

As future generations pass by the Postal Service at 5472 Crenshaw Boulevard in Los Angeles, I hope they too will appreciate the values, the service and dedication which characterized the life of Julian C. Dixon.

I was proud to serve with him and proud to have him as a friend.

Mrs. JO ANN DAVIS of Virginia. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore (Mr. QUINN). The question is on the motion offered by the gentlewoman from Virginia (Mrs. JO ANN DAVIS) that the House suspend the rules and pass the bill, H.R. 2454, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

The title of the bill was amended so as to read: "A bill to redesignate the facility of the United States Postal Service located at 5472 Crenshaw Boulevard in Los Angeles, California, as the 'Congressman Julian C. Dixon Post Office'".

A motion to reconsider was laid on the table.

COMMUNICATION FROM THE HONORABLE CAROLYN B. MALONEY, MEMBER OF CONGRESS

The SPEAKER pro tempore laid before the House the following communication from the Hon. CAROLYN B. MALONEY, Member of Congress:

CONGRESS OF THE UNITED STATES,  
HOUSE OF REPRESENTATIVES,  
Washington, DC, October 10, 2001.  
Hon. J. DENNIS HASTERT,  
Speaker, House of Representatives, Washington  
DC.

DEAR MR. SPEAKER: This is to formally notify you pursuant to Rule VIII of the Rules of the House that I have received a subpoena for testimony and documents issued by the Supreme Court of New York.

After consultation with the Office of General Counsel, I have determined that the subpoena for testimony does not comply with the requirements of Rule VIII.

Sincerely,

CAROLYN B. MALONEY,  
Member of Congress.

CONFERENCE REPORT ON H.R. 2904,  
MILITARY CONSTRUCTION APPROPRIATIONS ACT, 2002

Mr. HOBSON submitted the following conference report and statement on the

bill (H.R. 2904) making appropriations for military construction, family housing, and base realignment and closure for the Department of Defense for the fiscal year ending September 30, 2002, and for other purposes:

CONFERENCE REPORT (H. REPT. 107-246)

The committee of conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 2904) "making appropriations for military construction, family housing, and base realignment and closure for the Department of Defense for the fiscal year ending September 30, 2002, and for other purposes," having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses as follows:

That the House recede from its disagreement to the amendment of the Senate, and agree to the same with an amendment, as follows:

In lieu of the matter stricken and inserted by said amendment, insert:

*That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for military construction, family housing, and base realignment and closure functions administered by the Department of Defense, for the fiscal year ending September 30, 2002, and for other purposes, namely:*

#### GENERAL PROVISIONS

SEC. 101. None of the funds appropriated in Military Construction Appropriations Acts shall be expended for payments under a cost-plus-a-fixed-fee contract for construction, where cost estimates exceed \$25,000, to be performed within the United States, except Alaska, without the specific approval in writing of the Secretary of Defense setting forth the reasons therefor.

SEC. 102. Funds appropriated to the Department of Defense for construction shall be available for hire of passenger motor vehicles.

SEC. 103. Funds appropriated to the Department of Defense for construction may be used for advances to the Federal Highway Administration, Department of Transportation, for the construction of access roads as authorized by section 210 of title 23, United States Code, when projects authorized therein are certified as important to the national defense by the Secretary of Defense.

SEC. 104. None of the funds appropriated in this Act may be used to begin construction of new bases inside the continental United States for which specific appropriations have not been made.

SEC. 105. No part of the funds provided in Military Construction Appropriations Acts shall be used for purchase of land or land easements in excess of 100 percent of the value as determined by the Army Corps of Engineers or the Naval Facilities Engineering Command, except: (1) where there is a determination of value by a Federal court; (2) purchases negotiated by the Attorney General or his designee; (3) where the estimated value is less than \$25,000; or (4) as otherwise determined by the Secretary of Defense to be in the public interest.

SEC. 106. None of the funds appropriated in Military Construction Appropriations Acts shall be used to: (1) acquire land; (2) provide for site preparation; or (3) install utilities for any family housing, except housing for which funds have been made available in annual Military Construction Appropriations Acts.

SEC. 107. None of the funds appropriated in Military Construction Appropriations Acts for minor construction may be used to transfer or relocate any activity from one base or installation to another, without prior notification to the Committees on Appropriations.

SEC. 108. No part of the funds appropriated in Military Construction Appropriations Acts may be used for the procurement of steel for any construction project or activity for which American steel producers, fabricators, and manufacturers have been denied the opportunity to compete for such steel procurement.

SEC. 109. None of the funds available to the Department of Defense for military construction or family housing during the current fiscal year may be used to pay real property taxes in any foreign nation.

