Whereas, Women constitute at least forty-one percent of the work force worldwide yet are far behind men in pay, power, and responsibility; and

Whereas, Nearly seventy percent of the world's poor are women; and

Whereas, On average, women around the world earn thirty to forty percent less than men for work of comparable value; and

Whereas, Twelve countries have laws that do not allow women to seek employment, open a bank account, or apply for a loan without the husband's authorization; and

Whereas, Thirty-three and six-tenths percent of the adult female population is illiterate versus 19.4 percent of the adult male population; and

Whereas, Young women face discrimination in the classroom which undermines their self-esteem and jeopardizes their future performance; and

Whereas, Over sixty percent of the women and girls in the world live under conditions which threaten their health; and

Whereas, Eleven percent of the women in industrialized countries suffer from nutritional anemia, and up to two-thirds of pregnant women in Africa and much of Asia are anemic; and

Whereas, In Austria, violence against wives was cited as a contributing factor in 59 percent of 1,500 divorce cases that were reviewed; and

Whereas, Although women have made major gains in the struggle for equality in social, business, political, legal, educational, and other fields in this century, there is much yet to be accomplished, and through its support and leadership, the United States can help create a world where women are no longer discriminated against and can achieve one of the most fundamental of human rights, equality; now, therefore, be it

Resolved, That his House of Representatives of the State of Rhode Island and Providence Plantations hereby respectfully urges President William J. Clinton and Secretary of State Madeleine Albright to place the United Nations Convention on the Elimination of All Forms of Discrimination Against Women in the highest category of priority in order to accelerate the treaty's passage through the Senate Foreign Relations Committee; and be it further

Resolved, That the Secretary of State be and he hereby is authorized and directed to transmit duly certified copies of this resolution to the President of the United States, the Secretary of State of the United States, the President of the United States Senate, the Chair of the Senate Foreign Relations Committee, and to the members of the Rhode Island Delegation to the Congress of the United States.

POM-405. A resolution adopted by the Senate of the General Assembly of the Common-

wealth of Pennsylvania relative to the Low Income Home Energy Assistance Program, the United States strategic petroleum reserves and to negotiate with OPEC or non-OPEC countries for additional oil reserves or supplies; to the Committee on Energy and Natural Resources.

SENATE RESOLUTION

Whereas, Fuel, in particular diesel fuel, and home heating oil prices have skyrocketed to record highs in the first weeks of 2000, threatening this Commonwealth's citizens' well-being and safety to crisis proportions; and

Whereas, Retail prices of home heating fuel and diesel fuel in some areas of this Commonwealth have reached \$2 per gallon, and level rack prices of diesel fuel are 106% higher than they were in the first week of February 1999; and

Whereas, The impact of escalating oil prices on an industry that is operating on narrow profit margins is being compounded by driver shortages and other increased costs; and

Whereas, These increases dramatically affect prices for essential utility and municipal services, and increases in transportation costs threaten jobs and could cause major disruption of vital supplies and other goods and services; and

Whereas, Home heating oil supplies are extremely tight, particularly in the Mid-Atlantic and the Northeast, and weather forecasts call for continued below-normal temperatures; and

Whereas, Refineries in Pennsylvania and other states must produce more home heating fuel, which may cause shortages of other oil products such as gasoline, kerosene and undyed diesel fuel, thereby driving up prices accordingly; and

Whereas, The Organization of the Petroleum Exporting Countries (OPEC) has indicated its desire to extend existing output cuts amounting to over 4 million barrels per day, resulting in nearly triple prices in less than one year, devastation to world economic growth and inflation; and

Whereas, According to the International Energy Agency, global oil supplies could be as much as 3 million barrels per day below demand in the first quarter of 2000, and as much as 1.5 million barrels per day below requirements in the second quarter; and

Whereas, A mid-January snowstorm, which occurred in the northeast region of the United States, triggered even faster price increases in Pennsylvania, resulting in United States light crude oil selling just 4¢ below the \$30 per barrel mark; therefore be it

Resolved, That the Senate of the Commonwealth of Pennsylvania urge the President of the United States and the Secretary of Energy to take immediate action to release emergency funding to the State for the Low Income Home Energy Assistance Program (LIHEAP) and to release the United States strategic petroleum reserves, negotiate release of additional oil reserves from non-OPEC countries or negotiate with OPEC on additional supplies; and be it further

Resolved, That copies of this resolution be sent to the President of the United States, the Secretary of Energy, the presiding officers of each house of Congress and to each member of Congress from Pennsylvania.

STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. FEINSTEIN (for herself and Mrs. BOXER):

S. 2051. A bill to revise the boundaries of the Golden Gate National Recreation Area, and for other purposes; to the Committee on Energy and Natural Resources.

THE GOLDEN GATE NATIONAL RECREATION AREA BOUNDARY ADJUSTMENT ACT OF 2000

Mrs. FEINSTEIN. Mr. President, I am pleased to introduce this legislation to permit the National Park Service to expand the boundaries of the Golden Gate National Recreation Area (GGNRA) by acquiring critical natural landscapes and scenic vistas. This includes land in San Mateo County, as well as land in San Francisco and Marin County.

A key component of this legislation is that about half of the total cost of purchasing these lands will be donated by the local community. This legislation specifically provides that all land transactions involve a willing seller and willing buyer.

In introducing this bill, I am joined by my esteemed colleague from California, Senator BARBARA BOXER. This bill also has the bipartisan support of the entire Bay Area Congressional Delegation including original co-sponsors in the House, Representatives TOM LANTOS, NANCY PELOSI, and LYNN WOOLSEY.

Furthermore, this bill also has the strong support of local environmental and advocacy and preservation groups, the Point Reyes National Seashore Advisory Commission, and the National Park Service. I know of no opposition to this bill.

The three Marin County properties lie in the Marin headlands. Preservation of these lands will protect habitat, ridge-top trails and scenic views of San Francisco Bay and the Pacific Ocean.

The San Francisco land along the Pacific coastline, the city of San Francisco would like to donate to the federal government and has authorized \$100,000 for the restoration of this site.

The legislation also proposes to include land near Lobos Creek, adjacent to the Presidio-West Gate, which was damaged during a severe storm in 1997. The American Land Conservancy intends to acquire this land and donate it to the National Park Service. Lobos Creek is the key source of the Presidio's water supply and a unique ecological resource.

Together, these parcels offer beautiful vistas, sweeping coastal views and spectacular headland scenery and the preservation of unique bayland ecosystems with added public access. Much of this land also protects the
