ON PASSAGE OF H.R. 1, THE NO CHILD LEFT BEHIND ACT OF 2001

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2001

Ms. McCOLLUM. Mr. Speaker, I was pleased to support H.R. 1, a bipartisan bill to reauthorize the Elementary and Secondary Education Act. It is a good bill, but it is far from a perfect bill.

H.R. 1 substantially expands authorized funding levels targeted to America's neediest children. I am pleased that this bill excludes voucher provisions that would have stripped scarce funds from our public schools. Further, keeping out the Straight A's state block grant programs was the right thing to do.

Even though I voted for this bill, I have some strong reservations about it that I hope will be worked out in the conference committee. First, the new testing requirements in grades three through eight are an unfunded mandate by the federal government on our local schools. Second, I am deeply disappointed that neither class size reduction nor school construction was addressed in this bill.

I applaud the work of the Education and the Workforce Committee for writing a bipartisan bill to strengthen education for all of our children. There is much more work to be done, however, to ensure that every child in America receives the education they deserve. We need to renew our commitment to fully fund special education, lower class sizes, and attract and retain qualified, committed teachers. I hope H.R. 1 will reflect these priorities.

IN HONOR OF BISHOP ROGER W. GRIES

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2001

Mr. KUCINICH. Mr. Speaker, I rise today to honor and celebrate Bishop Roger W. Gries upon being named Auxiliary Bishop of Cleveland.

Bishop Roger W. Gries has served the Cleveland and world communities in countless ways. He was originally baptized on April 11, 1937 at Holy Trinity Church in Cleveland, Ohio. Early in his education he attended Benedictine High School. Upon graduation he attended Saint John's University and eventually Loyola University in Chicago, Illinois. His faith and love then brought him to Saint Joseph Seminary, Blessed Sacrament Fathers, in Cleveland, Ohio.

After ordination in 1963, Bishop Gries served his community in many ways. He origi-

nally taught at Benedictine High School. However, soon thereafter his peers recognized his special gift for education and he later served as Assistant Principal, and then Principal. He then served as Abbot to the Saint Andrew Abbey from 1981-2001. He still serves today at St. Hyacinth Church in Cleveland.

Bishop Gries' joy and strong faith is apparent after listening to any of his sermons. His kind-spirited and good-nature has brought countless people to his church. His dedication, generosity, and love to his members is like no other; he truly cares for all people. We, as a community, are blessed to have people like Bishop Gries in our neighborhood.

Mr. Speaker, Bishop Gries has served his community selflessly. His love and talent has led him to numerous churches and schools in the Cleveland area where he has shared his faith. Please join me in celebration and recognition of Bishop Roger W. Gries on his naming to Auxiliary Bishop of Cleveland.

A TRIBUTE TO ONE WORLD-ONE HEART, INC.

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2001

Mr. TOWNS. Mr. Speaker, I rise today in honor of the contributions of One World-One Heart, Inc. and its supporting organizations for their work that exemplifies our nation's unity, respect for your neighbor, and cultural exchange through inter-generational activities and programs.

One World-One Heart, Inc. a New York based non-profit organization, provides access to educational, recreational, cultural and intergenerational programs for participants from all ethnic, religious, economic and cultural backgrounds. The organization also provides programs at the elementary, high school and senior citizen level that encourage intergenerational interaction, respect for peers, and multicultural appreciation and understanding.

Every year in June, the organization partners with other long standing organizations that share the philosophy of service to community and creates free public events to disseminate positive messages in a fun way. "The Taste of Pizza" Month, which continues to expand every year, includes a wide range of communities. In four short years, the campaign has mobilized other non-profits; educators, community leaders, business, and elected officials to help spread the message of non-violence in our schools; unity and multicultural appreciation to youths and adults alike.

The message is disseminated through pizza. Pizza serves as a symbol of the rich diversity of our society and is used by educators to explain concepts in areas of mathematics, history, and culture.

Certainly the message is a simple, but powerful one. One World-One Heart and its supporters, by taking the program nation-wide will celebrate it's citizens and supporting organizations from coast to coast including World Champion Dough Thrower, Tony Gernignani; PMQ Magazine; Pizza Hut; Sharing in Neighborhood Experiences (SHINE); Plainview Old Bethpage John F. Kennedy High School; Cox

Radio, Inc., Clear Channel Communications, and others; who will help to present a series of free public events and in-school programs. At the end of the program, all will enjoy, "Tony Modica's Pizza Dance" a celebratory group dance which was created specifically for the first "pizza" celebration.

We all have more in common than we sometimes can imagine. It is through the recognition of commonalities, such as pizza, which help to break down barriers of misinformation and misunderstanding. One World-One Heart, Inc. and its supporters are positive examples of how private citizens and non-profit organizations can make a difference in the community with the support of business and government.

It is for these reasons that I urge my colleagues to join me in recognizing, One World-One Heart, Inc. and the "Pizza" in proclaiming June, "National Taste of Pizza" Month.

CENTRAL NEW JERSEY RECOGNIZES ITS SERVICE ACADEMY STUDENTS

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2001

Mr. HOLT. Mr. Speaker, I want to recognize today a group of very special young men and women from Central New Jersey. One of the most important duties of a Member of Congress, as well as one of the most enjoyable, is nominating students to the United States service academies. In an age when media portrayals of young people are increasingly negative, getting to know students through the nomination process is an important reminder of the patriotism, sense of purpose, dedication to service and excellence of America's youth.