SEC. 110. None of the funds appropriated in Military Construction Appropriations Acts may be used to initiate a new installation overseas without prior notification to the Committees on Appropriations.

SEC. 111. None of the funds appropriated in Military Construction Appropriations Acts may

be obligated for architect and engineer contracts estimated by the Government to exceed \$500,000 for projects to be accomplished in Japan, in any NATO member country, or in countries bordering the Arabian Sea, unless such contracts are awarded to United States firms or United States firms in joint venture with host nation firms.

SEC. 112. None of the funds appropriated in Military Construction Appropriations Acts for military construction in the United States territories and possessions in the Pacific and on Kwajalein Atoll, or in countries bordering the Arabian Sea, may be used to award any contract estimated by the Government to exceed \$1,000,000 to a foreign contractor: Provided, That this section shall not be applicable to contract awards for which the lowest responsive and responsible bid of a United States contractor exceeds the lowest responsive and responsible bid of a foreign contractor by greater than 20 percent: Provided further, That this section shall not apply to contract awards for military construction on Kwajalein Atoll for which the lowest responsive and responsible bid is submitted by a Marshallese contractor.

SEC. 113. The Secretary of Defense is to inform the appropriate committees of Congress, including the Committees on Appropriations, of the plans and scope of any proposed military exercise involving United States personnel 30 days prior to its occurring, if amounts expended for construction, either temporary or permanent, are anticipated to exceed \$100,000.

SEC. 114. Not more than 20 percent of the appropriations in Military Construction Appropriations Acts which are limited for obligation during the current fiscal year shall be obligated during the last 2 months of the fiscal year.

#### (TRANSFER OF FUNDS)

SEC. 115. Funds appropriated to the Department of Defense for construction in prior years shall be available for construction authorized for each such military department by the authorizations enacted into law during the current session of Congress.

SEC. 116. For military construction or family housing projects that are being completed with funds otherwise expired or lapsed for obligation, expired or lapsed funds may be used to pay the cost of associated supervision, inspection, overhead, engineering and design on those projects and on subsequent claims, if any.

SEC. 117. Notwithstanding any other provision of law, any funds appropriated to a military department or defense agency for the construction of military projects may be obligated for a military construction project or contract, or for any portion of such a project or contract, at any time before the end of the fourth fiscal year after the fiscal year for which funds for such project were appropriated if the funds obligated for such project: (1) are obligated from funds available for military construction projects; and (2) do not exceed the amount appropriated for such project, plus any amount by which the cost of such project is increased pursuant to law.

#### (TRANSFER OF FUNDS)

SEC. 118. During the 5-year period after appropriations available to the Department of Defense for military construction and family housing operation and maintenance and construction have expired for obligation, upon a determination that such appropriations will not be necessary for the liquidation of obligations or for making authorized adjustments to such appropriations for obligations incurred during the period of availability of such appropriations, unobligated balances of such appropriations may be transferred into the appropriation “Foreign Currency Fluctuations, Construction, Defense” to be merged with and to be available for the same time period and for the same purposes as the appropriation to which transferred.

SEC. 119. The Secretary of Defense is to provide the Committees on Appropriations of the Senate and the House of Representatives with

an annual report by February 15, containing details of the specific actions proposed to be taken by the Department of Defense during the current fiscal year to encourage other member nations of the North Atlantic Treaty Organization, Japan, Korea, and United States allies bordering the Arabian Sea to assume a greater share of the common defense burden of such nations and the United States.

(TRANSFER OF FUNDS)

SEC. 120. During the current fiscal year, in addition to any other transfer authority available to the Department of Defense, proceeds deposited to the Department of Defense Base Closure Account established by section 207(a)(1) of the Defense Authorization Amendments and Base Closure and Realignment Act (Public Law 100-526) pursuant to section 207(a)(2)(C) of such Act, may be transferred to the account established by section 2906(a)(1) of the Department of Defense Authorization Act, 1991, to be merged with, and to be available for the same purposes and the same time period as that account.

SEC. 121. (a) No funds appropriated pursuant to this Act may be expended by an entity unless the entity agrees that in expending the assistance the entity will comply with sections 2 through 4 of the Act of March 3, 1933 (41 U.S.C. 10a-10c, popularly known as the "Buy American Act").

(b) No funds made available under this Act shall be made available to any person or entity who has been convicted of violating the Act of March 3, 1933 (41 U.S.C. 10a-10c, popularly known as the "Buy American Act").

SEC. 122. (a) In the case of any equipment or products that may be authorized to be purchased with financial assistance provided under this Act, it is the sense of the Congress that entities receiving such assistance should, in expending the assistance, purchase only American-made equipment and products.

