After serving as a law enforcement officer for both the Montrose Sheriffs Department and the Montrose Police Department, Tony became the at-risk coordinator for the Delta County Joint School District. His job involves speaking to students who are not having a good school experience. He also works with parents and administrators to help students with their academic needs and to find and resolve the problems to keep students in school. "Life is what you make of it. If you work hard, stay away from drugs and bad companions you can follow your dream," said Tony in a Delta Tribune article.

In March, 2001, Tony was the Hispanic motivational speaker at Lincoln Elementary and Delta Middle School. He spoke to students about the dangers of drinking, smoking, using drugs and disrupting their education. "Be proud of who you are and don't forget your Spanish . . . You are our future—our doctors, lawyers, teachers, etc."

Mr. Speaker, his hard work and dedication has made Tony Amaya a role model for all the young people of his community, and especially for the Hispanic youth of the community. I would like to thank Tony for all that he has done and wish him the best of luck in the future.

RECOGNIZING THE 125TH ANNIVERSARY OF THE S.W. JOHNSON SFE CO. NO. 1

HON. BENJAMIN A. GILMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. GILMAN. Mr. Speaker, I rise today to commemorate the 125th anniversary of the founding of Samuel W. Johnson Steam Fire Engine Company No. 1, Inc. in Garnerville, New York.

On June 6, 1876 a meeting was held in Garnerville for the purpose of forming the town's first fire department. Twenty eight members were sworn in as charter members and the first resolution to be unanimously adopted was that the company be known as the "Samuel W. Johnson Steam Fire Engine Co. No. 1."

In those early years, the centerpiece of the Company's firefighting equipment was the American LaFrance Button Steam Fire Engine, originally purchased in 1869 by the Garner Print Works. The Steamer was pulled by a team of horses stabled at the Garner Print Works and it is alleged that those horses would respond to the Steamer Stall when fire alarms were sounded.

Over the years, the brave, dedicated men of the S.W. Johnson SFE Co. No. 1 have selflessly answered the call when disaster struck the town and its citizens. Most notable were their heroic efforts in responding to the major landslide which devastated part of the town in January 1906 and the high-profile rescue of three Garnerville citizens during separate incidents in 1983 and 1985, both resulting in commendation of the firefighters involved.

As the Fire Company membership declined in the 1990s, a committee was formed to investigate the possibility of initiating a "Junior Fire Fighter" program. These members, between the ages of 16 and 18, have contributed to the success of this innovative program and are instrumental as exterior firefighters to the S.W. Johnson SFE Co. No. 1.

The S.W. Johnson Fire Company enters the 21st century with its newest firefighting equipment, a 2000 gpm pumper. It is a far cry from the original Steamer that pumped approximately 150 gpm. On September 8, 2001, at 1:00 pm, time will be turned back as once again three Belgian Draft Horses will pull the 1869 Button Steamer through the streets of Garnerville, during the 125th Anniversary Parade of S.W. Johnson. This will be a special treat for the residents and will be a tribute to this outstanding example of volunteerism in America.

Accordingly, I am pleased to salute the anniversary of the founding of the Samuel W. Johnson Steam Fire Engine Co. No. 1, Inc. of Garnerville, New York.

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. McINNIS. Mr. Speaker, on May 5, 2001 Rovilla R. Ellis, the Executive Director of the Mesa Verde Museum Association, retired after 28 years. I would like to take this moment to have Congress say thank you for all of her hard work and dedication to the museum over the years. She has been a great asset and will be missed greatly by all she worked with.

The Mesa Verde Museum Association is a non-profit organization established by Congress in 1930 to assist and support various interpretive programs, research activities and visitor centers.

Rovilla began her career in 1972 as a part time bookkeeper with the association. Over the years she moved up through the ranks to become Executive Director. Rovilla saw the gross revenues grow from \$54,000 in 1972 to well over \$900,000 in recent years. She has worked with five park superintendents during her time at Mesa Verde.

"Rovilla has made a positive, long-lasting and important contribution to Mesa Verde National Park during her career," said Superintendent Larry T. Wiese. "Her many years of service reflect a deep love for Mesa Verde

and a strong commitment to the mission of the National Park Service. We are sad to see her leaving the park, but we know that she will enjoy her retirement."

HONORING CENTRAL PRIMARY

Monday, May 21, 2001

Mr. UDALL of New Mexico. Mr. Speaker, today I rise to acclaim the accomplishments of one of New Mexico's top primary schools that shows the nation what it takes to be a leader in the educational field. I want to congratulate the Central Primary School in Bloomfield, New Mexico, for receiving the U.S. Department of Education's highest award, the 2000-2001 Blue Ribbon Schools Award for outstanding achievement in elementary education.

The Blue Ribbon Schools Award is presented to schools that excel in numerous fields, from strong leadership, clear visions for the future, and a strong sense of mission to the high quality of teaching and up-to-date curricula, and a commitment to share their knowledge with other area schools. This year, the Blue Ribbon Schools Award was only given to 264 elementary or primary schools nationwide. Mesa Elementary School in Clovis, New Mexico, was also presented with the Blue Ribbon Schools Award this year.

The Bloomfield school district is in the "Four Corners" area of the state, which is the only place in the U.S. where four states—New Mexico, Colorado, Utah and Arizona—meet. This area has an extremely diverse population, with the school-age children reflecting this diversity in the classroom. There, one-third of the students are Anglo, one-third of the students are Hispanic, and one-third of the students are Navajo.

The ability of Central Primary to continually strive for excellence in the classroom and the community is transferred to its students, who learn the important skills they will need to live successful lives.

Mr. Speaker, today I wish to acknowledge the outstanding achievements of the Central Primary School for its impressive achievements in the field of education. I thank the school for its commitment to the children of New Mexico.

HONORING A FALLEN HERO, FIRE-FIGHTER ANTHONY (TONY) ALLAN CZAK

HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. MCINNIS. Mr. Speaker, in July of 1976 a 900 acre wild fire ripped through the Battlement Creek area of Western Colorado. During the blaze, four brave forest service firefighters from different parts of the country were killed while trying to knock out one of the deadliest forest fires in recent memory. On July 21st of 2001, these four men will be honored at the opening of a memorial to be dedicated in their memory. I ask that Congress take a moment to honor these four men for giving their lives in the line of duty.

The four-day blaze which claimed the lives of three hotshot firefighters and one pilot was started by lightning, and took nearly 300 fire fighters to douse the blaze. Twenty-five year old Anthony (Tony) Allan Czak was in his fourth year working on the Mormon Lake hot-shot crew from Coconino National Forest in Arizona and was serving as the crew boss for the 76 season when he was killed by a "fast moving finger of fire".

Tony was born in Buffalo, New York and later moved to Phoenix, Arizona with his wife Janice to attend the University of Arizona. On the Morning of July 17, 1976, the crew was assigned to build a section of fire line to protect Federal lands belonging to the BLM. After they were finished, Tony sent the line crew out of the fire and into a safety zone. He then went back into the burn area to help the remaining three members with the burnout operations. Without warning, the fire took off and overran Tony and two other crewmembers. The fourth member of the crew survived.

Mr. Speaker, four men gave their lives protecting Federal land during the Battlement Creek fire in July of 1976. Anthony Czak and his crew will be honored by the citizens of the Battlement Creek area for their courage and bravery. I would ask that Congress honor them and thank them for their work.

Anthony's family should be proud of what he accomplished in his life and what he did for the people of Battlement Creek.
