters and the administration, and would establish the Las Cienegas National Conservation Area located in Arizona.

This land is important for a diverse cross-section of plants and wildlife. The bill creates the 137,000-acre Sonoita Valley Conservation Planning District, which includes the 42,000 acre Las Cienegas National Conservation Area.

Moreover, the bill would provide an important first step to creating a biological corridor that extends from north of Tucson to Mexico for animal movements that are necessary for the long-term viability of some species.

In addition, two of southern Arizona's perennial streams, the Cienega Creek and the Babocomari River, would be protected, ensuring a long-term, sustainable riparian area.

Mr. Speaker, I reserve the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I am pleased to yield 1 minute to the author of this bill, the gentleman from Arizona (Mr. KOLBE).

Mr. KOLBE. Mr. Speaker, I rise in support of this rule for H.R. 2941, the Las Cienegas National Conservation Area Establishment Act.

As the gentleman from Washington said, it is an open rule, and deserves support of all the Members of this body.

Ms. SLAUGHTER. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. HASTINGS of Washington. Mr. Speaker, I have no further requests for time, I yield back the balance of my time, and I move the previous question on the resolution.

The previous question was ordered.

The SPEAKER pro tempore. The question is on the resolution.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. SHUSTER. Mr. Speaker, I object to the vote on the ground that a quorum is not present and make the point of order that a quorum is not present.

The SPEAKER pro tempore. Evidently a quorum is not present.

The Sergeant at Arms will notify absent Members.

The vote was taken by electronic device, and there were—yeas 411, nays 0, not voting 22, as follows:
