HONORING CENTRAL PRIMARY
SCHOOL, BLOOMFIELD, NEW
MEXICO

HON. TOM UDALL

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. UDALL of New Mexico. Mr. Speaker, today I rise to acclaim the accomplishments of one of New Mexico's top primary schools that shows the nation what it takes to be a leader in the educational field. I want to congratulate the Central Primary School in Bloomfield, New Mexico, for receiving the U.S. Department of Education's highest award, the 2000-2001 Blue Ribbon Schools Award for outstanding achievement in elementary education.

The Blue Ribbon Schools Award is presented to schools that excel in numerous fields, from strong leadership, clear visions for the future, and a strong sense of mission to the high quality of teaching and up-to-date curricula, and a commitment to share their knowledge with other area schools. This year, the Blue Ribbon Schools Award was only given to 264 elementary or primary schools nationwide. Mesa Elementary School in Clovis, New Mexico, was also presented with the Blue Ribbon Schools Award this year.

The Bloomfield school district is in the "Four Corners" area of the state, which is the only place in the U.S. where four states—New Mexico, Colorado, Utah and Arizona—meet. This area has an extremely diverse population, with the school-age children reflecting this diversity in the classroom. There, one-third of the students are Anglo, one-third of the students are Hispanic, and one-third of the students are Navajo.

The ability of Central Primary to continually strive for excellence in the classroom and the community is transferred to its students, who learn the important skills they will need to live successful lives.

Mr. Speaker, today I wish to acknowledge the outstanding achievements of the Central Primary School for its impressive achievements in the field of education. I thank the school for its commitment to the children of New Mexico.

HONORING A FALLEN HERO, FIRE-
FIGHTER ANTHONY (TONY)
ALLAN CZAK

HON. SCOTT MCINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. MCINNIS. Mr. Speaker, in July of 1976 a 900 acre wild fire ripped through the Battlement Creek area of Western Colorado. During the blaze, four brave forest service firefighters from different parts of the country were killed while trying to knock out one of the deadliest forest fires in recent memory. On July 21st of 2001, these four men will be honored at the opening of a memorial to be dedicated in their memory. I ask that Congress take a moment to honor these four men for giving their lives in the line of duty.

The four-day blaze which claimed the lives of three hotshot firefighters and one pilot was started by lightning, and took nearly 300 fire fighters to douse the blaze. Twenty-five year old Anthony (Tony) Allan Czack was in his fourth year working on the Mormon Lake hot-shot crew from Coconino National Forest in Arizona and was serving as the crew boss for the 76 season when he was killed by a "fast moving finger of fire".

Tony was born in Buffalo, New York and later moved to Phoenix, Arizona with his wife Janice to attend the University of Arizona. On the Morning of July 17, 1976, the crew was assigned to build a section of fire line to protect Federal lands belonging to the BLM. After they were finished, Tony sent the line crew out of the fire and into a safety zone. He then went back into the burn area to help the remaining three members with the burnout operations. Without warning, the fire took off and overran Tony and two other crewmembers. The fourth member of the crew survived.

Mr. Speaker, four men gave their lives protecting Federal land during the Battlement Creek fire in July of 1976. Anthony Czack and his crew will be honored by the citizens of the Battlement Creek area for their courage and bravery. I would ask that Congress honor them and thank them for their work.

Anthony's family should be proud of what he accomplished in his life and what he did for the people of Battlement Creek.

HONORING MESA ELEMENTARY
SCHOOL, CLOVIS, NEW MEXICO

HON. TOM UDALL

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Monday, May 21, 2001

Mr. UDALL of New Mexico. Mr. Speaker, I rise to recognize the New Mexico elementary school that continues to make leaps and bounds in the superior educational standards that we strive for in the national public schools system. Mesa Elementary School in Clovis, New Mexico, has an outstanding history of educational advancement, and today I wish to congratulate Mesa Elementary for receiving the U.S. Department of Education's 2000-2001 Blue Ribbon Schools Award for outstanding achievement in elementary education.

The Blue Ribbon Schools Award is presented to schools that excel in numerous

fields, from strong leadership, clear visions for the future, and a strong sense of mission to the high quality of teaching, up-to-date curricula, and a commitment to share their knowledge with other area schools. This year, the Blue Ribbon Schools Award was only given to 264 elementary schools nationwide. The Central Primary School in Bloomfield, New Mexico, was also presented with the Blue Ribbon Schools Award this year.

Mesa Elementary School promotes the philosophy that children are intelligent in numerous ways and incorporate this belief into the daily functions of the school. Principal Jan Cox has done an incredible job of translating this notion of applied learning into the mission of the school by bringing together the staff, students, parents, and the community of Clovis to provide an environment conducive to excellence.

Student participation is one of the areas in which Mesa Elementary has shown to be one of the best in the country, and it has become a defining characteristic of the school. When it opened in 1991, Mesa Elementary students were involved from the start, selecting the school colors, mascot, and composing both the school song and pledge.

Today, one student from each grade serves on the Student Advisory Council, which aids Principal Cox in various aspects of administrative processes at Mesa Elementary. Students help select the daily cafeteria menu by serving on the Nutrition Advisory Council. Kindergarten through sixth grade students run businesses in the Mesa Elementary Mall, supplying students with products, from school supplies to refreshments. The Mesa Tech Lab, a computer resource center for the school, utilizes students who are proficient with computers as lab "techies" to help other students learn the programs.

One of the most influential learning tools that Mesa Elementary provides for its students is the Students Who Are Tutors (SWAT) team, a group of student mentors. The SWAT team was created under the Reading Renaissance Program (RRP), a nationwide literacy program aimed at improving students' critical thinking skills and their performance on standardized tests. In this program, students from higher grades assist students from lower grades who are not yet independent readers. Mesa Elementary was a model school for the RRP, and this past year the school made a presentation at the first ever RRP Conference in Nashville, Tennessee.

Mesa Elementary has won numerous awards for excellence over the past six years, including the Redbook Magazine Award for Excellence in 1995, the Reading Renaissance Model School and Library Awards in 1998, and the President's Physical Fitness Award in 1996, 1997 and 2000.

Through their determination to achieve quality educational standards and provide influential learning environments, the staff, students, and parents of Mesa Elementary School have exemplified what it takes to be true leaders in education for elementary schools across the country. I wish to commend Mesa Elementary School upon receiving the prestigious Blue Ribbon Schools Award, and I know that it will be one of the leaders in providing quality education for New Mexican students for years to come.
