

to be dependent on the Federal Government for their livelihood. Consequently, the Federal Government must develop a long-term, market-oriented approach to Federal farm policy that will provide producers with the tools to help themselves, while at the same time bringing much-needed economic development to rural communities.

Stakeholders in American agriculture recognize that while short-term financial assistance is helpful, long-term planning and creative and innovative opportunities are necessary in order to stem the loss of small, family-owned farms and preserve small-town economies.

Encouraging agricultural producers to launch value-added enterprises will do just that by enabling farmers and ranchers to reach up the marketing chain and capture profits generated from processing their raw commodities.

While producers have great interest in pooling together to add value to their raw products, two primary barriers stand in their way: first, producers often do not have the technical expertise to launch extremely complex business ventures, like value-added enterprises. Producers are experts, but they are experts in their own fields. Farmers are often outside their arena when it comes to putting together complex processing plants.

Second, producers are currently cash strapped. Even if enough capital could be accumulated to initiate development of producer-owned, value-added processing, many of the consolidated players in the market could squeeze producer-owned entities out before they become profitable. Therefore, something needs to be done to level the playing field for these producers.

That is why, together with the gentleman from South Dakota (Mr. THUNE) and the gentlewoman from Missouri (Mrs. EMERSON), I have introduced two bills to help jump-start value-added initiatives for those producers who need more help to overcome the barriers they face.

The Value-Added Agriculture Development Act would grant \$50 million to create agricultural innovation centers for 3 years on a demonstration basis. The ag innovation centers would provide desperately needed technical expertise, engineering, business, research and legal services to assist producers in forming producer-owned value-added endeavors.

The companion bill, the Value-Added Agriculture Investment Tax Credit Act, would create a tax credit program for farmers who invest in producer-owned value-added endeavors. This program would provide an incentive to invest in value-added production by assisting cash-strapped producers.

Specifically, the bill would make available a 50 percent tax credit for farmers who invest in a producer-owned value-added enterprise. Producers can apply the tax credit over 20 subsequent years or transfer the tax credit to allow for the cyclical nature of farm incomes.

For example, sugar beet growers in the Yellowstone Valley in Montana have the potential to purchase the Great Western sugar refinery. This legislation could provide much-needed tax relief for the grower, turning a "maybe" purchase into a "possible" purchase.

With our tax credit bill, each grower would claim as much as a \$30,000 tax credit for his \$60,000 investment towards the purchase of this plant. That may be enough assistance for the producers to remain in a business so important to Montana's economy.

I have always said that government does not create jobs, people do. Something government can do, however, is create an environment that gives incentives to entrepreneurs and enables businesses to flourish. That is what this package of legislation does: it provides American family farmers with the tools and incentives they desperately need to transform themselves from price-takers to price-makers. Because of this, the legislation has been endorsed by the Montana Farmers Union, Montana Wool Growers, Montana Farm Bureau, Safflower Growers Associations, R-CALF, Montana Stock Growers, Mountain States Beet Growers Association of Montana, and Montana Grain Growers.

Agriculture is Montana's number one industry, and what is good for agriculture is good for Montana. By developing value-added industries, we can bring some economic development to Montana and other rural States. That is good for our pocketbooks, our communities, and our way of life.

PUBLICATION OF THE RULES OF THE COMMITTEE ON STANDARDS OF OFFICIAL CONDUCT 107TH CONGRESS

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Colorado (Mr. HEFLEY) is recognized for 5 minutes.

Mr. HEFLEY. Mr. Speaker, enclosed, please find a copy of the Rules of the Committee on Standards of Official Conduct of the U.S. House of Representatives for the 107th Congress. The Committee on Standards of Official Conduct adopted these rules pursuant to House Rule XI, clause 2(a)(1) on March 14, 2001. We are submitting these rules to the CONGRESSIONAL RECORD for publication in compliance with House Rule XI, clause 2(a)(2).

RULES OF THE COMMITTEE ON STANDARDS OF OFFICIAL CONDUCT

Adopted March 14, 2001

FOREWORD

The Committee on Standards of Official Conduct is unique in the House of Representatives. Consistent with the duty to carry out its advisory and enforcement responsibilities in an impartial manner, the Committee is

the only standing committee of the House of Representatives the membership of which is divided evenly by party. These rules are intended to provide a fair procedural framework for the conduct of the Committee's activities and to help insure that the Committee serves well the people of the United States, the House of Representatives, and the Members, officers, and employees of the House of Representatives.

PART I—GENERAL COMMITTEE RULES

Rule 1. General Provisions

(a) So far as applicable, these rules and the Rules of the House of Representatives shall be the rules of the Committee and any subcommittee. The Committee adopts these rules under the authority of clause 2(a)(1) of Rule XI of the Rules of the House of Representatives, 107th Congress.

(b) The rules of the Committee may be modified, amended, or repealed by a vote of a majority of the Committee.

(c) When the interests of justice so require, the Committee, by a majority vote of its members, may adopt any special procedures, not inconsistent with these rules, deemed necessary to resolve a particular matter before it. Copies of such special procedures shall be furnished to all parties in the matter.

Rule 2. Definitions

(d) "Investigative Subcommittee" means a subcommittee designated pursuant to Rule 8 to conduct an inquiry to determine if a Statement of Alleged Violation should be issued.

(e) "Statement of Alleged Violation" means a formal charging document filed by an investigative subcommittee with the Committee containing specific allegations against a Member, officer, or employee of the House of Representatives of a violation of the Code of Official Conduct, or of a law, rule, regulation, or other standard of conduct applicable to the performance of official duties or the discharge of official responsibilities.

(f) "Adjudicatory Subcommittee" means a subcommittee of the Committee comprised of those Committee members not on the investigative subcommittee, that holds an adjudicatory hearing and determines whether the counts in a Statement of Alleged Violation are proved by clear and convincing evidence.

(g) "Sanction Hearing" means a Committee hearing to determine what sanction, if any, to adopt or to recommend to the House of Representatives.

(h) "Respondent" means a Member, officer, or employee of the House of Representatives who is the subject of a complaint filed with the Committee or who is the subject of an inquiry or a Statement of Alleged Violation.

(i) "Office of Advice and Education" refers to the Office established by section 803(i) of the Ethics Reform Act of 1989. The Office handles inquiries; prepares written opinions in response to specific requests; develops general guidance; and organizes seminars, workshops, and briefings for the benefit of the House of Representatives.

Rule 3. Advisory Opinions and Waivers

(a) The Office of Advice and Education shall handle inquiries; prepare written opinions providing specific advice; develop general guidance; and organize seminars, workshops, and briefings for the benefit of the House of Representatives.

(b) Any Member, officer, or employee of the House of Representatives, may request a written opinion with respect to the propriety of any current or proposed conduct of such Member, officer, or employee.

(c) The Office of Advice and Education may provide information and guidance regarding laws, rules, regulations, and other standards of conduct applicable to Members, officers, and employees in the performance of their duties or the discharge of their responsibilities.

(d) In general, the Committee shall provide a written opinion to an individual only in response to a written request, and the written opinion shall address the conduct only of the inquiring individual, or of persons for whom the inquiring individual is responsible as employing authority.

(e) A written request for an opinion shall be addressed to the Chairman of the Committee and shall include a complete and accurate statement of the relevant facts. A request shall be signed by the requester or the requester's authorized representative or employing authority. A representative shall disclose to the Committee the identity of the principal on whose behalf advice is being sought.

(f) The Office of Advice and Education shall prepare for the Committee a response to each written request for an opinion from a Member, officer or employee. Each response shall discuss all applicable laws, rules, regulations, or other standards.

(g) Where a request is unclear or incomplete, the Office of Advice and Education may seek additional information from the requester.

