

the more money that can be left in the private sector. More jobs are created and prices are lower the more money that is left in the private sector.

The most economical, most efficient way to spend money, the biggest bang for the buck so to speak, is to leave more money in private hands. This is because even though there is waste and inefficiency in the private sector, it pales in comparison to the waste and inefficiency within government, especially the Federal Government.

This has been proven all over the world throughout history. The countries with the best economies and the greatest progress have always been and continue to be the Nations with the lowest percentage of their total national income going to the government. The opposite is also true. The countries with populations closest to starvation or the lowest standard of living have always been countries where the government has taken most of the money, such as Cuba, several African nations, the former Soviet Union and others.

Also, big government produces a very small, elite class at the top and a huge starvation or under class. Probably the thing big government is best at is wiping out the middle class and creating huge differences between the rich and the poor. A small government such as in the U.S. prior to the mid-1960s produces a huge middle class. This is just part of why it is so important to pass President Bush's tax cut. The people are paying in a huge tax surplus. They not only deserve some of it back, but everyone will be better off and our economy will be stronger in the long run if we can get more money back into the private sector.

I realize that some big corporations are mad at the President now because his plan has no corporate tax breaks but is going entirely for individuals. However, the average person today is spending almost 40 percent of his or her income in taxes of all types, Federal, State and local; gas taxes, sales taxes, property taxes, income taxes, excise taxes, Social Security taxes. The GAO reports that 80 percent of the people now pay more in Social Security taxes than in income taxes. Also, most estimates are that people pay another 10 percent in regulatory costs, things that government makes businesses do that are passed on to the consumer in the form of higher prices.

This means that even here in the United States almost half of the average family's income is going to support government or pay the costs of things ordered by the government. This is not only enough, it is too much, and this is why President Bush and millions of others feel that it is time we started giving some of this tax surplus back to the people who paid it.

Mr. Speaker, also just like government's appetite for money can never be satisfied, one can never satisfy government's appetite for land. One of the most important things we need to do to

ensure future prosperity is to stop government at all levels from taking over more private property.

□ 1545

The Nobel Prize-winning economist Milton Friedman has said, "You cannot have a free society without private property." Over the years when government has taken private property, it has most often taken it from lower- and middle-income people and small farmers.

Today, Federal, State, and local governments and quasi-governmental units and agencies now own about half the land in this Nation. The most disturbing thing is the rapid rate at which this taking has increased in the last 40 years.

Environmentalists who have supported most of this taking should realize that the worst polluters in the world have been the socialist nations, because their economies do not generate enough income to do good things for the environment, and that private property is almost always better cared for than public property, and at much lower cost.

There is a very dangerous plan, Mr. Speaker, being pushed by some liberal elitists and wealthy environmental extremists called the Wildlands Project. This project envisions taking 50 percent of the land now in private hands into wilderness. If people do not think their property would ever be taken, they should just look around at all the land around them that government has already taken.

We do not need more industrial parks, for example, where land is taken from small farmers or lower- or middle-income people and then given later to big multinational corporations, or land is taken from poor people and used for some project that enhances its value and then sold for big prices to rich people later on.

We had a policy of no net loss of wetlands. What we need now is a policy of no net loss of private property, requiring government to sell off some of its land to private owners for every new acre they take from lower- and middle-income people.

Private property, Mr. Speaker, is a very important part, a basic part of the freedom we have always treasured so highly in this Nation.

PUBLICATION OF THE RULES OF THE COMMITTEE ON EDUCATION AND THE WORKFORCE 107TH CONGRESS

The SPEAKER pro tempore. Under a previous order of the House, the gen-

tleman from Ohio (Mr. BOEHNER) is recognized for 5 minutes.

Mr. BOEHNER. Mr. Speaker, pursuant to Rule XI, Clause 2 of the Rules of the House of Representatives, I respectfully submit the rules for the 107th Congress for the Committee on Education and the Workforce for publication in the CONGRESSIONAL RECORD.

THE RULES OF THE COMMITTEE ON EDUCATION AND THE WORKFORCE FOR THE 107TH CONGRESS

RULE 1. REGULAR, ADDITIONAL AND SPECIAL MEETINGS: VICE-CHAIRMAN

(a) Regular meetings of the committee shall be held on the second Wednesday of each month at 9:30 a.m., while the House is in session. When the Chairman believes that the committee will not be considering any bill or resolution before the committee and that there is no other business to be transacted at a regular meeting, he will give each member of the committee, as far in advance of the day of the regular meeting as the circumstances make practicable, a written notice to that effect; and no committee meeting shall be held on that day.

