Let the light of Your divine wisdom direct the deliberations of Congress and shine forth in all these proceedings and laws framed for our government. May those who serve in this body be enabled by Your powerful protection to discharge their duties with honesty and integrity. May they seek to preserve peace, promote national happiness, and continue to bring us the blessings of liberty and equality. MILLIONAIRE'S TRIP TO SPACE  
STATION IS LATEST EXAMPLE  
OF RUSSIANS TAKING NASA'S  
MANAGEMENT TO CLEANERS

(Mr. SENSENBRENNER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SENSENBRENNER. Mr. Speaker, I rise today disappointed by the news that NASA has again acquiesced to inappropriate Russian demands to the Space Station program. Russia will be sending Dennis Tito, a 60-year-old American millionaire, as one of its contributions to this week's mission to the Space Station.

What unique characteristics does Mr. Tito possess that earned his place on this mission? Cold hard cash. \$20 million of it from Mr. Tito to the Russians is all it took for a rocket-powered trip to the Space Station. Unfortunately, this partnership based on a core scientific mission apparently is now the

next Club Med for those able to pony up millions of dollars to the Russian Government.

So how is it that the Russians, whose Station nonperformance cost the U.S. taxpayers at least 2 years' delay and over \$5 billion in cost overruns, can brazenly increase the safety risk of the entire mission? They can because NASA's management did not provide the necessary safeguards earlier in this so-called partnership. NASA's forced acquiescence to Russia regarding Mr. Tito is just the latest example of the Russians taking NASA's management to the cleaners.

AMERICA HAS BEEN BETRAYED  
BY JANET RENO AND FATCATS  
AT TOP, AND THERE HAS NOT  
EVEN BEEN AN INVESTIGATION

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, why does China really need our spy plane? Think about it. John Huang and James Riady and the Lippo Group, they already bought and sold all the secrets. What they did not buy and spy, the former administration gave it to them outright.

That is right. Let us tell it like it is. I believe America has been betrayed by Janet Reno and fatcats at the top, and there has not even been an investigation. Beam me up. If there is one good thing about all this, China is not going to learn anything because most of the equipment probably in that spy plane was made in China like everything else.

I yield back the fact that Congress should rescind and cancel permanent trade relations with China until China looks Uncle Sam in the eye and starts to get truthful.

FURNITURE MARKET FACTS

(Mr. COBLE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COBLE. Mr. Speaker, High Point, North Carolina, is known far and wide as the furniture capital of the world. High Point is hosting this week the largest wholesale home furnishing show in the world, where approximately 80,000 industry professionals have come from 50 States and 110 countries to buy, sell, and discuss furniture.

The market was established in 1921 when 149 American companies organized their own show at a location central to the country's leading furniture manufacturers, and that is High Point, North Carolina.

We extend best wishes to those at High Point this week for a successful market and extend furthermore a cordial welcome for all to return to High Point in the fall, in October specifically, for the fall market.