(h) The Chairman and Ranking Minority Member are authorized to take action on behalf of the Committee on any proposed written opinion that they determine does not require consideration by the Committee. If the Chairman or Ranking Minority Member requests a written opinion, or seeks a waiver, extension, or approval pursuant to Rules 3(1), 4(c), 4(e), or 4(h), the next ranking member of the requester's party is authorized to act in lieu of the requester.

(i) The Committee shall keep confidential any request for advice from a Member, officer, or employee, as well as any response thereto.

(j) The Committee may take no adverse action in regard to any conduct that has been undertaken in reliance on a written opinion if the conduct conforms to the specific facts addressed in the opinion.

(k) Information provided to the Committee by a Member, officer, or employee seeking advice regarding prospective conduct may not be used as the basis for initiating an investigation under clause 3(a)(2) of Rule XI of the Rules of the House of Representatives, if such Member, officer, or employee acts in good faith in accordance with the written advice of the Committee.

(l) A written request for a waiver of clause 5 of House Rule XXV (the House gift rule), or for any other waiver or approval, shall be treated in all respects like any other request for a written opinion.

(m) A written request for a waiver of clause 5 of House Rule XXV (the House gift rule) shall specify the nature of the waiver being sought and the specific circumstances justifying the waiver.

(n) An employee seeking a waiver of time limits applicable to travel paid for by a pri-

vate source shall include with the request evidence that the employing authority is aware of the request. In any other instance where proposed employee conduct may reflect on the performance of official duties, the Committee may require that the requester submit evidence that the employing authority knows of the conduct.

Rule 4. Financial Disclosure

(a) In matters relating to Title I of the Ethics in Government Act of 1978, the Committee shall coordinate with the Clerk of the House of Representatives, Legislative Resource Center, to assure that appropriate individuals are notified of their obligation to file Financial Disclosure Statements and that such individuals are provided in a timely fashion with filing instructions and forms developed by the Committee.

(b) The Committee shall coordinate with the Legislative Resource Center to assure that information that the Ethics in Government Act requires to be placed on the public record is made public.

(c) The Chairman and Ranking Minority Member are authorized to grant on behalf of the Committee requests for reasonable extensions of time for the filing of Financial Disclosure Statements. Any such request must be received by the Committee no later than the date on which the statement in question is due. A request received after such date may be granted by the Committee only in extraordinary circumstances. Such extensions for one individual in a calendar year shall not exceed a total of 90 days. No extension shall be granted authorizing a non-incumbent candidate to file a statement later than 30 days prior to a primary or general election in which the candidate is participating.

(d) An individual who takes legally sufficient action to withdraw as a candidate before the date on which that individual's Financial Disclosure Statement is due under the Ethics in Government Act shall not be required to file a Statement. An individual shall not be excused from filing a Financial Disclosure Statement when withdrawal as a candidate occurs after the date on which such Statement was due.

(e) Any individual who files a report required to be filed under title I of the Ethics in Government Act more than 30 days after the later of—

(1) the date such report is required to be filed, or

(2) if a filing extension is granted to such individual, the last day of the filing extension period, is required by such Act to pay a late filing fee of \$200. The Chairman and Ranking Minority Member are authorized to approve requests that the fee be waived based on extraordinary circumstances.

(f) Any late report that is submitted without a required filing fee shall be deemed procedurally deficient and not properly filed.

(g) The Chairman and Ranking Minority Member are authorized to approve requests for waivers of the aggregation and reporting of gifts as provided by section 102(a)(2)(C) of the Ethics in Government Act. If such a request is approved, both the incoming request and the Committee response shall be forwarded to the Legislative Resource Center for placement on the public record.

(h) The Chairman and Ranking Minority Member are authorized to approve blind trusts as qualifying under section 102(f)(3) of the Ethics in Government Act. The correspondence relating to formal approval of a blind trust, the trust document, the list of assets transferred to the trust, and any other documents required by law to be made public, shall be forwarded to the Legislative Resource Center for such purpose.

(i) The Committee shall designate staff counsel who shall review Financial Disclo-

sure Statements and, based upon information contained therein, indicate in a form and manner prescribed by the Committee whether the Statement appears substantially accurate and complete and the filer appears to be in compliance with applicable laws and rules.

(j) Each Financial Disclosure Statement shall be reviewed within 60 days after the date of filing.

(k) If the reviewing counsel believes that additional information is required because (1) the Statement appears not substantially accurate or complete, or (2) the filer may not be in compliance with applicable laws or rules, then the reporting individual shall be notified in writing of the additional information believed to be required, or of the law or rule with which the reporting individual does not appear to be in compliance. Such notice shall also state the time within which a response is to be submitted. Any such notice shall remain confidential.

(l) Within the time specified, including any extension granted in accordance with clause (c), a reporting individual who concurs with the Committee's notification that the Statement is not complete, or that other action is required, shall submit the necessary information or take appropriate action. Any amendment may be in the form of a revised Financial Disclosure Statement or an explanatory letter addressed to the Clerk of the House of Representatives.

(m) Any amendment shall be placed on the public record in the same manner as other Statements. The individual designated by the Committee to review the original Statement shall review any amendment thereto.

(n) Within the time specified, including any extension granted in accordance with clause (c), a reporting individual who does not agree with the Committee that the Statement is deficient or that other action is required, shall be provided an opportunity to respond orally or in writing. If the explanation is accepted, a copy of the response, if written, or a note summarizing an oral response, shall be retained in Committee files with the original report.

(o) The Committee shall be the final arbiter of whether any Statement requires clarification or amendment.

(p) If the Committee determines, by vote of a majority of its members, that there is reason to believe that an individual has willfully failed to file a Statement or has willfully falsified or willfully failed to file information required to be reported, then the Committee shall refer the name of the individual, together with the evidence supporting its finding, to the Attorney General pursuant to section 104(b) of the Ethics in Government Act. Such referral shall not preclude the Committee from initiating such other action as may be authorized by other provisions of law or the Rules of the House of Representatives.

Rule 5. Meetings

(a) The regular meeting day of the Committee shall be the second Wednesday of each month, except when the House of Representatives is not meeting on that day. When the Committee Chairman determines that there is sufficient reason, a meeting may be called on additional days. A regularly scheduled meeting need not be held when the Chairman determines there is no business to be considered.

(b) The Chairman shall establish the agenda for meetings of the Committee and the Ranking Minority Member may place additional items on the agenda.

(c) All meetings of the Committee or any subcommittee shall occur in executive session unless the Committee or subcommittee, by an affirmative vote of a majority of its

members, opens the meeting or hearing to the public.

(d) Any hearing held by an adjudicatory subcommittee or any sanction hearing held by the Committee shall be open to the public unless the Committee or subcommittee, by an affirmative vote of a majority of its members, closes the hearing to the public.

(e) A subcommittee shall meet at the discretion of its Chairman.

(f) Insofar as practicable, notice for any Committee or subcommittee meeting shall be provided at least seven days in advance of the meeting. The Chairman of the Committee or subcommittee may waive such time period for good cause.

Rule 6. Committee Staff

(a) The staff is to be assembled and retained as a professional, nonpartisan staff.

(b) Each member of the staff shall be professional and demonstrably qualified for the position for which he is hired.

(c) The staff as a whole and each individual member of the staff shall perform all official duties in a nonpartisan manner.

(d) No member of the staff shall engage in any partisan political activity directly affecting any congressional or presidential election.

(e) No member of the staff or outside counsel may accept public speaking engagements or write for publication on any subject that is in any way related to his or her employment or duties with the Committee without specific prior approval from the Chairman and Ranking Minority Member.

(f) No member of the staff or outside counsel may make public, unless approved by an affirmative vote of a majority of the members of the Committee, any information, document, or other material that is confidential, derived from executive session, or classified and that is obtained during the course of employment with the Committee.