From a pool of over 40 students from my district who went through the rigorous and time-consuming process of applying for a Congressional nomination, I am very proud to say

that twelve young women and men from Central New Jersey will be enrolling in America's service academies this year. They are the very best of an exceptional group, and I was proud to nominate them.

Five young men from the area will be attending the United States Military Academy at West Point, New York, to be commissioned as officers in the United States Army. I would like to recognize Kenneth Elgort of Montgomery, Ivan Eno of Interlaken, Chris Larsen of Princeton, Eric Schlieber of Raritan, and Balint Simsik of Ringoes.

Four young people from Central New Jersey will be attending the United States Naval Academy at Annapolis, Maryland, to be commissioned as officers in the United States Navy. I would like to recognize Brant DeBoer of Monroe, Brandis Kemp of Pittstown, Brian Richards of Sergeantsville, and Joshua Wort of Tewksbury.

One young man from my district will be attending the United States Air Force Academy at Colorado Springs, Colorado, to be commissioned as an officer in the United States Air Force. I would like to recognize Bryan Kelly of South Brunswick.

Two young women from Central New Jersey will be attending the United States Merchant Marine Academy. I would like to recognize Lindsay Elgart of Middletown and Victoria Millar of Princeton.

Mr. Speaker, I hope the House joins me in noting the accomplishments of these young men and women, and in wishing them the best of luck at the service academies and in their careers.

Mr. SKELTON. Mr. Speaker, it has come to my attention that Corporal Everett Morgan, of Lafayette County, Missouri, recently retired from the Missouri State Highway Patrol after 35 years of outstanding service.

Corporal Morgan has dutifully served the citizens of Missouri for three decades. He was born in Corder, Missouri, and later graduated from Corder High School. Corporal Morgan then attended Central Missouri State University. In 1963 Everett joined the U.S. Army and served for six years at Fort Leonard Wood, Missouri, and Fort Still, Oklahoma. While serving in the U.S. Army, Corporal Morgan attended and graduated from Missouri State Highway Patrol Recruit Training.

TRIBUTE TO THE MICHIGAN
FRATERNAL ORDER OF POLICE

HON. JAMES A. BARCIA

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2001

Mr. BARCIA. Mr. Speaker, I rise today to honor the members and leadership of the Michigan Fraternal Order of Police for the vital role they play in supporting law enforcement throughout the state and for their far-reaching volunteer efforts and unparalleled generosity.

The National Fraternal Order of Police is well-known for standing sentinel for more than 290,000 men and women in law enforcement across America, including 12,000 members in more than 50 lodges in Michigan. For many years, the organization has protected and defended the interests of its members and their families in public policy debates and other forums that help formulate rules and legislation affecting the way police officers do their job, including recently spearheading an effort for tuition waivers for survivors of police officers killed in the line of duty.

Under the strong leadership of Executive Director John Buczek and President Kevin Sommers, the organization, does much more than address the critical concerns of its members. It also has a well-deserved and laudable reputation for responding to local communities and charities with donations and service that greatly enhance the image of police officers as the trusted, kind and dependable keepers of the peace that children and others in need can turn to for assistance.

In particular, members of the Michigan Fraternal Order of Police deserve high praise for their collective and individual support of many charities, sports teams, scholarship programs and post-prom parties on behalf of young people statewide. Each year, the organization awards \$20,000 in scholarships to Michigan eighth-graders for an essay contest designed to encourage students to say no to drugs and alcohol. They also operate a children's identification program in association with Wal-Mart Corporation and just began a Kids and Cops at the Circus program, which allowed them to take 1,000 children to the Shrine Circus. Additionally, the group fields a team of runners in the Special Olympics Torch Run, raising over \$10,000 for people with disabilities.

Mr. Speaker, I ask my colleagues to join me in expressing gratitude to the members and leadership of the Michigan Fraternal Order of Police for their good will and big-heartedness and in wishing them continued success in all their noble endeavors.

INTRODUCTION OF THE "GLOBAL
ACCESS TO HIV/AIDS PREVEN-
TION, AWARENESS, EDUCATION,
AND TREATMENT ACT OF 2001"

HON. HENRY J. HYDE

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 6, 2001

Mr. HYDE. Mr. Speaker, the time has come once again for the United States to lead the world in surmounting one of the most compelling humanitarian and moral challenges of our time. I speak of the HIV/AIDS pandemic that threatens the stability of both the developing and developed world—a crisis unparalleled in modern times.

The statistics are chilling, Mr. Speaker. Over 22 million people have died of AIDS throughout the world. More than 3 million died last year alone. That is over 8,000 deaths each day, or nearly one death every six minutes. What is most alarming is that the number of infections and deaths is growing and the pandemic is quickly spreading from sub-Saharan Africa to India, China, and Russia. An incredible 36 million people are infected with HIV today—and 15,000 new infections occur each day. Tragically, most of the dramatic increase in infection rates is in poor countries where education, awareness, and access to healthcare is seriously lacking. To illustrate the magnitude of the crisis, it is estimated that by the year 2010 over 80 million people could be dead of AIDS. That is more than all the military and civilian deaths during World War II.
