## STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

Mr. DEWINE:

S. 3220. A bill to amend sections 3 and 5 of the National Child Protection Act of 1993, relating to national criminal history background checks of providers of care to children, elderly persons, and persons with disabilities; to the Committee on the Judiciary.

NATIONAL CHILD PROTECTION IMPROVEMENT ACT OF 2000

Mr. DEWINE. Mr. President, today I am introducing the National Child Protection Act Improvement Act of 2000. This bill would amend the National Child Protection Act, as amended by the Volunteers for Children Act. It is designed to facilitate the gathering of criminal history record information from both state and federal repositories for background checks of employees and volunteers for organizations providing services to children, the elderly, and the disabled.

Despite the best efforts of the law enforcement community and the volunteer and child services community, many of the individuals who volunteer and are employed in these critical positions still are not subject to criminal history background checks. The bill that I am introducing today modified the National Child Protection Act to facilitate these background checks. Under my bill, with the consent of the individual, the organization with which the individual is applying would receive a copy of the full criminal history record, including relevant arrest information. Further, the bill includes an authorization to provide assistance to these volunteer and service organizations in offsetting the cost of these background checks. To help protect the privacy of individuals who volunteer and are employed in these positions, the bill also would provide a number of important privacy protections.

We need to be sure that we do everything possible to facilitate these important background checks, while assuring that these background checks are not so costly that volunteer organizations and their volunteers are deterred from initiating these vital safety checks.

In shaping this bill, I have worked closely with law enforcement, state officials, and other interested parties. Because of that, the legislation that I am introducing today would help accomplish the laudable goals of the national Child Protection Act and the