(b) The Chairman may call and convene, as he considers necessary, additional meetings of the committee for the consideration of any bill or resolution pending before the committee or for the conduct of other committee business. The committee shall meet for such purposes pursuant to that call of the Chairman.

(c) If at least three members of the committee desire that a special meeting of the committee be called by the Chairman, those members may file in the offices of the committee their written request to the Chairman for that special meeting. Immediately upon the filing of the request, the staff director of the committee shall notify the Chairman of the filing of the request. If, within three calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within seven calendar days after the filing of the request, a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held, specifying the date and hour thereof, and the measure or matter to be considered at that special meeting. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the staff director of the committee shall notify all members of the committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered; and only the measure or matter specified in that notice may be considered at that special meeting.

(d) All legislative meetings of the committee and its subcommittees shall be open to the public, including radio, television and still photography coverage. No business meeting of the committee, other than regularly scheduled meetings, may be held without each member being given reasonable notice. Such meeting shall be called to order and presided over by the Chairman, or in the absence of the Chairman, by the vice-chairman, or the Chairman's designee.

(e) The Chairman of the committee or of a subcommittee, as appropriate, shall preside at meetings or hearings, or, in the absence of the Chairman, the vice-chairman, or the Chairman's designee shall preside.

RULE 2. QUESTIONING OF WITNESSES

(a) Subject to clauses (b) and (c), committee members may question witnesses only when they have been recognized by the Chairman for that purpose, and only for a 5-minute period until all members present have had an opportunity to question a witness. The questioning of witnesses in both

committee and subcommittee hearings shall be initiated by the Chairman, followed by the ranking minority party member and all other members alternating between the majority and minority party in order of the member's appearance at the hearing. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the majority to minority party members present and shall establish the order of recognition for questioning in such a manner as not to place the members of the majority party in a disadvantageous position.

(b) The Chairman may permit a specified number of members to question a witness for longer than five minutes. The time for extended questioning of a witness under this clause shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

(c) The Chairman may permit committee staff for the majority and the minority party members to question a witness for equal specified periods. The time for extended questioning of a witness under this clause shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

RULE 3. RECORDS AND ROLLCALLS

(a) Written records shall be kept of the proceedings of the committee and of each subcommittee, including a record of the votes on any question on which a rollcall is demanded. The result of each such rollcall vote shall be made available by the committee or subcommittee for inspection by the public at reasonable times in the offices of the committee or subcommittee. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members present but not voting. A record vote may be demanded by one-fifth of the members present or, in the apparent absence of a quorum, by any one member.

(b) In accordance with Rule VII of the Rules of the House of Representatives, any official permanent record of the committee (including any record of a legislative, oversight, or other activity of the committee or any subcommittee) shall be made available for public use if such record has been in existence for 30 years, except that—

(1) any record that the committee (or a subcommittee) makes available for public use before such record is delivered to the Archivist under clause 2 of Rule VII of the Rules of the House of Representatives shall be made available immediately, including any record described in subsection (a) of this Rule;

(2) any investigative record that contains personal data relating to a specific living individual (the disclosure of which would be an unwarranted invasion of personal privacy), any administrative record with respect to personnel, and any record with respect to a hearing closed pursuant to clause 2(g)(2) of Rule XI of the Rules of the House of Representatives shall be available if such record has been in existence for 50 years; or

(3) except as otherwise provided by order of the House, any record of the committee for which a time, schedule, or condition for availability is specified by order of the committee (entered during the Congress in which the record is made or acquired by the committee) shall be made available in accordance with the order of the committee.

(c) The official permanent records of the committee include noncurrent records of the committee (including subcommittees) delivered by the Clerk of the House of Represent-

atives to the Archivist of the United States for preservation at the National Archives and Records Administration, which are the property of and remain subject to the rules and orders of the House of Representatives.

(d)(1) Any order of the committee with respect to any matter described in paragraph (2) of this subsection shall be adopted only if the notice requirements of committee Rule 18(c) have been met, a quorum consisting of a majority of the members of the committee is present at the time of the vote, and a majority of those present and voting approve the adoption of the order, which shall be submitted to the Clerk of the House of Representatives; together with any accompanying report.