(b) In providing financial assistance under this Act, the Secretary of the Treasury shall provide to each recipient of the assistance a notice describing the statement made in subsection (a) by the Congress.

(TRANSFER OF FUNDS)

SEC. 123. Subject to 30 days prior notification to the Committees on Appropriations, such additional amounts as may be determined by the Secretary of Defense may be transferred to the Department of Defense Family Housing Improvement Fund from amounts appropriated for construction in "Family Housing" accounts, to be merged with and to be available for the same purposes and for the same period of time as amounts appropriated directly to the Fund: Provided, That appropriations made available to the Fund shall be available to cover the costs, as defined in section 502(5) of the Congressional Budget Act of 1974, of direct loans or loan guarantees issued by the Department of Defense pursuant to the provisions of subchapter IV of chapter 169, title 10, United States Code, pertaining to alternative means of acquiring and improving military family housing and supporting facilities.

SEC. 124. None of the funds appropriated or made available by this Act may be obligated for Partnership for Peace Programs in the New Independent States of the former Soviet Union.

SEC. 125. (a) Not later than 60 days before issuing any solicitation for a contract with the private sector for military family housing the Secretary of the military department concerned shall submit to the congressional defense committees the notice described in subsection (b).

(b) A notice referred to in subsection (a) is a notice of any guarantee (including the making of mortgage or rental payments) proposed to be made by the Secretary to the private party under the contract involved in the event of—

(A) the closure or realignment of the installation for which housing is provided under the contract;

(B) a reduction in force of units stationed at such installation; or

(C) the extended deployment overseas of units stationed at such installation.

(2) Each notice under this subsection shall specify the nature of the guarantee involved and assess the extent and likelihood, if any, of the liability of the Federal Government with respect to the guarantee.

(c) In this section, the term "congressional defense committees" means the following:

(1) The Committee on Armed Services and the Military Construction Subcommittee, Committee on Appropriations of the Senate.

(2) The Committee on Armed Services and the Military Construction Subcommittee, Committee on Appropriations of the House of Representatives.

(TRANSFER OF FUNDS)

SEC. 126. During the current fiscal year, in addition to any other transfer authority available to the Department of Defense, amounts may be transferred from the account established by section 2906(a)(1) of the Department of Defense Authorization Act, 1991, to the fund established by section 1013(d) of the Demonstration Cities and Metropolitan Development Act of 1966 (42 U.S.C. 3374) to pay for expenses associated with the Homeowners Assistance Program. Any amounts transferred shall be merged with and be available for the same purposes and for the same time period as the fund to which transferred.

SEC. 127. Notwithstanding this or any other provision of law, funds appropriated in Military Construction Appropriations Acts for operations and maintenance of family housing shall be the exclusive source of funds for repair and maintenance of all family housing units, including general or flag officer quarters: Provided, That not more than \$35,000 per unit may be spent annually for the maintenance and repair of any general or flag officer quarters without 30 days advance prior notification to the appropriate committees of Congress: Provided further, That the Under Secretary of Defense (Comptroller) is to report annually to the Committees on Appropriations all operations and maintenance expenditures for each individual general or flag officer quarters for the prior fiscal year.

SEC. 128. In addition to the amounts provided in Public Law 107-20, of the funds appropriated under the heading "Military Construction, Air Force" in this Act, \$8,000,000 is to remain available until September 30, 2005: Provided, That notwithstanding any other provision of law, such funds may be obligated or expended to carry out planning and design and military construction activities at the Masirah Island Airfield in Oman, not otherwise authorized by law.

SEC. 129. Not later than 90 days after the enactment of this Act, the Secretary of Defense shall submit to the congressional defense committees a master plan for the environmental remediation of Hunters Point Naval Shipyard, California. The plan shall identify an aggregate cost estimate for the entire project as well as cost estimates for individual parcels. The plan shall also include a detailed cleanup schedule and an analysis of whether the Department is meeting legal requirements and community commitments. Following submission of the initial report, the Department shall submit semi-annual progress reports to the congressional defense committees.

(RESCISSON OF FUNDS)

SEC. 130. Of the funds available to the Secretary of Defense in the "Foreign Currency Fluctuations, Construction, Defense" account, \$60,000,000 are rescinded.

SEC. 131. (a) REQUESTS FOR FUNDS FOR ENVIRONMENTAL RESTORATION AT BRAC SITES IN FUTURE FISCAL YEARS.—In the budget justification materials submitted to Congress in support of the Department of Defense budget for any fiscal year after fiscal year 2002, the amount requested for environmental restoration, waste management, and environmental compliance activities in such fiscal year with respect to military in-

stallations approved for closure or realignment under the base closure laws shall accurately reflect the anticipated cost of such activities in such fiscal year.