(g) All staff members shall be appointed by an affirmative vote of a majority of the members of the Committee. Such vote shall occur at the first meeting of the membership of the Committee during each Congress and as necessary during the Congress.

(h) Subject to the approval of the Committee on House Administration, the Committee may retain counsel not employed by the House of Representatives whenever the Committee determines, by an affirmative vote of a majority of the members of the Committee, that the retention of outside counsel is necessary and appropriate.

(i) If the Committee determines that it is necessary to retain staff members for the purpose of a particular investigation or other proceeding, then such staff shall be retained only for the duration of that particular investigation or proceeding.

(j) Outside counsel may be dismissed prior to the end of a contract between the Committee and such counsel only by a majority vote of the members of the Committee.

(k) In addition to any other staff provided for by law, rule, or other authority, with respect to the Committee, the Chairman and Ranking Minority Member each may appoint one individual as a shared staff member from his or her personal staff to perform service for the Committee. Such shared staff may assist the Chairman or Ranking Minority Member on any subcommittee on which he serves. Only paragraphs (c), (e), and (f) shall apply to shared staff.

Rule 7. Confidentiality Oaths

Before any Member or employee of the Committee may have access to information that is confidential under the rules of the Committee, the following oath (or affirmation) shall be executed in writing:

"I do solemnly swear (or affirm) that I will not disclose, to any person or entity outside

the Committee on Standards of Official Conduct, any information received in the course of my service with the Committee, except as authorized by the Committee or in accordance with its rules."

Copies of the executed oath shall be provided to the Clerk of the House as part of the records of the House. Breaches of confidentiality shall be investigated by the Committee and appropriate action shall be taken.

Rule 8. Subcommittees—General Policy and Structure

(a) Upon an affirmative vote of a majority of its members to initiate an inquiry, the Chairman and Ranking Minority Member of the Committee shall designate four members (with equal representation from the majority and minority parties) to serve as an investigative subcommittee to undertake an inquiry. At the time of appointment, the Chairman shall designate one member of the subcommittee to serve as the chairman and the Ranking Minority Member shall designate one member of the subcommittee to serve as the ranking minority member of the investigative subcommittee or adjudicatory subcommittee. The Chairman and Ranking Minority Member of the Committee may serve as members of an investigative subcommittee, but may not serve as non-voting, ex-officio members.

(b) If an investigative subcommittee, by a majority vote of its members, adopts a Statement of Alleged Violation, members who did not serve on the investigative subcommittee are eligible for appointment to the adjudicatory subcommittee to hold an Adjudicatory Hearing under Committee Rule 24 on the violations alleged in the Statement.

(c) Notwithstanding any provision of paragraphs (a) or (b) of this Rule, or any other provision of these Rules, the Chairman and Ranking Minority Member of the Committee may consult with an investigative subcommittee either on their own initiative or on the initiative of the subcommittee, shall have access to information before a subcommittee with whom they so consult, and shall not thereby be precluded from serving as full, voting members of any adjudicatory subcommittee.

(d) The Committee may establish other noninvestigative and nonadjudicatory subcommittees and may assign to them such functions as it may deem appropriate. The membership of each subcommittee shall provide equal representation for the majority and minority parties.

(e) The Chairman may refer any bill, resolution, or other matter before the Committee to an appropriate subcommittee for consideration. Any such bill, resolution, or other matter may be discharged from the subcommittee to which it was referred by a majority vote of the Committee.

(f) Any member of the Committee may sit with any noninvestigative or nonadjudicatory subcommittee, but only regular members of such subcommittee may vote on any matter before that subcommittee.

Rule 9. Quorums and Member Disqualification

(a) The quorum for an investigative subcommittee to take testimony and to receive evidence shall be two members, unless otherwise authorized by the House of Representatives.

(b) The quorum for an adjudicatory subcommittee to take testimony, receive evidence, or conduct business shall consist of a majority plus one of the members of the adjudicatory subcommittee.

(c) Except as stated in clauses (a) and (b) of this rule, a quorum for the purpose of conducting business consists of a majority of the members of the Committee or subcommittee.

(d) A member of the Committee shall be ineligible to participate in any Committee or subcommittee proceeding in which he is the respondent.

(e) A member of the Committee may disqualify himself from participating in any investigation of the conduct of a Member, officer, or employee of the House of Representatives upon the submission in writing and under oath of an affidavit of disqualification stating that the member cannot render an impartial and unbiased decision. If the Committee approves and accepts such affidavit of disqualification, or if a member is disqualified pursuant to Rule 18(g) or Rule 24(a), the Chairman shall so notify the Speaker and ask the Speaker to designate a Member of the House of Representatives from the same political party as the disqualified member of the Committee to act as a member of the Committee in any Committee proceeding relating to such investigation.

Rule 10. Vote Requirements

(a) The following actions shall be taken only upon an affirmative vote of a majority of the members of the Committee or subcommittee, as appropriate:

- (1) Issuing a subpoena.
- (2) Adopting a full Committee motion to create an investigative subcommittee.
- (3) Adoption of a Statement of Alleged Violation.
- (4) Finding that a count in a Statement of Alleged Violation has been proved by clear and convincing evidence.
- (5) Sending a letter of reproof.
- (6) Adoption of a recommendation to the House of Representatives that a sanction be imposed.
- (7) Adoption of a report relating to the conduct of a Member, officer, or employee.
- (8) Issuance of an advisory opinion of general applicability establishing new policy.

(b) Except as stated in clause (a), action may be taken by the Committee or any subcommittee thereof by a simple majority, a quorum being present.

(c) No motion made to take any of the actions enumerated in clause (a) of this Rule may be entertained by the Chair unless a quorum of the Committee is present when such motion is made.

Rule 11. Communications by Committee Members and Staff

Committee members and staff shall not disclose any evidence relating to an investigation to any person or organization outside the Committee unless authorized by the Committee. The Chairman and Ranking Minority Member shall have access to such information that they request as necessary to conduct Committee business. Evidence in the possession of an investigative subcommittee shall not be disclosed to other Committee members except by a vote of the subcommittee.

Rule 12. Committee Records

(a) The Committee may establish procedures necessary to prevent the unauthorized disclosure of any testimony or other information received by the Committee or its staff.

(b) Members and staff of the Committee shall not disclose to any person or organization outside the Committee, unless authorized by the Committee, any information regarding the Committee's or a subcommittee's investigative, adjudicatory or other proceedings, including, but not limited to: (i) the fact of or nature of any complaints; (ii) executive session proceedings; (iii) information pertaining to or copies of any Committee or subcommittee report, study, or other document which purports to express

the views, findings, conclusions, or recommendations of the Committee or subcommittee in connection with any of its activities or proceedings; or (iv) any other information or allegation respecting the conduct of a Member, officer, or employee.

(c) The Committee shall not disclose to any person or organization outside the Committee any information concerning the conduct of a respondent until it has transmitted a Statement of Alleged Violation to such respondent and the respondent has been given full opportunity to respond pursuant to Rule 23. The Statement of Alleged Violation and any written response thereto shall be made public at the first meeting or hearing on the matter that is open to the public after such opportunity has been provided. Any other materials in the possession of the Committee regarding such statement may be made public as authorized by the Committee to the extent consistent with the Rules of the House of Representatives.

(d) If no public hearing or meeting is held on the matter, the Statement of Alleged Violation and any written response thereto shall be included in the Committee's final report on the matter to the House of Representatives.

(e) All communications and all pleadings pursuant to these rules shall be filed with the Committee at the Committee's office or such other place as designated by the Committee.

(f) All records of the Committee which have been delivered to the Archivist of the United States shall be made available to the public in accordance with Rule VII of the Rules of the House of Representatives.