(2) This subsection applies to any order of the committee which—

(A) provides for the non-availability of any record subject to subsection (b) of this rule for a period longer than the period otherwise applicable; or

(B) is subsequent to, and constitutes a later order under clause 4(b) of Rule VII of the Rules of the House of Representatives, regarding a determination of the Clerk of the House of Representatives with respect to authorizing the Archivist of the United States to make available for public use the records delivered to the Archivist under clause 2 of Rule VII of the Rules of the House of Representatives; or

(C) specifies a time, schedule, or condition for availability pursuant to subsection (b)(3) of this Rule.

In the latter event, the Chairman or the subcommittee chairman, as the case may be, shall make such public announcement at the earliest possible date. To the extent practicable, the Chairman or the subcommittee chairman shall make public announcement of the final list of witnesses scheduled to testify at least 48 hours before the commencement of the hearing. The staff director of the committee shall promptly notify the Daily Digest Clerk of the Congressional Record as soon as possible after such public announcement is made.

Opening statements by members may not be presented orally, unless the Chairman of the committee or any subcommittee determines that one statement from the Chairman or a designee will be presented, in which case the ranking minority party member or a designee may also make a statement. If a witness scheduled to testify at any hearing of the Committee or any subcommittee is a constituent of a member of the committee or subcommittee, such member shall be entitled to introduce such witness at the hearing.

(c) To the extent practicable, witnesses who are to appear before the committee or a subcommittee shall file with the staff director of the committee, at least 48 hours in advance of their appearance, a written statement of their proposed testimony, together with a brief summary thereof, and shall limit their oral presentation to a summary thereof. The minority party may waive this right by calling at least one witness during a committee hearing or subcommittee hearing.

RULE 13. MEETINGS-HEARINGS-QUORUMS

(a) Subcommittees are authorized to hold hearings, receive exhibits, hear witnesses, and report to the committee for final action, together with such recommendations as may be agreed upon by the subcommittee. No such meetings or hearings, however, shall be held outside of Washington, DC, or during a recess or adjournment of the House without the prior authorization of the committee Chairman. Where feasible and practicable, 14 days' notice will be given of such meeting or hearing.

(b) One-third of the members of the committee or subcommittee shall constitute a quorum for taking any action other than amending committee rules, closing a meeting from the public, reporting a measure or recommendation, or in the case of the committee or a subcommittee authorizing a subpoena. For the enumerated actions, a majority of the committee or subcommittee shall constitute a quorum. Any two members shall constitute a quorum for the purpose of taking testimony and receiving evidence.

(c) When a bill or resolution is being considered by the committee or a subcommittee, members shall provide the clerk in a timely manner a sufficient number of written copies of any amendment offered, so as to enable each member present to receive a copy thereof prior to taking action. A point of order may be made against any amendment not reduced to writing. A copy of each such amendment shall be maintained in the public records of the committee or subcommittee, as the case may be.

(d) In the conduct of hearings of subcommittees sitting jointly, the rules otherwise applicable to all subcommittees shall likewise apply to joint subcommittee hearings for purposes of such shared consideration.

(e) No person other than a Member of Congress or Congressional staff may walk in, stand in, or be seated at the rostrum area during a meeting or hearing of the committee or Subcommittee unless authorized by the Chairman.

The Chairman shall notify the ranking minority member prior to issuing any subpoena under such authority. To the extent practicable, the Chairman shall consult with the ranking minority member at least 24 hours in advance of a subpoena being issued under such authority, ex-

cluding Saturdays, Sundays, and federal holidays. As soon as practicable after issuing any subpoena under such authority, the Chairman shall notify in writing all members of the committee of the issuance of the subpoena.

RULE 15. REPORTS OF SUBCOMMITTEES

(a) Whenever a subcommittee has ordered a bill, resolution, or other matter to be reported to the committee, the chairman of the subcommittee reporting the bill, resolution, or matter to the committee, or any member authorized by the subcommittee to do so, may report such bill, resolution, or matter to the committee. It shall be the duty of the chairman of the subcommittee to report or cause to be reported promptly such bill, resolution, or matter, and to take or cause to be taken the necessary steps to bring such bill, resolution, or matter to a vote.

(b) In any event, the report, described in the proviso in subsection (d) of this rule, of any subcommittee on a measure which has been approved by the subcommittee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the staff director of the committee a written request, signed by a majority of the members of the subcommittee, for the reporting of that measure. Upon the filing of any such request, the staff director of the committee shall transmit immediately to the chairman of the subcommittee a notice of the filing of that request.