(b) BASE CLOSURE LAWS DEFINED.—In this section, the term "base closure laws" means the following:

(1) Section 2687 of title 10, United States Code.

(2) The Defense Base Closure and Realignment Act of 1990 (part A of title XXIX of Public Law 101-510; 10 U.S.C. 2687 note).

(3) Title II of the Defense Authorization Amendments and Base Closure and Realignment Act (Public Law 100-526; 10 U.S.C. 2687 note).

SEC. 132. (a) The total of the amounts appropriated by the other provisions of this Act, other than the amounts appropriated for the accounts specified in subsection (c), is hereby reduced by 1.127 percent.

(b) The total amount of the reduction computed under subsection (a) shall be allocated proportionally among all of the budget activities, activity groups, and subactivity groups and among all of the accounts and all of the programs, projects, and activities within each account, except for the accounts specified in subsection (c).

(c) No reduction shall be allocated under this section to the Base Realignment and Closure Account, or to the North Atlantic Treaty Organization Security Investment Program.

This Act may be cited as the "Military Construction Appropriations Act, 2002".

And the Senate agree to the same.

JOINT EXPLANATORY STATEMENT OF THE COMMITTEE OF CONFERENCE

The managers on the part of the House and the Senate at the conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 2904) making appropriations for the Department of Defense for the fiscal year ending September 30, 2002, and for other purposes, submit the following joint statement to the House of Representatives and the Senate in explanation of the effect of the action agreed upon by the managers and recommended in the accompanying conference report.

The Senate deleted the entire House bill after the enacting clause and inserted the Senate bill (S. 1460). The conference agreement includes a revised bill.

ITEMS OF GENERAL INTEREST

Matters Addressed by Only One Committee.—The language and allocations set forth in House Report 107-207 and Senate Report 107-

68 should be complied with unless specifically addressed to the contrary in the conference report and statement of the managers. Report language included by the House which is not changed by the report of the Senate or the conference, and Senate report language which is not changed by the conference is approved by the committee of conference. The statement of the managers, while repeating some report language for emphasis, does not intend to negate the language referred to above unless expressly provided herein. In cases in which the House or the Senate have directed the submission of a report from the Department of Defense, such report is to be submitted to both House and Senate Committees on Appropriations.

**Financial Management.**—The conferees agree that the rescission of funds and general reductions included in the conference agreement are based on prior year unobligated balances and such factors as savings through favorable bids, reduced overhead costs, downsizing or cancellation due to force structure changes (if any), other administrative cost reduction initiatives, revised economic assumptions, and inflation re-estimates. The conferees direct that no project for which funds were previously appropriated, or for which funds are appropriated in this bill, may be canceled as a result of the reductions included in the conference agreement.

**Foreign Currency Fluctuations, Construction, Defense.**—The amounts available in the “Foreign Currency Fluctuations, Construction, Defense” account exceed those necessary to eliminate losses due to unfavorable fluctuations in foreign currency exchange rates. Accordingly, the conferees include a provision (Section 130) which rescinds \$60,000,000 from this account.

**Sustainment, Restoration, and Modernization: Reporting Requirement.**—The conferees agree to the following general rules for repairing a facility under operation and maintenance funding:

Components of the facility may be repaired by replacement, and such replacement can be up to current standards or code.

Interior arrangements and restorations may be included as repair, but additions, new facilities, and functional conversions must be performed as military construction projects.

Such projects may be done concurrent with repair projects, as long as the final conjunctively funded project is a complete and usable facility.

The appropriate Service Secretary shall notify the appropriate Committees 21 days prior to carrying out any repair project with an estimated cost in excess of \$7,500.00.

The Department is directed to provide sustainment, restoration, and modernization backlog at all installations for which there is a requested construction project in future budget requests. This information is to be provided on the form 1390. In addition, for all troop housing requests, the form 1391 is to show all sustainment, restoration, and modernization conducted in the past two years and future requirements for unaccompanied housing at the installation.

**Family Housing Operation and Maintenance: Financial Management.**—The conferees agree to continue the restriction on the transfer of funds between the family housing operation and maintenance accounts. The limitation is ten percent to all primary accounts and sub-accounts. Such transfers are to be reported to the appropriate Committees within thirty days of such action.

**Overseas Basing Master Plan.**—The conferees support the Senate direction for an overseas basing master plan, to be submitted no later than April 1, 2002.

