Mr. Speaker, we are a better country, a better community, and a better people because of Bill Nack. It's a privilege to know him, to serve him as a constituent, to call him a friend, and to honor him for his extraordinary leadership and I ask my colleagues to join me in paying tribute to him for all he has chosen to do.

**TRIBUTE TO MR. LEROY DANIELS  
OF REDSTONE ARSENAL, ALA-  
BAMA**

**HON. ROBERT E. (BUD) CRAMER, JR.**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2001*

Mr. CRAMER. Mr. Speaker, I rise today to recognize Mr. LeRoy Daniels on the occasion of his retirement from the U.S. Army Aviation and Missile Command, located at Redstone Arsenal, Alabama.

Mr. Daniels has over 36 years of outstanding service to the defense of this nation. Throughout his years with the Army, he has served his nation in tours in Korea and at the Pentagon. He has been the Civilian Personnel Officer at both the U.S. Army Aviation Center and School at Fort Rucker, Alabama and is currently employed with the U.S. Army Aviation and Missile Command as Civilian Personnel Officer.

Mr. Daniels is a native of Troy and received both a Bachelors of Science and a Masters of Business Administration degrees from Alabama A&M University. He has received special recognition from the Secretary of the Army and the Secretary of Defense. For his leadership and vision for the Army, he has been honored with the Superior Civilian Service Award, the Commander's Award and the William H. Kushnik Award for Outstanding Achievement in Civilian Personnel among others.

His talents, skills and experience, which have made him so successful in his career, have also endeared him to his community. He serves as an Elder, a Sunday school teacher and sings in the Chancel Choir at the Church Street Cumberland Presbyterian Church. He is a member of the Alabama A&M University Business and Industry Cluster Publicity and Fund Raising Committee. He also stays active in Blacks in Government, the NAACP and the North Alabama Golf Club.

I wish Mr. Daniels the very best of luck in his retirement and, on behalf of the people of Alabama's Fifth Congressional District, I thank him for his extraordinary service to our community and the nation. I wish him a well-deserved rest.

**NATIONAL PROSTATE CANCER  
AWARENESS WEEK**

**HON. FELIX J. GRUCCI, JR.**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2001*

Mr. GRUCCI, Mr. Speaker, I rise today to bring awareness to the American public about

a silent killer that will affect one in five American men in their lifetime: prostate cancer, and to assist the National Cancer Institute in recruiting men to participate in the largest ever prostate cancer prevention study.

Prostate cancer is the second leading cause of cancer death among men in this nation, according to the American Cancer Society. A family history of this disease can double your risk of being diagnosed with prostate cancer, as does a high-fat diet. Those men over the age of 40 are more likely to be stricken with the disease.

But while no one knows what causes prostate cancer, early detection is the best way to survive this sometimes deadly disease. In fact, according to the American Cancer Society nearly everyone whose prostate cancer is detected before it spreads survives.

To learn more about this disease, the National Cancer Institute is launching the largest-ever prostate cancer prevention study. The NCI will be recruiting 32,000 men for this trial, which will take up to 12 years to complete. Anyone interested in being a part of this trial can call 1-800-4-CANCER for information about where the study is being conducted in their area.

I'm proud that Stony Brook University Hospital—which is located in the First District of New York and is one of the finest medical institutions in the nation—is one of the four Long Island hospitals hosting sites for this very important study.

Next week, July 29–August 3, is National Prostate Cancer Awareness Week. I urge all men over the age of 40 to set aside time during this week to make an appointment with their doctor to schedule a prostate health screening. With early detection offering more treatment options and a better cure rate for those who are diagnosed with this disease.

Research into the prevention and cure for prostate cancer and other forms of this ailment is critically important; and additional research dollars are needed to achieve this goal is vital. That's why I have joined my colleague from Long Island, Congressman PETER KING in co-sponsoring H.R. 281, the Taxpayer's Cancer Research Funding Act. This legislation would amend the Internal Revenue Code and allow certain individuals to designate that five dollars—or ten dollars in the case of joint returns—be directed to the Breast and Prostate Cancer Research Fund. These dollars would be used to award peer review research grants by the National Cancer Institute.

I ask all of my colleagues to inform their constituents about the National Cancer Institute's study and to urge the men in their district over the age of 40 to schedule a screening appointment during National Prostate Cancer Awareness Week and support H.R. 281.

**HON. ROBERT A. UNDERWOOD**

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 26, 2001*

Mr. UNDERWOOD. Mr. Speaker, the governor of Guam, acknowledges the hard work of government of Guam employees. The gov-

Local governmental agencies and departments participate in this program. Awardees are chosen within each department's nominees for a number of occupational groups. These groups range from clerical to labor and trades to professional and technical positions. The various awards reflect individual and group performance, valor, sports, community service, cost savings, and integrity.

My sincerest congratulations go to this year's awardees. I urge them to keep up the good work. I am pleased to submit for the RECORD the names of this year's outstanding employees.