Rule 13. Broadcasts of Committee and Subcommittee Proceedings

(a) Television or radio coverage of a Committee or subcommittee hearing or meeting shall be without commercial sponsorship.

(b) No witness shall be required against his or her will to be photographed or otherwise to have a graphic reproduction of his or her image made at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television, is being conducted. At the request of any witness, all media microphones shall be turned off, all television and camera lenses shall be covered, and the making of a graphic reproduction at the hearing shall not be permitted. This paragraph supplements clause 2(k)(5) of Rule XI of the Rules of the House of Representatives relating to the protection of the rights of witnesses.

(c) Not more than four television cameras, operating from fixed positions, shall be permitted in a hearing or meeting room. The Committee may allocate the positions of permitted television cameras among the television media in consultation with the Executive Committee of the Radio and Television Correspondents' Galleries.

(d) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any member of the Committee, or the visibility of that witness and that member to each other.

(e) Television cameras shall not be placed in positions that unnecessarily obstruct the coverage of the hearing or meeting by the other media.

PART II—INVESTIGATIVE AUTHORITY

Rule 14. House Resolution

Whenever the House of Representatives, by resolution, authorizes or directs the Committee to undertake an inquiry or investigation, the provisions of the resolution, in conjunction with these Rules, shall govern. To the extent the provisions of the resolution differ from these Rules, the resolution shall control.

Rule 15. Committee Authority to Investigate—General Policy

(a) Pursuant to clause 3(b)(2) of Rule XI of the Rules of the House of Representatives, the Committee may exercise its investigative authority when—

(1) information offered as a complaint by a Member of the House of Representatives is transmitted directly to the Committee;

(2) information offered as a complaint by an individual not a Member of the House is transmitted to the Committee, provided that a Member of the House certifies in writing that he or she believes the information is submitted in good faith and warrants the review and consideration of the Committee;

(3) the Committee, on its own initiative, establishes an investigative subcommittee;

(4) a Member, officer, or employee is convicted in a Federal, State, or local court of a felony; or

(5) the House of Representatives, by resolution, authorizes or directs the Committee to undertake an inquiry or investigation.

(b) The Committee also has investigatory authority over certain unauthorized disclosures of intelligence-related information, pursuant to House Rule X, clauses 11(g)(4) and (g)(5).

Rule 16. Complaints

(a) A complaint submitted to the Committee shall be in writing, dated, and properly verified (a document will be considered properly verified where a notary executes it with the language, "Signed and sworn to (or affirmed) before me on (date) by (the name of the person)" setting forth in simple, concise, and direct statements—

(1) the name and legal address of the party filing the complaint (hereinafter referred to as the "complainant");

(2) the name and position or title of the respondent;

(3) the nature of the alleged violation of the Code of Official Conduct or of other law, rule, regulation, or other standard of conduct applicable to the performance of duties or discharge of responsibilities; and

(4) the facts alleged to give rise to the violation. The complaint shall not contain innuendo, speculative assertions, or conclusory statements.

(b) Any documents in the possession of the complainant that relate to the allegations may be submitted with the complaint.

(c) Information offered as a complaint by a Member of the House of Representatives may be transmitted directly to the Committee.

(d) Information offered as a complaint by an individual not a Member of the House may be transmitted to the Committee, provided that a Member of the House certifies in writing that he or she believes the information is submitted in good faith and warrants the review and consideration of the Committee.

(e) A complaint must be accompanied by a certification, which may be unsworn, that the complainant has provided an exact copy of the filed complaint and all attachments to the respondent.

(f) The Committee may defer action on a complaint against a Member, officer, or employee of the House of Representatives when the complaint alleges conduct that the Committee has reason to believe is being reviewed by appropriate law enforcement or regulatory authorities, or when the Committee determines that it is appropriate for the conduct alleged in the complaint to be reviewed initially by law enforcement or regulatory authorities.

(g) A complaint may not be amended without leave of the Committee. Otherwise, any new allegations of improper conduct must be submitted in a new complaint that independently meets the procedural requirements of

the Rules of the House of Representatives and the Committee's Rules.

(h) The Committee shall not accept, and shall return to the complainant, any complaint submitted within the 60 days prior to an election in which the subject of the complaint is a candidate.

(i) The Committee shall not consider a complaint, nor shall any investigation be undertaken by the Committee, of any alleged violation which occurred before the third previous Congress unless the Committee determines that the alleged violation is directly related to an alleged violation which occurred in a more recent Congress.

Rule 17. Duties of Committee Chairman and Ranking Minority Member

(a) Unless otherwise determined by a vote of the Committee, only the Chairman or Ranking Minority Member, after consultation with each other, may make public statements regarding matters before the Committee or any subcommittee.

(b) Whenever information offered as a complaint is submitted to the Committee, the Chairman and Ranking Minority Member shall have 14 calendar days or 5 legislative days, whichever occurs first, to determine whether the information meets the requirements of the Committee's rules for what constitutes a complaint.

(c) Whenever the Chairman and Ranking Minority Member jointly determine that information submitted to the Committee meets the requirements of the Committee's rules for what constitutes a complaint, they shall have 45 calendar days or 5 legislative days, whichever is later, after the date that the Chairman and Ranking Minority Member determine that information filed meets the requirements of the Committee's rules for what constitutes a complaint, unless the Committee by an affirmative vote of a majority of its members votes otherwise, to—

(1) recommend to the Committee that it dispose of the complaint, or any portion thereof, in any manner that does not require action by the House, which may include dismissal of the complaint or resolution of the complaint by a letter to the Member, officer, or employee of the House against whom the complaint is made;

(2) establish an investigative subcommittee; or

(3) request that the Committee extend the applicable 45-calendar day period when they determine more time is necessary in order to make a recommendation under paragraph (1).

(d) The Chairman and Ranking Minority Member may jointly gather additional information concerning alleged conduct which is the basis of a complaint or of information offered as a complaint until they have established an investigative subcommittee or the Chairman or Ranking Minority Member has placed on the agenda the issue of whether to establish an investigative subcommittee.

(e) If the Chairman and Ranking Minority Member jointly determine that information submitted to the Committee meets the requirements of the Committee rules for what constitutes a complaint, and the complaint is not disposed of within 45 calendar days or 5 legislative days, whichever is later, and no additional 45-day extension is made, then they shall establish an investigative subcommittee and forward the complaint, or any portion thereof, to that subcommittee for its consideration. If at any time during the time period either the Chairman or Ranking Minority Member places on the agenda the issue of whether to establish an investigative subcommittee, then an investigative subcommittee may be established only by an affirmative vote of a majority of the members of the Committee.

(f) Whenever the Chairman and Ranking Minority Member jointly determine that information submitted to the Committee does not meet the requirements for what constitutes a complaint set forth in the Committee rules, they may (1) return the information to the complainant with a statement that it fails to meet the requirements for what constitutes a complaint set forth in the Committee's rules; or (2) recommend to the Committee that it authorize the establishment of an investigative subcommittee.

Rule 18. Processing of Complaints

(a) If a complaint is in compliance with House and Committee Rules, a copy of the complaint and the Committee Rules shall be forwarded to the respondent within five days with notice that the complaint conforms to the applicable rules and will be placed on the Committee's agenda.

(b) The respondent may, within 30 days of the Committee's notification, provide to the Committee any information relevant to a complaint filed with the Committee. The respondent may submit a written statement in response to the complaint. Such a statement shall be signed by the respondent. If the statement is prepared by counsel for the respondent, the respondent shall sign a representation that he/she has reviewed the response and agrees with the factual assertions contained therein.

(c) The Committee staff may request information from the respondent or obtain additional information pertinent to the case from other sources prior to the establishment of an investigative subcommittee only when so directed by the Chairman and Ranking Minority Member.