**Pennsylvania: Joint-use Facility.**—The conferees are aware of the need to renovate four

Guard and Reserve facilities in Northeastern Pennsylvania and the benefits of consolidating them into a joint-use facility. Therefore, the conferees encourage the Department to make this project a priority and program the requirement in the Future Years Defense Plan.

**MILITARY CONSTRUCTION, ARMY  
(INCLUDING RESCISSION)**

The conference agreement appropriates \$1,778,256,000 for Military Construction, Army, instead of \$1,739,334,000 as proposed by the House, and \$1,668,957,000 as proposed by the Senate. Within this amount, the conference agreement earmarks \$163,198,000 for study, planning, design, architect and engineer services, and host nation support instead of \$163,141,000 as proposed by the House and \$176,184,000 as proposed by the Senate. The conference agreement rescinds \$36,400,000 from funds appropriated for Military Construction, Army under Public Law 106-52, as proposed by the House, instead of \$26,400,000 as proposed by the Senate.

**MILITARY CONSTRUCTION, NAVY  
(INCLUDING RESCISSION)**

The conference agreement appropriates \$1,144,221,000 for Military Construction, Navy, instead of \$1,154,248,000 as proposed by the House, and \$1,148,633,000 as proposed by the Senate. Within this amount, the conference agreement earmarks \$34,152,000 for study, planning, design, architect and engineer services instead of \$30,972,000 as proposed by the House and \$37,332,000 as proposed by the Senate. The conference agreement rescinds \$19,588,000 from funds appropriated for Military Construction, Navy under Public Law 106-246, as proposed by the House and Senate.

**Texas: Kingsville Naval Air Station: Airfield Lighting.**—The conferees direct the Navy to accelerate design of this project and to include the required construction funding in the budget request for fiscal year 2003.

**MILITARY CONSTRUCTION, AIR FORCE  
(INCLUDING RESCISSION)**

The conference agreement appropriates \$1,194,880,000 for Military Construction, Air Force, instead of \$1,185,220,000 as proposed by the House, and \$1,148,269,000 as proposed by the Senate. Within this amount, the conference agreement earmarks \$83,210,000 for study, planning, design, architect and engineer services instead of \$83,000,000 as proposed by the House and \$83,420,000 as proposed by the Senate. The conference agreement rescinds \$4,000,000 from funds appropriated for Military Construction, Air Force under previous Military Construction Appropriations Acts, as proposed by the Senate.

**Nebraska—Offutt Air Force Base: Fire/Crash Rescue Station.**—The conferees direct the Air Force to accelerate design of this project and to include the required construction funding in the budget request for fiscal year 2003.

**Wyoming—F.E. Warren Air Force Base: Storm Water Drainage System.**—The fiscal year 2001 Senate Report 106-290 included funding of \$10,300,000 for a Storm Water Drainage System Project at F.E. Warren Air Force Base in Wyoming. Unfortunately, funding constraints prohibited final action. Storm water flooding remains a major problem at F.E. Warren Air Force Base. The project will better manage and divert flood waters on the installation. In addition, the project will greatly decrease the amount of storm water leaving the base which significantly impacts on the surrounding community. The conferees agree that this project addresses an urgent, mission critical, and safety requirement, and the Air Force is strongly encouraged to include this project in the budget request for fiscal year 2003.

**Korea—Osan Air Base: Base Civil Engineer Complex.**—The conferees are concerned about the significant cost of replacing current civil engineer facilities at Osan Air Base as proposed in the fiscal year 2002 budget request. Although the conferees support follow-on family housing projects envisioned for Osan Air Base, they do not support funding for a robust civil engineering complex without significant host nation contribution. The conferees understand that the civil engineers currently occupy land that will ultimately be used to build family housing. Family housing is a direct quality of life issue that will have a significant impact on the airmen and the families assigned to the base. The conferees agree to provide the Air Force \$12,000,000 for the base civil engineer project for site preparation and preliminary utilities requirements. The conferees direct that any further funding requirements related to this project be funded through host nation support.

**MILITARY CONSTRUCTION, DEFENSE-WIDE  
(INCLUDING TRANSFER AND RESCISSIONS OF FUNDS)**

The conference agreement appropriates \$840,558,000 for Military Construction, Defense-wide, instead of \$863,058,000 as proposed by the House, and \$881,058,000 as proposed by the Senate. Within this amount, the conference agreement earmarks \$66,496,000 for study, planning, design, architect and engineer services instead of \$74,496,000 as proposed by the House and \$88,496,000 as proposed by the Senate. The conference agreement rescinds \$69,280,000 from funds appropriated for Military Construction, Defense-wide under Public Law 106-246 and previous Military Construction Appropriations Acts, as proposed by the Senate, instead of \$10,250,000 as proposed by the House.

