POM-519. A concurrent resolution adopted by the Legislature of the State of Hawaii relative to extending Medicare to prescription drugs for the elderly and disabled; to the Committee on Finance.

SENATE CONCURRENT RESOLUTION NO. 73

Whereas, outpatient prescription drugs, which are not covered under Medicare, are a substantial out-of-pocket burden for many Medicare beneficiaries, as over one-third of beneficiaries have no coverage for prescription drugs; and

Whereas, it has been argued that because roughly two-thirds of beneficiaries have some type of drug coverage from other sources, a Medicare drug benefit for all beneficiaries is not necessary; and

Whereas, however, recent research has identified many gaps in private drug coverage and the degree of protection it affords; and

Whereas, the Prescription Drug Fairness for Seniors Act (Act) (H.R. 664/S. 731) would allow 39,000,000 Medicare beneficiaries to buy

prescription drugs at up to forty percent of current retail prices; and

Whereas, as of February 10, 2000, 138 House congressional members and 12 Senate congressional members have co-sponsored the Act, making it the most broadly supported drug reform bill in Congress; and

Whereas, this legislation would end price discrimination among prescription drug makers against the elderly and disabled on Medicare who have no or inadequate prescription drug insurance coverage; and

Whereas, a number of states have state-funded programs, separate from Medicare, to assist elderly and disabled individuals to purchase prescription drugs, however, Hawaii is not among these states; now, therefore, be it

Resolved by the Senate of the Twentieth Legislature of the State of Hawaii, Regular Session of 2000, the House of Representatives concurring, That the United States Congress is urged to support legislation to extend Medicare benefits to include prescription drug coverage for the elderly and disabled; and be it further

Resolved, That certified copies of this Concurrent Resolution be transmitted to the President of the Senate of the United States Senate, the Speaker of the United States House of Representatives, each member of Hawaii's Congressional Delegation, the State Director of Health, and the State Director of Human Services.

POM-521. A resolution adopted by the Senate of the Legislature of the State of Michigan relative to voluntary, individual, unorganized, and non-mandatory prayer in public schools; to the Committee on the Judiciary.

SENATE RESOLUTION NO. 158

Whereas, the United States of America was founded by men and women with varied religious beliefs and ideals; and

Whereas, The First Amendment to the United States Constitution states that "Congress shall make no laws respecting an establishment of religion or prohibiting the free exercise thereof . . ." which means that the government is prohibited from establishing a state religion. However, no barriers shall be created against the practice of any religion; and

Whereas, The establishment clause of the First Amendment was not drafted to protect Americans from religion, rather, its purpose was clearly to protect Americans from government mandates with respect to religion; and

Whereas, The Michigan Legislature strongly believe that reaffirming a right to voluntary, individual, unorganized, and non-mandated prayer in public schools is an important element of religious choice guaranteed by the Constitution, and will reaffirm those religious rights and beliefs upon which the nation was founded; now, therefore, be it

Resolved by the Senate, That the members of this legislative body memorialize the Congress of the United States to strongly support voluntary, individual, unorganized, and non-mandatory prayer in the public schools of this nation; and be it further.

Resolved, That a copy of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. FEINSTEIN:

S. 2559. A bill for the relief of Vijai Rajan; to the Committee on the Judiciary.

PRIVATE RELIEF LEGISLATION GRANTING UNITED STATES CITIZENSHIP TO VIJAI RAJAN

Mrs. FEINSTEIN. Mr. President, I am pleased to introduce legislation today to grant United States citizenship to Vijai Rajan. Ms. Rajan is a twenty-four year old permanent resident from India whose naturalization application was denied because of physical disabilities that make it impossible for her to take the oath of allegiance.

Ms. Rajan has lived in the United States since she was four months old. Her sister, Inbhu, was born in Cincinnati and is an American citizen by right of her birth in the United States. Her father Sunder Rajan became a naturalized citizen in 1980. But Ms. Rajan's mother Shakunthala, was not naturalized until 1994, just after Vijai's 18th birthday. If both parents had become citizens before Rajan turned 18, she would have automatically qualified for citizenship.

Unfortunately, due to this peculiar circumstance, the law now requires that Ms. Rajan undergo the rigors of the regular naturalization process, in-

cluding taking the oath of allegiance, before she can become a United States citizen.

An anomaly in the law has resulted in Ms. Rajan being left out of her family's American dream, for no other reason than because her physical disabilities prevent her from taking the oath of allegiance. Ms. Rajan suffers from cerebral palsy, muscular dystrophy, seizures, and Crohn's disease.

American citizenship is the most visible sign of one's attachment to the United States. The naturalization process, including the oath of allegiance, should be credible, and it must be accorded the formality and ceremony appropriate to its importance. I would not support any steps that would detract from the meaningfulness, solemnity, and dignity of this time-honored tradition.

In 1952, when Congress codified the requirements for becoming an American citizen, it required that the oath contain five elements: (1) support for the Constitution; (2) renunciation of prior allegiance; (3) defense of the Constitution against all enemies; (4) true faith and allegiance; and (5) a commitment to bear arms or perform non-combatant service when required.

I believe these principles should remain intact. But I also believe that we should carry out these ideals with compassion and sufficient flexibility that persons who are so severely disabled, like Ms. Rajan, are not automatically disqualified from becoming U.S. citizens.

I believe the case of Vijai Rajan is compelling and warrants Congress' immediate consideration. Moreover, I am aware that there are other cases in which a physical disability has prevented an otherwise qualified person from becoming an American citizen. I intend to work to enact legislation that will give the Attorney General the discretion to act on such compelling cases without having to resort to a private act of Congress.

In the meantime, I urge my colleagues to support this private legislation on behalf of Vijai Rajan.