(d) At the first meeting of the Committee following the procedures or actions specified in clauses (a) and (b), the Committee shall consider the complaint.

(e) The Committee, by a majority vote of its members, may create an investigative subcommittee. If an investigative subcommittee is established, the Chairman and Ranking Minority Member shall designate four members to serve as an investigative subcommittee in accordance with Rule 20.

(f) The respondent shall be notified in writing regarding the Committee's decision either to dismiss the complaint or to create an investigative subcommittee.

(g) The respondent shall be notified of the membership of the investigative subcommittee and shall have ten days after such notice is transmitted to object to the participation of any subcommittee member. Such objection shall be in writing and shall be on the grounds that the subcommittee member cannot render an impartial and unbiased decision. The subcommittee member against whom the objection is made shall be the sole judge of his or her disqualification.

Rule 19. Committee-Initiated Inquiry

(a) Notwithstanding the absence of a filed complaint, the Committee may consider any information in its possession indicating that a Member, officer, or employee may have committed a violation of the Code of Official Conduct or any law, rule, regulation, or other standard of conduct applicable to the conduct of such Member, officer, or employee in the performance of his or her duties or the discharge of his or her responsibilities. The Chairman and Ranking Minority Member may jointly gather additional information concerning such an alleged violation by a Member, officer, or employee unless and until an investigative subcommittee has been established.

(b) If the Committee votes to establish an investigative subcommittee, the Committee shall proceed in accordance with Rule 20.

(c) Any written request by a Member, officer, or employee of the House of Representa-

tives that the Committee conduct an inquiry into such person's own conduct shall be processed in accordance with subsection (a) of this Rule.

(d) An inquiry shall not be undertaken regarding any alleged violation that occurred before the third previous Congress unless a majority of the Committee determines that the alleged violation is directly related to an alleged violation that occurred in a more recent Congress.

(e) An inquiry shall be undertaken by an investigative subcommittee with regard to any felony conviction of a Member, officer, or employee of the House of Representatives in a Federal, state, or local court. Notwithstanding this provision, an inquiry may be initiated at any time prior to sentencing.

Rule 20. Investigative Subcommittee

(a) In an inquiry undertaken by an investigative subcommittee—

(1) All proceedings, including the taking of testimony, shall be conducted in executive session and all testimony taken by deposition or things produced pursuant to subpoena or otherwise shall be deemed to have been taken or produced in executive session.

(2) The Chairman of the investigative subcommittee shall ask the respondent and all witnesses whether they intend to be represented by counsel. If so, the respondent or witnesses or their legal representatives shall provide written designation of counsel. A respondent or witness who is represented by counsel shall not be questioned in the absence of counsel unless an explicit waiver is obtained.

(3) The subcommittee shall provide the respondent an opportunity to present, orally or in writing, a statement, which must be under oath or affirmation, regarding the allegations and any other relevant questions arising out of the inquiry.

(4) The staff may interview witnesses, examine documents and other evidence, and request that submitted statements be under oath or affirmation and that documents be certified as to their authenticity and accuracy.

(5) The subcommittee, by a majority vote of its members, may require, by subpoena or otherwise, the attendance and testimony of witnesses and the production of such books, records, correspondence, memoranda, papers, documents, and other items as it deems necessary to the conduct of the inquiry. Unless the Committee otherwise provides, the subpoena power shall rest in the Chairman and Ranking Minority Member of the Committee and a subpoena shall be issued upon the request of the investigative subcommittee.

(6) The subcommittee shall require that testimony be given under oath or affirmation. The form of the oath or affirmation shall be: "Do you solemnly swear (or affirm) that the testimony you will give before this subcommittee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth (so help you God)?" The oath or affirmation shall be administered by the Chairman or subcommittee member designated by the Chairman to administer oaths.

(b) During the inquiry, the procedure respecting the admissibility of evidence and rulings shall be as follows:

(1) Any relevant evidence shall be admissible unless the evidence is privileged under the precedents of the House of Representatives.

(2) The Chairman of the subcommittee or other presiding member at any investigative subcommittee proceeding shall rule upon any question of admissibility or pertinency of evidence, motion, procedure or any other matter, and may direct any witness to answer any question under penalty of con-

tempt. A witness, witness' counsel, or a member of the subcommittee may appeal any evidentiary rulings to the members present at that proceeding. The majority vote of the members present at such proceeding on such appeal shall govern the question of admissibility, and no appeal shall lie to the Committee.

(3) Whenever a person is determined by a majority vote to be in contempt of the subcommittee, the matter may be referred to the Committee to determine whether to refer the matter to the House of Representatives for consideration.

(4) Committee counsel may, subject to subcommittee approval, enter into stipulations with the respondent and/or the respondent's counsel as to facts that are not in dispute.

(c) Upon an affirmative vote of a majority of the subcommittee members, and an affirmative vote of a majority of the full Committee, an investigative subcommittee may expand the scope of its investigation.

(d) Upon completion of the investigation, the staff shall draft for the investigative subcommittee a report that shall contain a comprehensive summary of the information received regarding the alleged violations.

(e) Upon completion of the inquiry, an investigative subcommittee, by a majority vote of its members, may adopt a Statement of Alleged Violation if it determines that there is substantial reason to believe that a violation of the Code of Official Conduct, or of a law, rule, regulation, or other standard of conduct applicable to the performance of official duties or the discharge of official responsibilities by a Member, officer, or employee of the House of Representatives has occurred. If more than one violation is alleged, such Statement shall be divided into separate counts. Each count shall relate to a separate violation, shall contain a plain and concise statement of the alleged facts of such violation, and shall include a reference to the provision of the Code of Official Conduct or law, rule, regulation or other applicable standard of conduct governing the performance of duties or discharge of responsibilities alleged to have been violated. A copy of such Statement shall be transmitted to the respondent and the respondent's counsel.

(f) If the investigative subcommittee does not adopt a Statement of Alleged Violation, it shall transmit to the Committee a report containing a summary of the information received in the inquiry, its conclusions and reasons therefore, and any appropriate recommendation.

Rule 21. Amendments of Statements of Alleged Violation

(a) An investigative subcommittee may, upon an affirmative vote of a majority of its members, amend its Statement of Alleged Violation anytime before the Statement of Alleged Violation is transmitted to the Committee; and

(b) If an investigative subcommittee amends its Statement of Alleged Violation, the respondent shall be notified in writing and shall have 30 calendar days from the date of that notification to file an answer to the amended Statement of Alleged Violation.

Rule 22. Committee Reporting Requirements

(a) Whenever an investigative subcommittee does not adopt a Statement of Alleged Violation and transmits a report to that effect to the Committee, the Committee may by an affirmative vote of a majority of its members transmit such report to the House of Representatives;

(b) Whenever an investigative subcommittee adopts a Statement of Alleged Violation but recommends that no further action be taken, it shall transmit a report to

the Committee regarding the Statement of Alleged Violation; and

(c) Whenever an investigative subcommittee adopts a Statement of Alleged Violation, the respondent admits to the violations set forth in such Statement, the respondent waives his or her right to an adjudicatory hearing, and the respondent's waiver is approved by the Committee—

(1) the subcommittee shall prepare a report for transmittal to the Committee, a final draft of which shall be provided to the respondent not less than 15 calendar days before the subcommittee votes on whether to adopt the report;

(2) the respondent may submit views in writing regarding the final draft to the subcommittee within 7 calendar days of receipt of that draft;

(3) the subcommittee shall transmit a report to the Committee regarding the Statement of Alleged Violation together with any views submitted by the respondent pursuant to subparagraph (2), and the Committee shall make the report, together with the respondent's views, available to the public before the commencement of any sanction hearing; and

(4) the Committee shall by an affirmative vote of a majority of its members issue a report and transmit such report to the House of Representatives, together with the respondent's views previously submitted pursuant to subparagraph (2) and any additional views respondent may submit for attachment to the final report; and

(d) Members of the Committee shall have not less than 72 hours to review any report transmitted to the Committee by an investigative subcommittee before both the commencement of a sanction hearing and the Committee vote on whether to adopt the report.