**Chemical Demilitarization: Defense Road Requirements.**—The conferees are concerned about the emergency preparedness planning as part of the Chemical Demilitarization Program. Of the funds made available in the “Military Construction, Defense-wide” account, the Department may spend up to \$300,000 to conduct a feasibility study on the requirements for defense roads at the chemical demilitarization sites in the United States to support emergency preparedness requirements.

**Energy Conservation and Improvement Program.**—The conferees agree to provide a total of \$27,000,000 for this program. Of these funds, the conferees direct that \$6,000,000 be used to conduct a service-wide assessment of renewable energy alternatives at or near Department of Defense installations, as described in detail in Senate Report 107-68.

**Measurement and Signature Intelligence Facilities.**—The conferees have agreed to drop Senate report language which allocated \$10,000,000 for the planning and design of two Measurement and Signature Intelligence (MASINT) facilities.

**MILITARY CONSTRUCTION, ARMY NATIONAL GUARD**

The conference agreement appropriates \$405,565,000 for Military Construction, Army National Guard, instead of \$313,348,000 as proposed by the House, and \$378,549,000 as proposed by the Senate.

**Arizona—Papago Park Military Reservation: Add/Alter Readiness Center.**—Although the conferees were unable to fund this project due to funding constraints, the conferees strongly urge the Army National Guard to include this project in its fiscal year 2003 budget submission.

**Weapons of Mass Destruction—Civil Support Teams.**—Of the funds provided for unspecified minor construction within the “Military Construction, Army National Guard” account, the conferees direct that not less than

\$6,000,000 be made available to directly support the completion of facilities for WMD/CST locations.

#### MILITARY CONSTRUCTION, AIR NATIONAL GUARD

The conference agreement appropriates \$253,386,000 for Military Construction, Air National Guard, instead of \$198,803,000 as proposed by the House, and \$222,767,000 as proposed by the Senate.

*Ohio—Mansfield Lahm Airport: Replace Vehicle Maintenance Facility.*—Although the conferees were unable to fund this project due to funding constraints, the conferees strongly urge the Air National Guard to include this project in its fiscal year 2003 budget submission.

#### MILITARY CONSTRUCTION, ARMY RESERVE

The conference agreement appropriates \$167,019,000 for Military Construction, Army Reserve, instead of \$167,769,000 as proposed by the House, and \$111,404,000 as proposed by the Senate.

#### MILITARY CONSTRUCTION, NAVAL RESERVE

##### (INCLUDING RESCISSION)

The conference agreement appropriates \$53,201,000 for Military Construction, Naval Reserve, instead of \$62,351,000 as proposed by the House, and \$33,641,000 as proposed by the Senate. The conference agreement rescinds \$925,000 from funds appropriated for Military Construction, Naval Reserve under Public Law 106-246, as proposed by the House and Senate.

*Texas—Fort Worth Joint Reserve Base: Compartmented Intelligence Facility.*—In Senate Report 107-68, the compartmented intelligence facility at Fort Worth Joint Reserve Base was incorrectly identified as a Navy project. This project should be executed with funds made available for unspecified minor construction in the “Military Construction, Naval Reserve” account.

#### MILITARY CONSTRUCTION, AIR FORCE RESERVE

The conference agreement appropriates \$74,857,000 for Military Construction, Air Force Reserve, instead of \$81,882,000 as proposed by the House, and \$53,732,000 as proposed by the Senate.

*Michigan—Selfridge Air National Guard Base: Alter Command Post/Logistics Base.*—In Senate Report 107-68, the alter command post/logistics base project at Selfridge Air National Guard Base was incorrectly identified as an Air National Guard project. This project should be executed with funds made available for unspecified minor construction in the “Military Construction, Air Force Reserve” account.

#### NORTH ATLANTIC TREATY ORGANIZATION SECURITY INVESTMENT PROGRAM

The conference agreement appropriates \$162,600,000 for the North Atlantic Treaty Organization Security Investment Program (NSIP), as proposed by the House and Senate.

#### FAMILY HOUSING CONSTRUCTION, ARMY

The conference agreement appropriates \$312,742,000 for Family Housing Construction, Army, as proposed by the Senate, instead of \$294,042,000 as proposed by the House.

#### FAMILY HOUSING OPERATION AND MAINTENANCE, ARMY

The conference agreement appropriates \$1,089,573,000 for Family Housing Operation and Maintenance, Army, instead of \$1,096,431,000 as proposed by the House and \$1,108,991,000 as proposed by the Senate.

