

I want to assure the gentleman's constituents that the gentleman was very diligent on this. My colleague's staff was very diligent on this. This is just something that came up at the last moment.

Mr. KINGSTON. Will the gentleman from Massachusetts continue to yield?

Mr. OLVER. Under my reservation, I continue to yield to the gentleman from Georgia.

Mr. KINGSTON. I thank the gentleman for yielding.

I want to say I truly appreciate the personal attention that the gentleman has shown on this and I appreciate those words and I appreciate his commitment for the year ahead.

Mr. HOBSON. I want to go down there and cut the ribbon on this one, I can assure the gentleman of that.

Mr. KINGSTON. I also wanted to say should there be a supplemental bill, there may be an opportunity.

Mr. HOBSON. If we can get the things done that are necessary to make it so, we can put it in a supplemental. We will certainly attempt to do that. I am sure the gentleman from Massachusetts (Mr. OLVER) will also be interested in doing that. But we have to get the things technically worked out to get it done because this is a good model, I think, for elsewhere in the country and it is important that we do it correctly and I think we want to do it correctly.

Mr. KINGSTON. I appreciate the gentleman and I will not ask him to speculate the likelihood of its passage next year. I certainly hope that it would be favorable, as I felt like we were so close this year.

Mr. HOBSON. I can make the gentleman from Georgia this assurance. I will make sure all the T's are crossed and the I's are dotted because I think this is a good model.

Mr. KINGSTON. Having said that, I certainly will not object to the bill and the gentleman from Massachusetts (Mr. OLVER) has already held a reservation. I thank him for yielding to me, and I thank the gentleman as the ranking member for his support for this and thank the gentleman from Ohio (Mr. HOBSON).

Mr. OLVER. I have certainly carefully listened to the exchange between the gentleman from Georgia and the chairman of the subcommittee and we will work together on the points that have been raised.

Mr. KINGSTON. I thank the gentleman very much.

Mr. HOBSON. If the gentleman would yield further, I would like to make two other comments.

Mr. OLVER. I continue to yield under my reservation.

Mr. HOBSON. First of all, I would like to thank our staffs for working on the bill. I think they both did a great job, all the staff.

□ 1230

I particularly want to thank Tom McNamara, who is the detailee from

the Air Force. He has been particularly good and helped with the subcommittee staff, and we are going to miss him. I do not know if we can get him back next year, but we are sure going to try because he did a good job in facilitating this bill.

I think it is a good bill. I have a good partner in my ranking member. With that, I thank the gentleman for yielding to me.

Mr. OLVER. Mr. Speaker, continuing under my reservation, I want to commend the chairman, the gentleman from Ohio (Mr. HOBSON), for his leadership in reaching this agreement. The two bills did contain substantial differences, and I believe that they have been resolved very fairly.

I also wish to thank the staffs, particularly Valerie Baldwin, Brian Potts, Tom McNamara, and Tom Forhan of the committee staff and Suzy Dumont from my own staff.

I think also the bill is a good bill. I hope we will have a resounding "yes" vote on the legislation.

Mr. UNDERWOOD. Mr. Speaker, I rise in support of the Conference Report on H.R. 2904, the Military Construction Appropriations Act for FY 02. I am particularly pleased that the conference agreement includes \$7.748 million for the continued construction of the Guam Army National Guard Readiness Center. Located in Barrigada, Guam this Readiness Center will serve to enhance the administrative functioning and training capabilities of the Guam Army National Guard. This is a critical and desperately needed project whose construction is timely considering the renewed emphasis and recently placed demands on our Guard units. For several weeks, Guam's Guardsmen and women have been working around the clock to provide for a secure and safe environment at the Antonio Won Pat International Airport on Guam. Adequate space to assemble and train with modern equipment and facilities will strengthen their ability to respond when called to duty. This legislation provides Guam's National Guard with the infrastructure needed to meet future missions and increased demands with exceptional capability. I thank Chairman HOBSON and Ranking Member OLVER for their leadership in crafting this legislation and for their support of the Guam Army National Guard Readiness Center. I urge my colleagues to support the Conference Report as it is good for our nation's military infrastructure and supportive of our men and women in uniform.

Mr. OLVER. Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore (Mr. THORNBERRY). Is there objection to the request of the gentleman from Ohio?

There was no objection.

The SPEAKER pro tempore. Both sides have yielded back all time for debate on the conference report.

Without objection, the previous question is ordered.

#### GENERAL LEAVE

Mr. YOUNG of Florida. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks on H.J. Res. 69, making further continuing appropriations for the fiscal year 2002, and for other purposes, and that I may include tabular and extraneous material.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

#### FURTHER CONTINUING APPROPRIATIONS, FISCAL YEAR 2002

Mr. YOUNG of Florida. Mr. Speaker, I ask unanimous consent that the Committee on Appropriations be discharged from further consideration of the joint resolution (H.J. Res. 69) making further continuing appropriations for the fiscal year 2002, and for other purposes, and ask for its immediate consideration in the House.

The Clerk read the title of the joint resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

Mr. OBEY. Mr. Speaker, reserving the right to object, and I do not intend to object, but I simply take this reservation in order to afford the gentleman the opportunity to explain to the House what it is we are doing.

Mr. YOUNG of Florida. Mr. Speaker, will the gentleman yield?

Mr. OBEY. I yield to the gentleman from Florida.

Mr. YOUNG of Florida. I thank the gentleman for yielding and for reserving the right to object so we can have this brief discussion.

Mr. Speaker, the legislation before the House, H.J. Res. 69, will extend the current continuing resolution for an additional week, allowing the Government to continue to operate through October 31.

As my colleagues are well aware, we have lost several days because of evacuations of the Capitol and for other reasons. We intend to complete the appropriations business expeditiously, but we do need to extend the CR through the 31st. The terms and conditions of the previous CRs remain in effect. All ongoing activities will be continued at current rates under the same terms and conditions as fiscal year 2001.

Mr. Speaker, I want to thank the gentleman for the time, and I want to thank the gentleman for his cooperation in making sure that the business of the House is expedited.

Mr. OBEY. Mr. Speaker, continuing under my reservation, let me simply say I support this resolution, and I think the entire House will as well.

Mr. Speaker, I withdraw my reservation of objection.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

The Clerk read the joint resolution, as follows:

H.J. RES. 69
