CONSERVATION AND REINVESTMENT ACT

Ms. LANDRIEU. Mr. President, a letter from the National Governors' Association on September 27th to the majority leader of the Senate expresses the National Governors' Association's views that any final version of the Conservation and Reinvestment Act (CARA) legislation include stable funding and a strong commitment to the states by reinvesting Outer Continental Shelf (OCS) mineral revenues into assets of lasting value and sharing a meaningful portion of these revenues with states and territories. In addition, the letter points out that the essential strengths of CARA are that it assures a dependable stream of funding which enables states to implement long-term capital investments and to develop cost-effective fiscal strategies.

I ask unanimous consent to print the letter in the RECORD.

There being no objection, the letter was ordered to be printed in the RECORD, as follows:

National Governors' Association,
Washington, DC, September 27, 2000.
Hop. Trent Lott

Senate Majority Leader, U.S. Senate, Washington DC

DEAR SENATOR LOTT: The nation's Governors support legislation that both wisely reinvests Outer Continental Shelf (OCS) mineral revenues into assets of lasting value and shares a meaningful portion of these revenues with states and territories. We have previously endorsed H.R. 701, the Conservation and Reinvestment Act (CARA), but recognize that alternatives are being considered. We urge that any final legislation allocating OCS revenues include stable funding and a strong commitment to the states.

As new proposals are floated, we hope that you will remember the essential strengths of CARA. CARA assures a dependable stream of funding. This enables states to implement long-term capital investments and to develop cost-effective fiscal strategies. Being subjected to the annual appropriations process will not provide the stability necessary for states to take advantage of low-interest bonds, enter into voluntary conservation agreements with private landowners, and invest in long-term programs to recover declining species. A one-year appropriation to state programs simply will not address concerns.

CARA also focuses on conserving and preserving both federal and state assets. Parks, estuaries, wildlife, and historical properties are not limited to federal lands. A meaningful share of the Outer Continental Shelf revenues should be shared with the states and territories so that investments in the conservation of America can occur in a comprehensive manner. This hallmark of CARA is the investment of resources and the empowerment of states to set their own priorities, particularly as they respond to federal mandates and fulfill state environmental goals. These fundamental elements must be incorporated into any final legislation.

As you know, Representative Norman D. Dicks (D-Wash.) recently proposed a "Lands Legacy Trust" fund amendment to the fiscal 2001 Interior appropriations conference report. Many Governors perceive the Dicks amendment as a departure from the principles of CARA. The Dicks amendment does not guarantee an increase in net funding or guarantee full funding for conservation programs.

The reported CARA compromise reached by congressional leaders on September 26th is an approach that more closely resembles the principles of CARA. This proposal has the support of the National Governors' Association (NGA) and should be strongly considered as a viable option as negotiations proceed.

On behalf of NGA, we urge that any final legislation allocating OCS revenues address the concerns we have raised. We appreciate your efforts to conserve the nation's most valuable resources by creating a lasting and comprehensive legacy for the American people and future generations.

Sincerely,

GOVERNOR THOMAS J. WILSACK,

Chair, Committee on Natural Resources.
GOVERNOR FRANK KEATING,
Vice Chair, Committee on Natural Resources.

ADDITIONAL STATEMENTS

300TH ANNIVERSARY OF ST. DA-VID'S CHURCH AND ST. PETER'S CHURCH

• Mr. SANTORUM. Mr. President, I rise today to recognize the 300th anniversary of St. David's Church in Berwyn, Pennsylvania and St. Peter's Church in the Great Valley, near Paoli, Pennsylvania. The two parishes were established in 1700 as mission churches of the historic Christ Church, Philadelphia to serve those that settled Chester County

Philadelphia is where so many of our Founders came together to deliberate, sign the Declaration of Independence and fight in battles during the Revolutionary War. Both churches, now nationally registered landmarks, were involved in the war. St. David's parish sent forth General Anthony Wayne to fight with General Washington, and St. Peter's served as a field hospital for soldiers that were wounded.

For 300 years—longer than we have been a nation—these two churches have been vital elements of the communities in which they reside and serve. Governor Tom Ridge recently selected St. Peter's Church, a registered historical landmark, as the site for the signing of Pennsylvania's "Growing Greener" bill.

On October 21, 2000 these two churches will hold a combined anniversary celebration at St. Peter's Church in the Great Valley. The celebration will feature historic symposia, period food and

costume, and the burial of a time capsule. This event will enable people to gain insight into the lives of our historic forebears. I commend area leaders for initiating such a celebration and look forward to the upcoming festivities.

I am therefore pleased to celebrate the 300th anniversary of St. David's Church and St. Peter's Church. To honor this event, I put forward the following proclamation:

Whereas, 300 years ago, St. David's Church and St. Peter's Church in the Great Valley were founded as missions of the historic Christ Church, Philadelphia:

Whereas, the congregations of St. David's Church and St. Peter's Church in the Great Valley played a vital role in the early growth of historic Chester County, Pennsylvania;

Whereas, St. David's Church was the home parish and eventual burial site for General Anthony Wayne, a hero of the American Revolution:

Whereas, St. David's Church and its graveyard are registered as a National Historic Landmark;

Whereas, St. Peter's Church in the Great Valley is a registered National Historic Landmark which served recently as the site selected by the Governor of Pennsylvania for the signing of the "Growing Greener" land conservation bill;

Whereas, St. David's Church and St. Peter's Church in the Great Valley have sent their parishioners out into the larger community as public servants throughout their

Whereas, St. David's Church and St. Peter's Church in the Great Valley continue to serve their communities, their State and the Nation as strong civic partners in numerous programs to provide food, shelter, clothing, education, health care, and other forms of nurture to those in need;

Now therefore be it resolved by the United States Senate That St. David's Church and St. Peter's Church in the Great Valley be officially recognized and commended on the occasion of their 300th anniversary of worship, September 2, 2000.●

IN RECOGNITION OF WILLIAM HERNANDEZ

• Mr. TORRICELLI. Mr. President, I rise to recognize William Hernandez for his efforts as president of the Hispanic State Parade of New Jersey. His work has done a great deal for Hispanic-Americans, and it is an honor to acknowledge him today.

