

his family. I commend the Vice President for what he did. It was a very courageous action. He parted ways with his own administration to say that this is the right thing to do. You have to give credit where credit is due, and he gets all the credit in the world from me for having made that decision. I ask unanimous consent that his statement of March 30, today, regarding Elian Gonzalez, be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

STATEMENT BY AL GORE REGARDING ELIAN GONZALEZ, MARCH 30, 2000

From the very beginning, I have said that Elian Gonzalez's case is at heart a custody matter. It is a matter that should be decided by courts that have the experience and expertise to resolve custody cases—with due process, and based on Elian's best interests.

It now appears that our immigration laws may not be broad enough to allow for such an approach in Elian's case. That is why I am urging Congress to pass legislation that is being sponsored by Senators BOB GRAHAM and BOB SMITH—which would grant permanent resident status to Elian and his family so that this case can be adjudicated properly. I know that Congressman BOB MENENDEZ has introduced similar legislation in the House as well.

Let us be clear that the real fault in this case lies with the oppressive regime of Fidel Castro. Elian should never have been forced to choose between freedom and his own father. Now we must take action, here on our own shores, to make sure that Elian's best interests are served.

Mr. SMITH of New Hampshire. I will read a couple lines:

From the very beginning, I have said that Elian Gonzalez's case is at heart a custody matter. It is a matter that should be decided by the courts that have the experience and expertise to resolve custody cases—with due process, and based on Elian's best interests.

My sentiments exactly.

Let us be clear, the real fault in the case lies with the regime of Fidel Castro. Elian should never have been forced to choose between freedom and his own father. Now we must take action, here on our own shores, to make sure that Elian's best interests are served.

That is a very powerful statement. I commend the Vice President for making it. I hope the Vice President now can work with some of his colleagues on the other side of the aisle who have been opposing this opportunity to have the permanent residency status on Elian Gonzalez.

This bill is a perfect solution for those who are not prepared to grant full citizenship for this boy. This is a compromise, not full citizenship, and it is not sending him back to Cuba. It is a compromise. It is one on which I have worked for a long time. It is the perfect solution for those who are concerned that the Senate would be stepping into a custody matter. This bill makes this a custody case, as I just said. It removes the issue from the pro-Cuba or anti-Cuba politics. It allows the issue to be settled by a judge who has the expertise in family custody matters to resolve the status of Elian without any intimidation or any threats from Fidel Castro.

As I have stated, this is a decision the Attorney General has made. I applaud the Vice President's endorsement, and I hope and plead with him to pick up the telephone, call some of his former colleagues, and urge them to support this legislation or urge Janet Reno to pull back from this insistence that Elian Gonzalez not have permanent residency status.

I will have more to say on this when we return on Monday.

ADJOURNMENT UNTIL MONDAY, APRIL 3, 2000

Mr. SMITH of New Hampshire. Mr. President, if there is no further business to come before the Senate, I now ask unanimous consent the Senate stand in adjournment under the previous order.

There being no objection, the Senate, at 7:39 p.m., adjourned until Monday, April 3, 2000, at 12 noon.
