POM-616. A resolution adopted by the House of the Commonwealth of Massachusetts relative to lower gasoline prices; to the Committee on Energy and Natural Resources.

RESOLUTION

Whereas, the Massachusetts House of Representatives urges the Congress of the United States to take any and all appropriate action to lower gasoline prices; and

Whereas, the inexplicable jump in gasoline prices will increase the cost of public transportation; and

Whereas, the dramatic rise in gasoline prices has increased the costs of transporting goods, thus increasing the cost of living for not only the residents of the commonwealth, but also for all Americans; Therefore be it

Resolved, That the Massachusetts House of Representatives urges the Congress of the United States to initiate any and all appropriate actions to lower gasoline prices; and be it further

Resolved, That a copy of these resolutions be forwarded by the clerk of the House of Representatives to the presiding officer of each branch of Congress and to the members thereof from the commonwealth.

THE PIPELINE INTEGRITY, SAFETY AND RELIABILITY RESEARCH AND DEVELOPMENT ACT OF 2000

Mr. BINGAMAN. Mr. President, I rise today to address a serious issue currently pending in the Senate—pipeline safety. On August 19, there was a tragic pipeline accident in my state of New Mexico. A natural gas transmission line ruptured at 5:30 a.m. that Saturday morning in a rural area south of Carlsbad, NM. Unfortunately, the rupture occurred near a popular fishing spot along the Pecos river. Two families were camped below the bridge traversed by the pipeline. Eleven people, including five small children, died when their favorite camping spot was overcome by heat and flames. I have just learned that the one survivor, Amanda Smith, died earlier today. I would like to include a couple of articles about the victims to be printed in the RECORD after my statement. They should be remembered as individuals, not mere statistics.

This was a human tragedy I can barely describe. I spoke briefly with Martha Chapman, mother of two of the victims, and grandmother of two of the children. She had just returned to Carlsbad for the funeral from Lubbock where she had been keeping vigil at the bedside of her daughter-in-law. She was devastated. She said her whole life was gone. She begged me to do what I could