*District of Columbia—Fort McNair: General Officer Quarters.*—The Army has requested it be allowed to substitute the renovation of Quarters 7 at Fort McNair, at a cost of \$700,000, in place of Quarters 3, as submitted in its budget request for \$1,200,000. The conferees agree with this substitution. The conferees are en-

couraged by the Army’s study being performed by the National Association of Home-builders to refine and reduce the original cost projections for Fort McNair’s quarters, which appear too high. The conferees expect the Army to use the most economical and cost-effective approach toward renovating these historic quarters.

#### FAMILY HOUSING CONSTRUCTION, NAVY AND MARINE CORPS

The conference agreement appropriates \$331,780,000 for Family Housing Construction, Navy and Marine Corps, instead of \$334,780,000 as proposed by the House and \$312,600,000 as proposed by the Senate.

The conferees direct that the following projects are to be accomplished within the increased amount provided for construction improvements:

District of Columbia: 8th and I Marine Barracks (2 units) .....	\$1,600,000
Hawaii: Barking Sands (69 units) .....	11,840,000
Massachusetts: Westover Air Reserve Base (124 units) .....	6,940,000

#### FAMILY HOUSING OPERATION AND MAINTENANCE, NAVY AND MARINE CORPS

The conference agreement appropriates \$910,095,000 for Family Housing Operation and Maintenance, Navy and Marine Corps, as proposed by the House, instead of \$918,095,000 as proposed by the Senate.

#### FAMILY HOUSING CONSTRUCTION, AIR FORCE

The conference agreement appropriates \$550,703,000 for Family Housing Construction, Air Force, as proposed by the Senate, instead of \$536,237,000 as proposed by the House.

The conferees direct that the following projects are to be accomplished within the increased amount provided for construction improvements:

Missouri: Whiteman AFB (164 units) .....	\$17,966,000
South Carolina: Charleston AFB (32 units) .....	4,500,000

#### FAMILY HOUSING OPERATION AND MAINTENANCE, AIR FORCE

The conference agreement appropriates \$844,715,000 for Family Housing Operation and Maintenance, Air Force, instead of \$858,121,000 as proposed by the House and \$869,121,000 as proposed by the Senate.

#### FAMILY HOUSING, DEFENSE-WIDE

The conference agreement appropriates \$44,012,000 for Family Housing, Defense-wide, as proposed by the House and Senate.

#### DEPARTMENT OF DEFENSE FAMILY HOUSING IMPROVEMENT FUND

The conference agreement provides \$2,000,000 for the Department of Defense Family Housing Improvement Fund, as proposed by the House and Senate. Transfer authority is provided for the execution of any qualifying project under privatization authority, which resides in the Fund.

*Housing Privatization Support Costs.*—The conferees are extremely concerned about the costs of consultants hired to assist the services with the housing privatization initiative. For example, the Army requested \$27,918,000 and the Air Force requested \$35,402,000 to pay for consultants. Costs of this magnitude are exorbitant, especially as neither the Army nor Air Force has made sufficient progress in privatizing its housing inventory. Therefore, the conferees agree to reduce \$7,918,000 from the “Family Housing Operation and Maintenance, Army” account, and \$13,402,000 from the “Family Housing Operation and Maintenance, Air Force” account. Furthermore, the conferees remind

the services that these funds should be spent on creating, analyzing and negotiating complex real estate transactions—not on public relations or work that can be done by the services’ staff.

#### HOMEOWNERS ASSISTANCE FUND, DEFENSE

The conference agreement appropriates \$10,119,000 for the Homeowners Assistance Fund, Defense, as proposed by the House and Senate.

#### BASE REALIGNMENT AND CLOSURE ACCOUNT

The conference agreement appropriates \$632,713,000 for the Base Realignment and Closure Account, instead of \$552,713,000 as proposed by the House and \$682,200,000 as proposed by the Senate.

*Environmental Remediation Shortfalls.*—The conferees have included a general provision (Section 131) directing the Department of Defense to accurately reflect the cost of environmental remediation activities in its future budget submissions for Base Realignment and Closure (BRAC) funding. The conferees note that the Navy and Air Force BRAC budget requests for fiscal year 2002 were far below the level of funding needed to meet urgent obligations.

The conferees have agreed to provide and fully offset \$100,513,000 over the budget request to fund environmental remediation funding shortfalls in the Navy and Air Force BRAC accounts. The conference provision includes \$80,513,000 for the Navy and \$20,000,000 for the Air Force. The conferees note that the funding shortfalls are the result of inadequate programming and budgeting decisions on the part of the Navy and Air Force.

