Thirty-nine years ago, Mr. VanMeter completed the house that the couple lives in to this day. It took him two years to build, in part because of his refusal to allow anyone to help him with any part of the process, including the electrical and plumbing.

Mr. and Mrs. VanMeter have five grandchildren, ages 12-25. As they did their own children, they continue to show a patience and loyalty to them. They instill into their grandchildren the same principles they passed to their children: hard work, patience, and a willingness to try new things.

Mr. President, on this special occasion, I congratulate Mr. and Mrs. VanMeter. On behalf of the entire United States Senate, I wish them a happy 50th wedding anniversary, and best of luck in the future.●
