

(as defined by §4(c)(1) of VEO) fall within the meaning of the "competitive service" as the latter term is used in 5 USC §§3309-3312?

(2) In the absence of any such "competitive service" positions in the legislative branch, what, if any, positions held by "covered employees" are subject to a merit-based system of appointment (which may include examinations, testing, evaluation, scoring and such other elements that are common to the "competitive service" of the executive branch)?

(3) Does VEO authorize the Board to extend the rights and protections of veterans' preference for purposes of appointment to those positions identified in (2) above notwithstanding they are not technically "competitive service" positions?

(4) In order to provide for effective implementation of veterans' preference rights, could the Board, under the "good cause" provision of §4(c)(4)(B) and VEO, modify the most relevant substantive regulations of the executive branch pertaining to veterans' preference in the appointment of "covered employees" so as to make them applicable to the legislative branch without reference to the "competitive service"?

(5) How would the rights and protections of subchapter I of chapter 35, Title 5 USC (pertaining to retention during RIFs), be applied to "covered employees" (as defined by §4(c)(1) of VEO)?

(6) Does VEO authorize the Board to extend the rights and protections of veterans' preference for purposes of retention during reductions in force to "covered employees" holding positions that are not technically within the "competitive service" or the "excepted service"?

(7) In order to provide for effective implementation of veterans' preference rights, could the Board, under the "good cause" provision of §4(c)(4)(B) of VEO, modify the most relevant substantive regulations of the executive branch pertaining to veterans' preference in the retention of "covered employees" during reductions in force so as to make them applicable to the legislative branch without reference to the "competitive service" or the "excepted service"?

(8) In view of the fact that VEO does not explicitly grant the Board the authority exercised by OPM under 5 USC §§1103, 1104, 1301 and 1302 to execute, administer, and enforce the federal civil service system, does the Board have the authority to propose regulations that would vest the Board with responsibilities similar to OPM's over employment practices involving covered employees in the legislative branch?

(9) Is the Board empowered by the statute to give effect to the comment in the legislative history that employing offices of the legislative branch should "create systems that are consistent with the underlying principles of veterans' preference laws," as discussed by the Senate Report accompanying the bill enacted as VEO (Sen. Rept. 105-340, 105th Cong., 2d Sess., at 17 (Sept. 21, 1998)? If so, how should such effect be given?

(10) Under VEO, what steps, if any, must employing offices of the legislative branch take to "create systems that are consistent with the underlying principles of veterans' preference laws," as discussed by the Senate Report accompanying the bill enacted as VEO (Sen. Rept. 105-340 (105th Cong., 2d Sess. Sept. 21, 1998), at 17)?

(11) With respect to positions restricted to preference eligible individuals under 5 USC §3310, namely guards, elevator operators, messengers, and custodians, the Board seeks information and comment on the following issues and questions:

(a) The identity, in the legislative branch, of guard, elevator operator, messenger, and custodian positions within the meaning of these terms under 5 USC §3310.

(b) The identity of covered employing offices responsible for personnel decisions affecting employees who fill positions of guard, elevator operator, messenger, and custodian within the meaning of 5 USC §3310 and the implementing regulations.

(c) Would police officers and other employees of the United States Capitol Police be considered "guards" under the application of the rights and protections of this section to covered employees under VEO?

(d) Whether the current methods of hiring include an entrance examination within the meaning of 5 CFR §330.401 and, if not, whether the affected employing offices believe that the statute mandates the creation of such an examination and/or allows such an examination to be required of the employing offices?

(e) What changes, if any, in the regulations are required to effectuate the rights and protections of 5 USC §3310 as applied by VEO?

(12) Which executive branch regulations, if any, should not be adopted because they are promulgated to implement inapplicable statutory provisions of veterans' preference law or are otherwise inapplicable to the legislative branch?

(13) What modification, if any, of the executive branch regulations would make them more effective for the implementation of the rights and protections made applicable under VEO as provided by VEO §4(c)(4)(B)?

Signed at Washington, DC, on this 16th day of February, 2000.

GLEN D. NAGER,
Chair of the Board,
Office of Compliance.