(c) All committee or subcommittee reports printed pursuant to legislative study or investigation and not approved by a majority vote of the committee or subcommittee, as appropriate, shall contain the following disclaimer on the cover of such report: This report has not been officially adopted by the Committee on Education and the Workforce (or pertinent subcommittee thereof) and therefore may not necessarily reflect the views of its members.

The minority part members of the committee or subcommittee shall have three calendar days, excluding weekends and holidays, to file, as part of the printed report, supplemental, minority, or additional views.

(d) Bills, resolutions, or other matters favorably reported by a subcommittee shall automatically be placed upon the agenda of the committee as of the time they are reported. No bill or resolution or other matter reported by a subcommittee shall be considered by the full committee unless it has been delivered or electronically sent to all members and notice of its prior transmission has been in the hands of all members at least 48 hours prior to such consideration; a member of the Committee shall receive, upon his or her request, a paper copy of the such bill, resolution, or other matter reported. When a bill is reported from a subcommittee, such measure shall be accompanied by a section-by-section analysis; and, if the Chairman of the committee so requires (in response to a request from the ranking minority member of the committee or for other reasons), a comparison showing proposed changes in existing law.

(e) To the extent practicable, any report prepared pursuant to a committee or subcommittee study or investigation shall be available to members no later than 48 hours prior to consideration of any such report by the committee or subcommittee, as the case may be.

RULE 16. VOTES

With respect to each rollcall vote on a motion to report any bill, resolution or matter of a public character, and on any amendment offered thereto, the total number of votes cast for and against, and the names of those

members voting for and against, shall be included in the committee report on the measure or matter.

RULE 17. AUTHORIZATION FOR TRAVEL

(a) Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, the provisions of this rule shall govern travel of committee members and staff. Travel to be paid from funds set aside for the full committee for any member or any staff member shall be paid only upon the prior authorization of the Chairman. Travel may be authorized by the Chairman for any member and any staff member in connection with the attendance of hearings conducted by the committee or any subcommittee thereof and meetings, conferences, and investigations which involve activities or subject matter under the general jurisdiction of the committee. The Chairman shall review travel requests to assure the validity to committee business. Before such authorization is given, there shall be submitted to the Chairman in writing the following:

- (1) the purpose of the travel;
- (2) the dates during which the travel is to be made and the date or dates of the event for which the travel is being made;
- (3) the location of the event for which the travel is to be made; and
- (4) the names of members and staff seeking authorization.

(b)(1) In the case of travel outside the United States of members and staff of the committee for the purpose of conducting hearings, investigations, studies, or attending meetings and conferences involving activities or subject matter under the legislative assignment of the committee or pertinent subcommittees, prior authorization must be obtained from the Chairman, or, in the case of a subcommittee, from the subcommittee chairman and the Chairman. Before such authorization is given, there shall be submitted to the Chairman, in writing, a request for such authorization. Each request, which shall be filed in a manner that allows for a reasonable period of time for review before such travel is scheduled to begin, shall include the following:

- (A) the purpose of travel;
- (B) the dates during which the travel will occur;
- (C) the names of the countries to be visited and the length of time to be spent in each;
- (D) an agenda of anticipated activities for each country for which travel is authorized together with a description of the purpose to be served and the areas of committee jurisdiction involved; and
- (E) the names of members and staff for whom authorization is sought.

(2) Requests for travel outside the United States may be initiated by the Chairman or the chairman of a subcommittee (except that individuals may submit a request to the Chairman for the purpose of attending a conference or meeting) and shall be limited to members and permanent employees of the committee.

(3) The Chairman shall not approve a request involving travel outside the United States while the House is in session (except in the case of attendance at meetings and conferences or where circumstances warrant an exception).

(4) At the conclusion of any hearing, investigation, study, meeting, or conference for which travel outside the United States has been authorized pursuant to this rule, each subcommittee (or members and staff attending meetings or conferences) shall submit a written report to the Chairman covering the activities of the subcommittee and containing the results of these activities and other pertinent observations or information gained as a result of such travel.

(c) Members and staff of the committee performing authorized travel on official business shall be governed by applicable laws, resolutions, or regulations of the House and of the Committee on House Administration pertaining to such travel, including rules, procedures, and limitations prescribed by the Committee on House Administration with respect to domestic and foreign expense allowances.