Rule 23. Respondent's Answer

(a)(1) Within 30 days from the date of transmittal of a Statement of Alleged Violation, the respondent shall file with the investigative subcommittee an answer, in writing and under oath, signed by respondent and respondent's counsel. Failure to file an answer within the time prescribed shall be considered by the Committee as a denial of each count.

(2) The answer shall contain an admission to or denial of each count set forth in the Statement of Alleged Violation and may include negative, affirmative, or alternative defenses and any supporting evidence or other relevant information.

(b) The respondent may file a Motion for a Bill of Particulars within 10 days of the date of transmittal of the Statement of Alleged Violation. If a Motion for a Bill of Particulars is filed, the respondent shall not be required to file an answer until 20 days after the subcommittee has replied to such motion.

(c)(1) The respondent may file a Motion to Dismiss within 10 days of the date of transmittal of the Statement of Alleged Violation or, if a Motion for a Bill of Particulars has been filed, within 10 days of the date of the subcommittee's reply to the Motion for a Bill of Particulars. If a Motion to Dismiss is filed, the respondent shall not be required to file an answer until 20 days after the subcommittee has replied to the Motion to Dismiss, unless the respondent previously filed a Motion for a Bill of Particulars, in which case the respondent shall not be required to file an answer until 10 days after the subcommittee has replied to the Motion to Dismiss. The investigative subcommittee shall rule upon any motion to dismiss filed during the period between the establishment of the subcommittee and the subcommittee's transmittal of a report to the Committee pursu-

ant to Rule 20 or Rule 22, and no appeal of the subcommittee's ruling shall lie to the Committee.

(2) A Motion to Dismiss may be made on the grounds that the Statement of Alleged Violation fails to state facts that constitute a violation of the Code of Official Conduct or other applicable law, rule, regulation, or standard of conduct, or on the grounds that the Committee lacks jurisdiction to consider the allegations contained in the Statement.

(d) Any motion filed with the subcommittee pursuant to this rule shall be accompanied by a Memorandum of Points and Authorities.

(e)(1) The Chairman of the investigative subcommittee, for good cause shown, may permit the respondent to file an answer or motion after the day prescribed above.

(2) If the ability of the respondent to present an adequate defense is not adversely affected and special circumstances so require, the Chairman of the investigative subcommittee may direct the respondent to file an answer or motion prior to the day prescribed above.

(f) If the day on which any answer, motion, reply, or other pleading must be filed falls on a Saturday, Sunday, or holiday, such filing shall be made on the first business day thereafter.

(g) As soon as practicable after an answer has been filed or the time for such filing has expired, the Statement of Alleged Violation and any answer, motion, reply, or other pleading connected therewith shall be transmitted by the Chairman of the investigative subcommittee to the Chairman and Ranking Minority Member of the Committee.

Rule 24. Adjudicatory Hearings

(a) If a Statement of Alleged Violation is transmitted to the Chairman and Ranking Minority Member pursuant to Rule 23, and no waiver pursuant to Rule 27(b) has occurred, the Chairman shall designate the members of the Committee who did not serve on the investigative subcommittee to serve on an adjudicatory subcommittee. The Chairman and Ranking Minority Member of the Committee shall be the Chairman and Ranking Minority Member of the adjudicatory subcommittee unless they served on the investigative subcommittee. The respondent shall be notified of the designation of the adjudicatory subcommittee and shall have ten days after such notice is transmitted to object to the participation of any subcommittee member. Such objection shall be in writing and shall be on the grounds that the member cannot render an impartial and unbiased decision. The member against whom the objection is made shall be the sole judge of his or her disqualification.

(b) A majority of the adjudicatory subcommittee membership plus one must be present at all times for the conduct of any business pursuant to this rule.

(c) The adjudicatory subcommittee shall hold a hearing to determine whether any counts in the Statement of Alleged Violation have been proved by clear and convincing evidence and shall make findings of fact, except where such violations have been admitted by respondent.

(d) At an adjudicatory hearing, the subcommittee may require, by subpoena or otherwise, the attendance and testimony of such witnesses and production of such books, records, correspondence, memoranda, papers, documents, and other items as it deems necessary. Depositions, interrogatories, and sworn statements taken under any investigative subcommittee direction may be accepted into the hearing record.

(e) The procedures set forth in clause 2 (g) and (k) of Rule XI of the Rules of the House of Representatives shall apply to adjudica-

tory hearings. All such hearings shall be open to the public unless the adjudicatory subcommittee, pursuant to such clause, determines that the hearings or any part thereof should be closed.

(f)(1) The adjudicatory subcommittee shall, in writing, notify the respondent that the respondent and his or her counsel have the right to inspect, review, copy, or photograph books, papers, documents, photographs, or other tangible objects that the adjudicatory subcommittee counsel intends to use as evidence against the respondent in an adjudicatory hearing. The respondent shall be given access to such evidence, and shall be provided the names of witnesses the subcommittee counsel intends to call, and a summary of their expected testimony, no less than 15 calendar days prior to any such hearing. Except in extraordinary circumstances, no evidence may be introduced or witness called in an adjudicatory hearing unless the respondent has been afforded a prior opportunity to review such evidence or has been provided the name of the witness.

(2) After a witness has testified on direct examination at an adjudicatory hearing, the Committee, at the request of the respondent, shall make available to the respondent any statement of the witness in the possession of the Committee which relates to the subject matter as to which the witness has testified.

(3) Any other testimony, statement, or documentary evidence in the possession of the Committee which is material to the respondent's defense shall, upon request, be made available to the respondent.

(g) No less than five days prior to the hearing, the respondent or counsel shall provide the adjudicatory subcommittee with the names of witnesses expected to be called, summaries of their expected testimony, and copies of any documents or other evidence proposed to be introduced.

(h) The respondent or counsel may apply to the subcommittee for the issuance of subpoenas for the appearance of witnesses or the production of evidence. The application shall be granted upon a showing by the respondent that the proposed testimony or evidence is relevant and not otherwise available to respondent. The application may be denied if not made at a reasonable time or if the testimony or evidence would be merely cumulative.

(i) During the hearing, the procedures regarding the admissibility of evidence and rulings shall be as follows:

(1) Any relevant evidence shall be admissible unless the evidence is privileged under the precedents of the House of Representatives.

(2) The Chairman of the subcommittee or other presiding member at an adjudicatory subcommittee hearing shall rule upon any question of admissibility or pertinency of evidence, motion, procedure, or any other matter, and may direct any witness to answer any question under penalty of contempt. A witness, witness's counsel, or a member of the subcommittee may appeal any evidentiary ruling to the members present at that proceeding. The majority vote of the members present at such proceeding on such an appeal shall govern the question of admissibility and no appeal shall lie to the Committee.

(3) Whenever a witness is deemed by a Chairman or other presiding member to be in contempt of the subcommittee, the matter may be referred to the Committee to determine whether to refer the matter to the House of Representatives for consideration.

(4) Committee counsel may, subject to subcommittee approval, enter into stipulations with the respondent and/or the respondent's counsel as to facts that are not in dispute.

(j) Unless otherwise provided, the order of an adjudicatory hearing shall be as follows:

(1) The Chairman of the subcommittee shall open the hearing by stating the adjudicatory subcommittee's authority to conduct the hearing and the purpose of the hearing.

