House of Representatives

The House met at 10 a.m. and was called to order by the Speaker pro tempore (Mr. SWEENEY).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

Washington, DC, August 1, 2001.

I hereby appoint the Honorable JOHN E. SWEENEY to act as Speaker pro tempore on this day.

J. DENNIS HASTERT,
Speaker of the House of Representatives.

PRAYER

The Reverend Gregory S. Cox, Senior Pastor, Warwick Assembly of God Church, Hampton, Virginia, offered the following prayer:

Our Lord and our God, we are thankful for Your gracious favor upon this distinguished House. The wisdom and authority You have entrusted to this legislature have helped forge a Nation unparalleled in human history. Every man and woman elected to serve here is important. Each has a part in continuing our heritage. Grant them Your wisdom today.

We are grateful for their selfless and tireless commitment to public service and for the often unheralded sacrifices they make to improve the lives of the American people. Grant them Your strength today.

Be with those gathered in this great hall. Direct their steps. Guide their discussions and debates. Enable them to construct and enact laws that will serve and protect all of the people of this land, from the onset of life to natural death. Help each one to remember their sacred responsibility as guardians of our inalienable rights—life, liberty and the pursuit of happiness—endowed by Your hand, O God. Grant them boldness today.

Bless all assembled here, as well as their families, with Your merciful care and protection. Grant them understanding today, both to know and obey Your will, as they serve the American people with diligence and distinction.

And finally, O God, grant all of us the courage to stand together, as people of goodwill, not driven by the pursuit of our own selfish interests or clamoring for the satisfaction of our own individual desires, but instead motivated by the dream of working together to build a good and just society where people can serve You in freedom and in peace to the glory of Your great name.

This we ask in the name of God, our Father, and his son, the Lord Jesus Christ, our redeemer, and the Holy Spirit, our powerful advocate and counselor. Amen.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Today the Chair will entertain 10 1-minutes for each side.

RECOGNIZING NATIONAL MINORITY DONOR AWARENESS DAY

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, today is National Minority Donor Awareness Day. Observed every year on August 1, National Minority Donor Awareness Day is an intensive awareness campaign reaching out to minorities of all ethnic groups.

The awareness campaign seeks to address organ and tissue donation fears and obstacles of specific concerns to minorities.

The campaign also promotes healthy living and disease prevention, and seeks to increase the number of people who sign donor cards and actually become donors.

Also, this day increases awareness of behaviors that may lead to the need for transplantation, such as smoking, alcohol and substance abuse, and poor nutrition.

Several communities will be holding activities in observance of National Minority Donor Day, and I support these efforts wholeheartedly.

Over 77,500 patients are currently waiting for an organ transplant. The more donors we can recruit, the more lives we can save.

REPUBLICAN ENERGY POLICY DOES NOTHING ABOUT PRICES

(Mr. FILNER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FILNER. Mr. Speaker, the Republican energy bill on the floor today does nothing about the prices, the obscene prices, that we are still paying for electricity in California and the West.

If we had to pay for a loaf of bread what we are paying for energy today, we would be paying the equivalent of \$19.99 for this loaf of bread. At times, we have been paying almost \$200.

What does this energy bill do for us on the West Coast? Absolutely nothing. It may give us just a few crumbs, and I will tell this body that 65 percent of my small businesses face bankruptcy because of the high prices. When this bill passes, all of my small businesses will be toast.

NOVA SOUTHEASTERN UNIVERSITY MAKES VALUABLE CONTRIBUTIONS TO COMMUNITIES IT SERVES

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I congratulate Nova Southeastern University for striving to make valuable contributions to the communities that it serves. It has made exciting educational partnerships with three south Florida public schools: Miami-Dade, Broward and Palm Beach Counties.

With the help of influential business and educational leaders, South Florida has strengthened its pledge to community service and renewed its commitment to excellence in education.

On September 20 and 21, Nova will build an awareness and support system for local and educational improvement efforts through an "Educational Express" Back to School tour.

I congratulate the public/private partnerships and the following partici-

pating schools in my congressional district: Dr. Michael Krop High School; Coral Way Bilingual Elementary; and Miami Edison Middle School.

Because of these partnerships, students in these schools will gain more self-esteem, commit to high academic standards, improve their mastery of reading, writing, math and science, and contribute to their communities.

I ask that my colleagues join me in congratulating Nova Southeastern University and all of its partners who are working to prepare our Nation's future leaders.

PENTAGON WAVED OLD GLORY WRONG WAY

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, news reports say the Pentagon is stuck with 600,000 black berets made in China, and the Pentagon is storing these Communist hats in a warehouse in Pennsylvania.

If that is not enough to bust your balloons, the Pentagon is trying to sell these Communist hats to foreign countries; and guess what the Pentagon is hearing from these foreign countries. Why would we buy them? Why would we want our troops to wear hats made in China?

Beam me up. The Pentagon just did not wave the Buy American Act, the Pentagon waved Old Glory the wrong way.

Mr. Speaker, I suggest that these Chinese berets be made into suppositories and be used on Pentagon brass.

CONGRESS NEEDS TO WORK HARD TO IMPLEMENT PRESIDENT'S ENERGY PLAN

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Mr. Speaker, every American relies on energy to live a quality life. We need gasoline to get to work or go to the store, take the kids to baseball practice. We need electricity to power up our computers. We need natural gas to heat our hot water and cook our meals.

None of us can do without it, no matter how conservation-minded and frugal we are. That is why Congress needs to work hard to implement the President's energy plan.

Some in Washington have been calling for price caps which will not solve the problem. You cannot ignore the law of supply and demand. Those of us arguing for price caps are ignoring the law of supply and demand, and would actually lead us to a cut in supply if they had their way.

No, only the President's balanced, reasonable and comprehensive approach will work. It is not a quick fix, but that is because there is not one. All the more reason to get started now.