As president of the Hispanic State Parade of New Jersey, Mr. Hernandez has been able to honor the accomplishments of many prominent Hispanic-Americans. For the last three years he has also served as the president of DesFile Hispanoacericano of New Jersey. During that time, he has worked to arrange the first international cultural and health fair, and create unity and cultural pride among Hispanic-Americans.

Mr. Hernandez is an extremely talented and energetic individual. His work on behalf of Hispanic-Americans has been truly beneficial, and I am confident he will continue to work tirelessly for all Americans of Hispanic decent as well as all of society.

CONGRATULATING MOUNT SAINT CHARLES ACADEMY

• Mr. L. CHAFEE. Mr. President, this past weekend, Mount Saint Charles Academy of Woonsocket, Rhode Island, was honored at a ceremony recognizing it as a Blue Ribbon School. I would like to commend them on this outstanding achievement.

"Mount," as it is called in Rhode Island has long been recognized nationally for its elite hockey program. In fact, the Mounties hockey team is so good that they have won the last 23 Rhode Island State Championships—a record—and during that stretch they skated their way to ten straight High School National Championships.

But in Rhode Island, Mount Saint Charles is best known for its excellent academic reputation. It is great to see "Mount" recognized nationally for its academic excellence, not just its hock-

The Blue Ribbon School program rewards schools that excel in all areas of academic leadership, teaching and teacher development, and school curriculum. Schools are chosen through a competitive application process that rates each school on two areas. The first category, "Conditions of Effective Schooling." includes teaching environment, curriculum and instruction, parent and community support, and student environment. The second category, "Indicators of Success," includes student test performance, high attendance and graduation rates, as well as postgraduate pursuits.

I am proud to see a Rhode Island school recognized nationally for setting the bar high, and I applaud the teachers, principles, and students who have worked so hard to make Mount Saint Charles a Blue Ribbon School.

TRIBUTE TO THE TURNER HILL BAPTIST CHURCH

• Mr. CLELAND. Mr. President, it is with great personal joy and pride that I come before you today to commemorate an anniversary that is of particular importance to my family and me. One hundred years ago, on October 13, 1900, in a borrowed school building at the intersection of McDaniel and Rockland Roads, sixteen original members of the Turner Hill Baptist Church convened for the first time.

The group enjoyed being together and quickly became a strong extended family. In fact, within months of their first meeting at the Old County Line School, the members decided to cement their closeness by constructing a permanent church building of their own. On land donated by E.L. Turner and as a result of its members' ingenuity and hard work, the beginning of 1901 marked the opening of Turner Hill Baptist Church, a wooden structure heated by one wood stove and lit by kerosene

Although the congregation moved to a new brick structure in 1954, the origi-

nal wooden building and the work that went into its creation continue to embody the values of all those associated with the church. Despite the absence of Turner Hill's original sixteen members at today's centennial celebration, many of their descendants are delighted to take part. By the same token, some of the original nine families, including my own, who were present as the church opened in 1901 continue to attend regular services: Turner Hill has both fifth and sixth generation members. I am also proud to be related to both the church's current youngest and oldest members. While my father, Mr. Joseph Hugh Cleland, and Aunt, Mrs. Georgia Mae Cleland Johnston, are Turner Hill's most senior members, my cousin, Miss Jessica Wages is the newest addition to the 151 member congregation.

Over the years, the church itself and the faces in the pews have changed, but one thing has remained a constantcommunity. My friends and family at Turner Hill have pulled together in times of crisis and joined each other in celebration throughout the years. Behind the leadership of Reverend Farrell Wilkins and with God and family at the center of their lives, the members of my church today commemorate an historic anniversary. May their next hundred years be as prosperous as their

IN RECOGNITION OF FATHER ALBERT R. CUTIE

• Mr. TORRICELLI. Mr. President. I rise today to recognize Father Albert R. Cutie, to whom the 25th Hispanic-American Parade of New Jersey Annual Banquet is being dedicated. This tremendous honor is being bestowed upon an individual who is a true example of the possibilities that are available to all in our great nation.

Father Albert's parents were forced, like many others, to flee from Cuba to Spain due to the atheist-communist dictatorship that took over their homeland. Fortunately, his family was reunited a few years later in San Juan, Puerto Rico, and was able to emigrate to the United States when he was seven years old. Here he has been able to pursue a life that would not have been possible in communist Cuba.

Father Albert has always been a talented and industrious soul. From a young age, he showed vibrant entrepreneurial skills by turning his love for music into his own business. During his High School years his experience in parish youth groups and spiritual retreats began to foster his great love for the Church and its mission. Hearing his calling, Father Albert entered the Seminary in 1987 and was ordained on May 13, 1995.

Since his ordination, countless individuals have benefitted from Father Albert's love and guidance. Not only does he continue to reach out to individuals, families, the sick, and those in need, but he works diligently to give