The conferees strongly believe that the Navy and Air Force should bear the burden of making up these shortfalls. Therefore, the funding to cover the BRAC environmental remediation shortfalls is derived from the following sources: a rescission of \$19,588,000 from previously appropriated Navy planning and design funds, a rescission of \$925,000 from previously appropriated Naval Reserve planning and design funds, a \$60,000,000 general reduction in the fiscal year 2002 “Military Construction, Navy” account, and a \$20,000,000 general reduction in the fiscal year 2002 “Military Construction, Air Force” account. The conferees direct that no item of congressional interest may be canceled or delayed as a result of these general reductions.

In addition to the funds provided in this Act, the Navy and Air Force are directed to allocate all unobligated balances from previously appropriated BRAC funds to address their fiscal year 2002 BRAC environmental remediation funding shortfall. The conferees direct the services to program and budget for the entire amount of their annual BRAC environmental remediation obligations in future years, beginning with fiscal year 2003. Failure to do so will force the congressional committees to take proportionate reductions in specific military construction projects or programs requested by the services.

#### GENERAL PROVISIONS

The conference agreement includes general provisions (Sections 101–120) that were not amended by either the House or Senate in their versions of the bill.

The conference agreement includes a provision, Section 121, as proposed by the House, which prohibits the expenditure of funds except in compliance with the Buy American Act. The Senate bill contained no similar provision.

The conference agreement includes a provision, Section 122, as proposed by the House, which states the Sense of the Congress that recipients of equipment or products authorized to be purchased with financial assistance provided in this Act are to be

notified that they must purchase American-made equipment and products. The Senate bill contained no similar provision.

The conference agreement includes a provision, Section 123, as proposed by the House and Senate, permitting the transfer of funds from Family Housing, Construction accounts to the DOD Family Housing Improvement Fund.

The conference agreement includes a provision renumbered Section 124, as proposed by the House and the Senate, to prohibit the use of funds in this Act to be obligated for Partnership for Peace programs in the New Independent States of the former Soviet Union.

The conference agreement includes a provision renumbered Section 125, as proposed by the House and the Senate, which requires the Secretary of Defense to notify Congressional Committees sixty days prior to issuing a solicitation for a contract with the private sector for military family housing.

The conference agreement includes a provision renumbered Section 126, as proposed by the House and the Senate, which provides transfer authority to the Homeowners Assistance Program.

The conference agreement includes a provision renumbered Section 127, as proposed by the Senate, regarding funding for operation and maintenance of general officer quarters.

The conference agreement includes a provision renumbered Section 128, as proposed by the Senate, which authorizes \$8,000,000 for a military construction project at Masirah Island Airfield, Oman. The House bill contained a similar provision.

The conference agreement includes a provision, Section 129, as proposed by the Senate, which requires the Secretary of Defense to submit a master plan for the environmental remediation of Hunters Point Naval Shipyard, California. The House bill contained no similar provision.

The conference agreement includes a provision, Section 130, which rescinds

\$60,000,000 from the “Foreign Currency Fluctuations, Construction, Defense” account.

The conference agreement includes a provision, Section 131, which directs the Department of Defense to accurately reflect the cost of environmental restoration activities in its future budget submissions for the Base Realignment and Closure (BRAC) account.

The conference agreement includes a provision, Section 132, which reduces all accounts in the bill with the exception of the “NATO Security Investment Program” account and the “Base Realignment and Closure” account by 1.127 percent.

Those general provisions not included in the conference agreement are as follows:

The conference agreement deletes the House provision regarding family housing master plans.

The conference agreement deletes the Senate provision regarding a defense road feasibility study at Pine Bluff Arsenal, Arkansas.

## ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the Chair will now put the question on the motions to suspend the rules on which further proceedings were postponed earlier today.

Votes will be taken in the following order:

House Concurrent Resolution 248, by the yeas and nays;

House Concurrent Resolution 217, by the yeas and nays;

H.R. 2272, by the yeas and nays.

The Chair will reduce to 5 minutes the time for any electronic vote after the first vote in this series.

Proceedings on H.R. 2716 will resume tomorrow.

## EXPRESSING SENSE OF CONGRESS THAT PUBLIC SCHOOLS MAY DISPLAY "GOD BLESS AMERICA"

The SPEAKER pro tempore. The pending business is the question of suspending the rules and agreeing to the concurrent resolution, H. Con. Res. 248.

The Clerk read the title of the concurrent resolution.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Delaware (Mr. CASTLE) that the House suspend the rules and agree to the concurrent resolution, H. Con. Res. 248, on which the yeas and nays are ordered.

The vote was taken by electronic device, and there were—yeas 404, nays 0, answered “present” 10, not voting 16, as follows:
