STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Ms. SNOWE (for herself and Ms. COLLINS):

S. 2602. A bill to provide for the Secretary of Housing and Urban Development to fund, on a 1-year emergency basis, certain requests for grant renewal under the programs for permanent supportive housing and shelter-plus-care for homeless persons; to the Committee on Banking, Housing, and Urban Affairs.

HOMELESS ASSISTANCE LEGISLATION

• Ms. SNOWE. Mr. President, I rise to introduce legislation designed to guarantee funding for Department of Housing and Urban Development (HUD) McKinney Act homeless assistance programs, including Shelter Plus Care and the Supportive Housing Program (SHP).

The legislation I am introducing today mirrors legislation introduced earlier this year in the House by Representative LAFALCE and included in the House version of the FY01 supplemental, which would renew existing Shelter Plus and SHP contracts and fund them under the budget for the HUD Section 8 housing assistance program.

The renewals funded under this legislation would provide grant funding for existing programs that support assistance to some of the most vulnerable Americans—the homeless. Without the resources that this bill is designed to provide, many who receive assistance today will literally be left out in the cold.

Keep in mind that these are not new programs—they are renewals. And they fund community initiatives already in place in cities and towns across the country that provide assistance to those in need. Under Shelter Plus and SHP, states are awarded grants for services such as subsidized housing for the homeless, many of whom are physically or mentally ill or disabled, or who suffer from substance abuse problems, as well as job training, shelters, health care, child care, and other services for this population. Some of the victims that are helped are children, low-income families, single mothers, and battered spouses. Many are also veterans.

I have witnessed first-hand the dislocation that can be caused by non-renewal. In January of last year, HUD issued homeless grant assistance announcements to most states but denied applications submitted by the Maine State Housing Authority and by the city of Portland, Maine leaving the state one of only four not to receive any funds. We were alarmed to learn that this would mean that many homeless agencies and programs could lose