(2) The Chairman shall then recognize Committee counsel and the respondent's counsel, in turn, for the purpose of giving opening statements.

(3) Testimony from witnesses and other pertinent evidence shall be received in the following order whenever possible:

(i) witnesses (deposition transcripts and affidavits obtained during the inquiry may be used in lieu of live witnesses if the witness is unavailable) and other evidence offered by the Committee counsel,

(ii) witnesses and other evidence offered by the respondent,

(iii) rebuttal witnesses, as permitted by the Chairman.

(4) Witnesses at a hearing shall be examined first by counsel calling such witness. The opposing counsel may then cross-examine the witness. Redirect examination and recross examination may be permitted at the Chairman's discretion. Subcommittee members may then question witnesses. Unless otherwise directed by the Chairman, such questions shall be conducted under the five-minute rule.

(k) A subpoena to a witness to appear at a hearing shall be served sufficiently in advance of that witness' scheduled appearance to allow the witness a reasonable period of time, as determined by the Chairman of the adjudicatory subcommittee, to prepare for the hearing and to employ counsel.

(l) Each witness appearing before the subcommittee shall be furnished a printed copy of the Committee rules, the pertinent provisions of the Rules of the House of Representatives applicable to the rights of witnesses, and a copy of the Statement of Alleged Violation.

(m) Testimony of all witnesses shall be taken under oath or affirmation. The form of the oath or affirmation shall be: "Do you solemnly swear (or affirm) that the testimony you will give before this subcommittee in the matter now under consideration will be the truth, the whole truth, and nothing but the truth (so help you God)?" The oath or affirmation shall be administered by the Chairman or Committee member designated by the Chairman to administer oaths.

(n) At an adjudicatory hearing, the burden of proof rests on Committee counsel to establish the facts alleged in the Statement of Alleged Violation by clear and convincing evidence. However, Committee counsel need not present any evidence regarding any count that is admitted by the respondent or any fact stipulated.

(o) As soon as practicable after all testimony and evidence have been presented, the subcommittee shall consider each count contained in the Statement of Alleged Violation and shall determine by a majority vote of its members whether each count has been proved. If a majority of the subcommittee does not vote that a count has been proved, a motion to reconsider that vote may be made only by a member who voted that the count was not proved. A count that is not proved shall be considered as dismissed by the subcommittee.

(p) The findings of the adjudicatory subcommittee shall be reported to the Committee.

Rule 25. Sanction Hearing and Consideration of Sanctions or Other Recommendations

(a) If no count in a Statement of Alleged Violation is proved, the Committee shall prepare a report to the House of Representatives, based upon the report of the adjudicatory subcommittee.

(b) If an adjudicatory subcommittee completes an adjudicatory hearing pursuant to Rule 24 and reports that any count of the Statement of Alleged Violation has been proved, a hearing before the Committee shall be held to receive oral and/or written submissions by counsel for the Committee and counsel for the respondent as to the sanction the Committee should recommend to the House of Representatives with respect to such violations. Testimony by witnesses shall not be heard except by written request and vote of a majority of the Committee.

(c) Upon completion of any proceeding held pursuant to clause (b), the Committee shall consider and vote on a motion to recommend to the House of Representatives that the House take disciplinary action. If a majority of the Committee does not vote in favor of the recommendation that the House of Representatives take action, a motion to reconsider that vote may be made only by a member who voted against the recommendation. The Committee may also, by majority vote, adopt a motion to issue a Letter of Reprimand or take other appropriate Committee action.

(d) If the Committee determines a Letter of Reprimand constitutes sufficient action, the Committee shall include any such letter as a part of its report to the House of Representatives.

(e) With respect to any proved counts against a Member of the House of Representatives, the Committee may recommend to the House one or more of the following sanctions:

(1) Expulsion from the House of Representatives.

(2) Censure.

(3) Reprimand.

(4) Fine.

(5) Denial or limitation of any right, power, privilege, or immunity of the Member if under the Constitution the House of Representatives may impose such denial or limitation.

(6) Any other sanction determined by the Committee to be appropriate.

(f) With respect to any proved counts against an officer or employee of the House of Representatives, the Committee may recommend to the House one or more of the following sanctions:

(1) Dismissal from employment.

(2) Reprimand.

(3) Fine.

(4) Any other sanction determined by the Committee to be appropriate.

(g) With respect to the sanctions that the Committee may recommend, reprimand is appropriate for serious violations, censure is appropriate for more serious violations, and expulsion of a Member or dismissal of an officer or employee is appropriate for the most serious violations. A recommendation of a fine is appropriate in a case in which it is likely that the violation was committed to secure a personal financial benefit; and a recommendation of a denial or limitation of a right, power, privilege, or immunity of a Member is appropriate when the violation bears upon the exercise or holding of such right, power, privilege, or immunity. This clause sets forth general guidelines and does not limit the authority of the Committee to recommend other sanctions.

(h) The Committee report shall contain an appropriate statement of the evidence supporting the Committee's findings and a statement of the Committee's reasons for the recommended sanction.

Rule 26. Disclosure of Exculpatory Information to Respondent

If the Committee, or any investigative or adjudicatory subcommittee at any time receives any exculpatory information respecting a Complaint or Statement of Alleged

Violation concerning a Member, officer, or employee of the House of Representatives, it shall make such information known and available to the Member, officer, or employee as soon as practicable, but in no event later than the transmittal of evidence supporting a proposed Statement of Alleged Violation pursuant to Rule 27(c). If an investigative subcommittee does not adopt a Statement of Alleged Violation, it shall identify any exculpatory information in its possession at the conclusion of its inquiry and shall include such information, if any, in the subcommittee's final report to the Committee regarding its inquiry. For purposes of this rule, exculpatory evidence shall be any evidence or information that is substantially favorable to the respondent with respect to the allegations or charges before an investigative or adjudicatory subcommittee.

Rule 27. Rights of Respondents and Witnesses

(a) A respondent shall be informed of the right to be represented by counsel, to be provided at his or her own expense.

(b) A respondent may seek to waive any procedural rights or steps in the disciplinary process. A request for waiver must be in writing, signed by the respondent, and must detail what procedural steps the respondent seeks to waive. Any such request shall be subject to the acceptance of the Committee or subcommittee, as appropriate.

(c) Not less than 10 calendar days before a scheduled vote by an investigative subcommittee on a Statement of Alleged Violation, the subcommittee shall provide the respondent with a copy of the Statement of Alleged Violation it intends to adopt together with all evidence it intends to use to prove those charges which it intends to adopt, including documentary evidence, witness testimony, memoranda of witness interviews, and physical evidence, unless the subcommittee by an affirmative vote of a majority of its members decides to withhold certain evidence in order to protect a witness, but if such evidence is withheld, the subcommittee shall inform the respondent that evidence is being withheld and of the count to which such evidence relates.

(d) Neither the respondent nor his counsel shall, directly or indirectly, contact the subcommittee or any member thereof during the period of time set forth in paragraph (c) except for the sole purpose of settlement discussions where counsels for the respondent and the subcommittee are present.

(e) If, at any time after the issuance of a Statement of Alleged Violation, the Committee or any subcommittee thereof determines that it intends to use evidence not provided to a respondent under paragraph (c) to prove the charges contained in the Statement of Alleged Violation (or any amendment thereof), such evidence shall be made immediately available to the respondent, and it may be used in any further proceeding under the Committee's rules.

(f) Evidence provided pursuant to paragraph (c) or (e) shall be made available to the respondent and his or her counsel only after each agrees, in writing, that no document, information, or other materials obtained pursuant to that paragraph shall be made public until—

(1) such time as a Statement of Alleged Violation is made public by the Committee if the respondent has waived the adjudicatory hearing; or

(2) the commencement of an adjudicatory hearing if the respondent has not waived an adjudicatory hearing; but the failure of respondent and his counsel to so agree in writing, and therefore not receive the evidence, shall not preclude the issuance of a Statement of Alleged Violation at the end of the period referenced to in (c).