(d) Prior to the Chairman's authorization for any travel, the ranking minority party member shall be given a copy of the written request therefor.

RULE 18. REFERRAL OF BILLS, RESOLUTIONS AND OTHER MATTERS

(a) The Chairman shall consult with subcommittee chairman regarding referral, to the appropriate subcommittees, of such bills, resolutions, and other matters, which have been referred to the committee. Once printed copies of a bill, resolution, or other matter are available to the Committee, the Chairman shall, within three weeks of such availability, provide notice of referral, if any, to the appropriate subcommittee.

(b) Referral to a subcommittee shall not be made until three days have elapsed after written notification of such proposed referral to all subcommittee chairman, at which time such proposed referral shall be made unless one or more subcommittee chairmen shall have given written notice to the Chairman of the full committee and to the chairman of each subcommittee that he [or she] intends to question such proposed referral at the next regularly scheduled meeting of the committee, or at a special meeting of the committee called for that purpose, at which time referral shall be made by the majority members of the committee. All bills shall be referred under this rule to the subcommittee of proper jurisdiction without regard to whether the author is or is not a member of the subcommittee. A bill, resolution, or other matter referred to a subcommittee in accordance with this rule may be recalled therefrom at any time by a vote of the majority members of the committee for the committee's direct consideration or for reference to another subcommittee.

(c) All members of the committee shall be given at least 24 hours' notice prior to the direct consideration of any bill, resolution, or other matter by the committee; but this requirement may be waived upon determination, by a majority of the members voting, that emergency or urgent circumstances require immediate consideration thereof.

RULE 19. COMMITTEE REPORTS

(a) All committee reports on bills or resolutions shall comply with the provisions of clause 2 of Rule IX and clauses 2, 3, and 4 of Rule XIII of the Rules of the House of Representatives.

(b) No such report shall be filed until copies of the proposed report have been available to all members at least 36 hours prior to such filing in the House. No material change shall be made in the report distributed to members unless agreed to by majority vote; but any member or members of the committee may file, as part of the printed report, individual, minority, or dissenting views, without regard to the preceding provisions of this rule.

(c) Such 36-hour period shall not conclude earlier than the end of the period provided under clause 4 of Rule XIII of the Rules of the House of Representatives after the committee approves a measure or matter if a member, at the time of such approval, gives notice of intention to file supplemental, minority, or additional views for inclusion as part of the printed report.

(d) The report on activities of the committee required under clause 1 of Rule XI of

the Rules of the House of Representatives, shall include the following disclaimer in the document transmitting the report to the Clerk of the House: This report has not been officially adopted by the Committee on Education and the Workforce or any subcommittee thereof and therefore may not necessarily reflect the views of its members.

Such disclaimer need not be included if the report was circulated to all members of the committee at least 7 days prior to its submission to the House and provision is made for the filing by any member, as part of the printed report, of individual, minority, or dissenting views.

RULE 20. MEASURES TO BE CONSIDERED UNDER SUSPENSION

A member of the committee may not seek to suspend the Rules of the House on any bill, resolution, or other matter which has been modified after such measure is ordered reported, unless notice of such action has been given to the Chairman and ranking minority member of the full committee.

RULE 21. BUDGET AND EXPENSES

(a) The Chairman in consultation with the majority party members of the committee shall prepare a preliminary budget. Such budget shall include necessary amounts for staff personnel, for necessary travel, investigation, and other expenses of the committee; and, after consultation with the minority party membership, the Chairman shall include amounts budgeted to the minority party members for staff personnel to be under the direction and supervision of the minority party, travel expenses of minority party members and staff, and minority party office expenses. All travel expenses of minority party members and staff shall be paid for out of the amounts so set aside and budgeted. The Chairman shall take whatever action is necessary to have the budget as finally approved by the committee duly authorized by the House. After such budget shall have been adopted, no change shall be made in such budget unless approved by the committee. The Chairman or the chairman of any standing subcommittee may initiate necessary travel requests as provided in Rule 16 within the limits of their portion of the consolidated budget as approved by the House, and the Chairman may execute necessary vouchers therefor.

