

I cosponsored earlier this year called the American Hospital Preservation Act, we are addressing inpatient services. This is the other half of the equation. The American Hospital Preservation Act will help restore the scheduled 1.1 percent reduction in the inflation rate adjustment for in-patient services for years 2001 and 2002. Most importantly, this legislation will allow hospitals to better keep up with rapid increases in health-related costs.

Mr. President, we in Congress have a big task ahead of us. We need to remain steadfast in our commitment to these institutions and complement the efforts of the people who devote so much of themselves to saving and preserving the lives of others. National Hospital Week exists so that we may remember and recognize the efforts of these organizations, and more importantly, the people who work within them. I am proud of the level of quality health care that is provided through our city and rural hospitals in Minnesota, and I am going to continue to do all I can to help preserve the integrity of these institutions on which we all rely.●

IN RECOGNITION OF SAUL B. KATZ

● Mr. SCHUMER. Mr. President, I rise today in recognition of Saul B. Katz; an outstanding member of the New York health care community.

Mr. Katz has the distinction of serving as the first Chairman of the Board of Trustees of the North Shore—Long Island Jewish Health System. After serving in various leadership capacities within the health system for over a decade, Mr. Katz led the development of a system that now includes 13 hospitals, 2 skilled nursing centers and numerous ambulatory programs which span across the New York Metropolitan area.

As Co-founder, President and Chief Operating Officer of Sterling Equities, Inc., a diversified investment and operating company, Mr. Katz was a member of the governing Board of the Community Hospital of Glen Cove, which became North Shore University Hospital at Glen Cove in 1989. Mr. Katz served as the First Vice President of the Board of Trustees, as well as a member of the Finance, Planning, Development and Building committees.

In addition, Mr. Katz serves as a Director, Trustee and Member of numerous trade and charitable organizations including the Jewish Association for Services for the Aging, the Brooklyn College Foundation and the Federation of Jewish Philanthropies of New York.

The Katz family is a close-knit one. Saul and his wife Iris have enjoyed 40 years of marriage and spend as much time as they can with their grown children and their spouses: Heather Katz Knopf and Dan Knopf, Natalie Katz D'Amore and Al D'Amore and David Katz. Iris and Saul recently celebrated the arrival of their first grandchild Carly Frances Knopf.

The North Shore—Long Island Health System will certainly miss the exemplary leadership that Mr. Katz provided all these years and I applaud the significant improvements he has made to the state of health care in the New York Metropolitan area.

Finally, I would like to congratulate Mr. Katz on his retirement from the Board and wish him and his family well in his golden years.●

RETIREMENT OF DIANE RODEKOH

● Mr. ENZI. Mr. President, I wanted to take this opportunity to express the heartfelt appreciation and gratitude I feel, along with my staff and my wife Diana, for the hard work and determined effort Diane Rodekohr has given the Senate and my office over these past few years. If not for Diane, or Dee as she is known to her friends, we just could not have accomplished as much for the people of Wyoming as we have been able to do since my election to the Senate four years ago.

When Diana and I arrived in Washington ready to take on this new adventure in our lives, knowing we already had staff in place with experience who were committed to me and to Wyoming made all the difference. The continuity that I benefitted from having a seasoned staff helped to make a transition that was better than smooth—it was almost seamless.

I'll always be grateful to Dee for staying on as State Director when she could have ridden off into the sunset to enjoy her well deserved retirement. Instead she stayed with me and with Wyoming and continued to make a difference for me, for my constituents, and for her fellow staff members who continued to look to her for her sage advice, counsel and support.

Now she has made a decision to turn her attention to tending different areas of the garden of her life. I hope she fully enjoys whatever challenges await her. The Bible tells us that "to everything there is a season"—and this is the season for Dee to enjoy her life to the fullest! May God continue to bless and watch over her. My wife, Diana, my staff and the people of Wyoming join in sending our best wishes to her for a life full of continued joy and happiness. Dee, you have truly earned that and so much more!●