(g) A respondent shall receive written notice whenever—

(1) the Chairman and Ranking Minority Member determine that information the Committee has received constitutes a complaint;

(2) a complaint or allegation is transmitted to an investigative subcommittee;

(3) that subcommittee votes to authorize its first subpoena or to take testimony under oath, whichever occurs first; and

(4) the Committee votes to expand the scope of the inquiry of an investigative subcommittee.

(h) Whenever an investigative subcommittee adopts a Statement of Alleged Violation and a respondent enters into an agreement with that subcommittee to settle a complaint on which the Statement is based, that agreement, unless the respondent requests otherwise, shall be in writing and signed by the respondent and the respondent's counsel, the Chairman and Ranking Minority Member of the subcommittee, and the outside counsel, if any.

(i) Statements or information derived solely from a respondent or his counsel during any settlement discussions between the Committee or a subcommittee thereof and the respondent shall not be included in any report of the subcommittee or the Committee or otherwise publicly disclosed without the consent of the respondent;

(j) Whenever a motion to establish an investigative subcommittee does not prevail, the Committee shall promptly send a letter to the respondent informing him of such vote.

(k) Witnesses shall be afforded a reasonable period of time, as determined by the Committee or subcommittee, to prepare for an appearance before an investigative subcommittee or for an adjudicatory hearing and to obtain counsel.

(l) Except as otherwise specifically authorized by the Committee, no Committee member or staff member shall disclose to any person outside the Committee the name of any witness subpoenaed to testify or to produce evidence.

(m) Prior to their testimony, witnesses shall be furnished a printed copy of the Committee's Rules of Procedure and the provisions of the Rules of the House of Representatives applicable to the rights of witnesses.

(n) Witnesses may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights. The Chairman may punish breaches of order and decorum, and of professional responsibility on the part of counsel, by censure and exclusion from the hearings; and the Committee may cite the offender to the House of Representatives for contempt.

(o) Each witness subpoenaed to provide testimony or other evidence shall be provided such travel expenses as the Chairman considers appropriate. No compensation shall be authorized for attorney's fees or for a witness' lost earnings.

(p) With the approval of the Committee, a witness, upon request, may be provided with a transcript of his or her deposition or other testimony taken in executive session, or, with the approval of the Chairman and Ranking Minority Member, may be permitted to examine such transcript in the office of the Committee. Any such request shall be in writing and shall include a statement that the witness, and counsel, agree to maintain the confidentiality of all executive session proceedings covered by such transcript.

Rule 28. Frivolous Filings

If a complaint or information offered as a complaint is deemed frivolous by an affirmative vote of a majority of the members of the

Committee, the Committee may take such action as it, by an affirmative vote of its members, deems appropriate in the circumstances.

Rule 29. Referrals to Federal or State Authorities

Referrals made under clause 3(a)(3) of Rule XI of the Rules of the House of Representatives may be made by an affirmative vote of two-thirds of the members of the Committee.

PROVIDING UNIVERSAL QUALITY EARLY CHILDHOOD EDUCATION

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Hawaii (Mrs. MINK) is recognized for 5 minutes.

Mrs. MINK of Hawaii. Mr. Speaker, I recently introduced H.R. 1118, a bill that establishes comprehensive early childhood education programs, early childhood education staff development programs, and model federal government early childhood education programs.

Today, more than 13 million children under the age of 6 are enrolled in some form of child care. Some children are placed in high quality programs. But all too often, parents have no alternative but to place their children in programs that function as nothing more than child storage.

Quality early childhood education matters. Study upon study prove that the quality of child care has a long-term effect on later scholastic achievement. For example, the National Research Council and the National Center for Early Development and Learning found that quality early childhood education helped children develop better language and literacy skills; and the RAND Corporation found that high quality programs have lasting benefits on school performance.

Besides preparing a child to do well in school, quality child care teaches children to get along with others, care about others, and become contributing members of society. Additional studies have shown that quality educational child care can greatly reduce the chance that children grow up to be violent.

Quality programs include a well-trained staff and a small staff-to-child ratio. The University of North Carolina conducted a Cost, Quality and Child Outcomes Study of various child care programs. Only 14 percent of all programs studied were of adequate quality.

For child care to have a lasting effect, children must be enrolled in high quality educational programs. H.R. 1118 ensures that funds will only go to programs that establish Early Childhood Education Councils that develop and prepare quality early childhood education plans each year. In addition, funds will be provided to train individuals employed in quality programs.

Child care costs are exorbitant. According to a 1998 report by the Children's Defense Fund, many parents spend more on yearly quality child care tuition than on public college tuition. In Honolulu, the average child care tuition is over \$6,000 a year.

My bill provides financial assistance to public and private programs who prove they will provide quality early childhood education. A quarter of the funding is earmarked to those programs who serve young children from low-income families.

Children are guaranteed access to a publicly-funded education when they reach kinder-

garten-age. We should also guarantee access to quality early childhood education. The first few years of a child's life can shape the rest of their life. No parent should be forced to leave their child in a substandard program, where they are not being prepared for future achievement.

I urge all members to cosponsor this legislation.

THE 49TH ANNUAL NATIONAL PRAYER BREAKFAST

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Tennessee (Mr. WAMP) is recognized for 5 minutes.

Mr. WAMP. Mr. Speaker, on behalf of the House and Senate Prayer Groups, it was an honor to chair the 49th Annual National Prayer Breakfast held on February 1, 2001.

This annual breakfast is a time when leaders and guests from around the world gather in respect and civility to celebrate our common denominator as children of God and to pray for unity, peace, and direction as we put our differences aside and come together as people. This is a special and unique opportunity for fellowship across ideological, ethnic, political, and religious divides.

Chairing the National Prayer Breakfast was one of the greatest privileges of my life. The thoughts and prayers shared at this year's breakfast were a blessing to those who heard them, and I believe they will be so many more in the future. I am therefore including the program and transcript to be printed in the RECORD. The program and transcript follow:

NATIONAL PRAYER BREAKFAST, THURSDAY,
FEBRUARY 1, 2001

(Chairman: Representative Zach Wamp)

Representative ZACH WAMP (R-TN). Good morning. You may be seated. You can see why I am so proud of the Chattanooga Singers, from my hometown, this morning. (Applause.)

I would like to call on Admiral Vernon Clark, the chief of staff of the United States Navy, for our opening prayer. Admiral.

Admiral VERNON CLARK (Navy Chief of Staff). Let us bow our heads in prayer.

Eternal Father, we come to You today with thanksgiving for Your creation, this land we love, the seas that we sail. And we thank You, Lord, for the abundance which blesses our nation, this land of prosperity and freedom. On this day, we are grateful for the strength that we have as one people from many faiths, many backgrounds, even many cultures, but still one nation, under God. We also thank You for the fellowship of those from beyond our shores who are gathered here with us today from other nations, with diverse faiths and backgrounds and cultures. We pray that this moment of sharing will strength all of us together in the cause of peace and justice.

We know that You are the bedrock of all that is good and lasting. And so, for all our many gifts and blessings, we praise You and we thank You. Almighty God, look upon us with favor as we gather together in prayer, as we bow our heads and raise our hearts to Thee.

We approach You, Lord, with humility and confidence, as You have taught us to do. But we are also mindful of Your Scripture which teaches us: We have not because we ask not. And so, we ask You, for all of our leaders, for guidance, guidance for all of us as we seek to serve. And we ask You for wisdom and we ask You for courage, the courage to preserve