(b) Subject to the rules of the House of Representatives and procedures prescribed by the Committee on House Administration, and with the prior authorization of the Chairman of the committee in each case, there may be expended in any one session of Congress for necessary travel expenses of witnesses attending hearings in Washington, DC:

(1) out of funds budgeted and set aside for each subcommittee, not to exceed \$5,000 for expenses of witnesses attending hearings of each such subcommittee;

(2) out of funds budgeted for the full committee majority, not to exceed \$5,000 for expenses of witnesses attending full committee hearings; and

(3) out of funds set aside to the minority party members,

(A) not to exceed, for each of the subcommittees, \$5,000 for expenses of witnesses attending subcommittee hearings, and

(B) not to exceed \$5,000 for expenses of witnesses attending full committee hearings.

(c) A full and detailed monthly report accounting for all expenditures of committee funds shall be maintained in the committee office, where it shall be available to each member of the committee. Such report shall show the amount and purpose of each expenditure, and the budget to which such expenditure is attributed.

RULE 22. APPOINTMENT OF CONFEREES AND NOTICE OF CONFERENCE MEETINGS

(a) Whenever in the legislative process it becomes necessary to appoint conferees, the Chairman shall recommend to the Speaker as conferees the names of those members of the subcommittee which handled the legislation in the order of their seniority upon such subcommittee and such other committee members as the Chairman may designate with the approval of the majority party members. EVENTS IN THE UKRAINE

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Ohio (Mr. KUCINICH) is recognized for 5 minutes.

Mr. KUCINICH. Mr. Speaker, Ukraine is a country that was at one time a satellite of the Soviet Union, and 10 years ago it moved towards its own independence. Our President, Ronald Reagan, stood before the world and said, "Tear down that wall." And when the wall fell there were so many nations across the Soviet Union who became free, and Ukraine was one of those nations.

Ukraine, in declaring its independence, established the rights of its citizens, the same rights that are the bedrock of our democracy here in America. Freedom of speech, the right to assemble, freedom of press, are rights that have been granted to the people of Ukraine, and they are rights that have been fundamental to the unfolding of democracy in that country.

A few months ago, a Ukrainian journalist by the name of Heorhiy Gongadze, remember that name, it is an unusual name, but remember it, Heorhiy Gongadze, a Ukrainian journalist who challenged the government of his country, as journalists do here every day, Georgiy Gongadze was found dead. His head was cut off. His hands had their fingerprints removed, obviously with acid, and his hand was protruding from the shallow grave that his body had been put in.

After that, tapes were discovered, tapes that had been recorded by a member of the Presidential security staff in Ukraine, tapes were discovered that had the voice of the President of Ukraine on those tapes, although the government denies it is his voice, and the President of the Ukraine was calling upon someone to get rid of this journalist; very clear implications here, very clear implications that the President of a free nation was involved in calling for the demise of a reporter who later on turned up dead with his head cut off and his fingerprints obliterated.

As a result of this despicable crime, freedom-loving people in Ukraine began to protest: protest the government, protest what happened in the attack on the free press. They set up, as a symbol of their protest, a series of tents that went for a couple hundred yards down the main street of Kiev, the capital city. It was very impressive to see, and it was a protest that came from all levels of Ukrainian culture and society, from young and old, from the political left and the political right, from the political center, from nongovernment organizations, members of the media, and from members of the Ukrainian Rada, all involved in this protest.

The protests had been going on in this tent city for 2 months. A U.S. con-

gressional delegation led by the gentleman from Pennsylvania (Mr. WELDON), a delegation that I was proud to be a member of, visited Ukraine last week, and we met with members of the press who expressed their concern about freedom of the press, about the chilling effect which the murder of this reporter had on free press in Ukraine.

We met with members of the non-government organizations who expressed concern about this tendency to drift away from democracy that the government had shown. We went, and some of us visited this tent city and actually talked to the people.

We had the opportunity to meet with the President of Ukraine in a 2-hour-and-15 minute meeting. During that meeting, the President assured us that he stood for freedom of press, that he stood for freedom of speech, that he stood for the right of assembly, those same rights that we know so well, those same rights that were accorded to the people of Ukraine.

We were asked by the media before we left, what would happen if, after we left, these tents came down? Because it was thought that our presence there discouraged any effort to remove the tents.

We found out the answer today, because once the congressional delegation left, the government ordered the police to remove the tents, protesters arrested, tents thrown in the truck. An area known as Independence Square is boarded off in Ukraine, boarded off, a statue of St. Michael sitting in the middle of that square that is boarded off, and people cannot even gather together.

There will be consequences, I say to President Kuchma, for his denial of the right of assembly and freedom of speech in his country. The international community is watching. The whole world is watching.
