

EXTENSIONS OF REMARKS

ALBANIAN VOTERS

HON. JAMES A. TRAFICANT, JR.

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 24, 2001

Mr. TRAFICANT. Mr. Speaker, I submit the following passage and lists for the RECORD:

The list of names enclosed, are considered the "official list of voters" in two district polling stations in Tirana, Albania, as submitted by the current reigning socialist government.

The Democratic Coalition opposing the Socialist Party in the upcoming election, maintains that this list has left off many eligible voters, thus, disenfranchising many Albanians from their right to vote.

In this regard, I submit this list of voters, to memorialize the list so that eventually, a thorough investigation would be possible.

ON THE PHYSICS OLYMPIAD

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, May 25, 2001

Mr. HOLT. Mr. Speaker, I rise today to congratulate and celebrate the achievements of the 24-high school students of the United States Physics Team.

This is a wonderful opportunity to extol the best in American education, which these students represent. They inspire us as they learn to ask the questions of science to explore, investigate, and discover. Let us keep these students and their accomplishments in mind as was we discuss the future of American education in the coming months.

I am proud to be the Representative of two of the members of the team—Daniel J. Peng of Englishtown, N.J. and Jennifer H. Hou of Plainsboro, N.J.

Daniel, who is a senior at Manalapan High School, is an avid debater as well as a strong science student. Jennifer, a student at West Windsor-Plainsboro High School, is also a talented musician. She plays both the piano and
