

and East Asia and the Pacific for crafting and bringing this resolution expeditiously to the floor.

Secretary Powell noted before our committee that there should be ways for Taiwan to enjoy full benefits of participation in international organizations without being a member. H.R. 428 only calls for the Secretary of State to initiate a United States plan to endorse and obtain observer status at the WHO for Taiwan.

In recent years Taiwan has expressed a willingness to assist financially and technically in international aid and health activities supported by the WHO, but has been unable to render such assistance because Taiwan is not a member of the WHO.

The WHO has allowed observers to participate in the activities of the organizations, including the Palestinian Liberation Organization, the Knights of Malta, and the Vatican.

Along with many of my colleagues, we are very disappointed that Taiwan is not a full member of the U.N. and all international organizations that its democratically led government wishes to join. Although this resolution does not anywhere near enough address this concern, it is a first step in addressing the problem that Taiwan faces.

Accordingly, I strongly support H.R. 428.

Mr. LEACH. Mr. Speaker, I yield back the balance of my time.
