PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-409. A joint resolution adopted by the Legislature of the State of Idaho relative to Federal legislative procedures; to the Committee on Governmental Affairs.

SENATE JOINT MEMORIAL NO. 102

Whereas, the federal administration under President Clinton is continually usurping the powers reserved for the Congress of the United States; and

Whereas, the Clinton administration is, by administrative decree, making law and thereby bypassing both the advise and consent of the Congress; and

Whereas, these administrative laws are being thrust upon the citizens of Idaho and such laws are vigorously enforced by administration bureaucrats.

Now, Therefore, be it resolved by the members of the First Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, That we hereby urgently and earnestly appeal to the Congress of the United States to reclaim its constitutional authority and responsibility to be the law-making body of these United States of America.

It is further resolved, That we respectfully request the Congress to implement proce-

dures similar to the procedure employed by the state of Idaho which requires all rules proposed by executive agencies to be submitted to the Legislature of the State of Idaho for final approval before such administrative law may become effective.

Be it further resolved, That we urge the Congress to limit the scope of executive orders by subjecting such orders to congressional approval before they may become effective.

Be it further resolved, That the Secretary of the Senate be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and to the congressional delegation representing the State of Idaho in the Congress of the United States.

POM-410. A concurrent resolution adopted by the Legislature of the State of Idaho relative to Constitutional Conventions; to the Committee on the Judiciary.

SENATE CONCURRENT RESOLUTION NO. 129

Whereas, the Legislature of the State of Idaho, acting with the best of intentions, has, at various times, and during various sessions, previously made applications to the Congress of the United States of America to call one or more conventions to propose either a single amendment concerning a specific subject or to call a general convention to propose an unspecified and unlimited number of amendments to the United States Constitution, pursuant to the provisions of Article V thereof; and

Whereas, former Justice of the United States of America Warren E. Burger, former Associate Justice of the United States Supreme Court Arthur J. Goldberg and other leading constitutional scholars agree that such a convention may propose sweeping changes to the Constitution, any limitations or restrictions purportedly imposed by the states in applying for such a convention or conventions to the contrary notwithstanding, thereby creating an imminent peril to the well-established rights of the citizens and the duties of various levels of government; and

Whereas, the Constitution of the United States of America has been amended many times in the history of this nation and may be amended many more times; without the need to resort to a constitutional convention, and has been interpreted for more than two hundred years and has been found to be a sound document which protects the lives and liberties of the citizens; and

Whereas, there is no need for, rather, there is great danger in, a new Constitution or in opening the Constitution to sweeping changes, the adoption of which would only create legal chaos in this nation and only begin the process of another two centuries of litigation over its meaning and interpretation.

Now, therefore, be it resolved by the members of the First Regular Session of the Fifty-fifth Idaho Legislature, the Senate and the House of Representatives concurring therein, That the Legislature does hereby repeal, rescind, cancel, nullify, and supersede to the same effect as if they had never been passed, any and all extant applications by the Legislature of the State of Idaho to the Congress of the United States of America to call a convention to propose amendments to the Constitution of the United States of America, pursuant to the terms of Article V thereof, regardless of when or by which session or sessions of the Idaho Legislature such applications were made and regardless of whether such applications were for a limited convention to propose one or more amendments regarding one or more specific subjects and purposes or for a general convention to propose an unlimited
