The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

MOTION TO INSTRUCT OFFERED BY MR. OBEY

Mr. OBEY. Mr. Speaker, I offer a motion to instruct conferees.

The Clerk read as follows:

Mr. OBEY moves that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the Senate amendment to the bill, H.R. 3338, be instructed to insist on the maximum levels within the scope of conference for defense, homeland security, and local recovery efforts from the terrorist attacks of September 11, 2001; in particular, to insist on:

(1) the House position for higher levels for defense, including fully funding the \$7.3 billion requested by President Bush as emergency spending for defense;

(2) the Senate position for higher levels to counter potential biological and chemical terrorist threats (including additional funds to improve State and local capacity to track and to respond to bioterrorism, to purchase smallpox vaccine, and to sanitize mail and protect postal employees and customers from exposure to biohazardous material),

(3) the Senate position for higher levels to increase staff to combat terrorism along the Nation's borders and ports of entry, to improve food safety, to assist state, local and federal antiterrorism law enforcement, to accelerate nuclear non-proliferation activities, and to enhance security for nuclear labs and plants, and other federal facilities;

(4) the higher of either the House or Senate provisions for transportation security, including the higher Senate level for cockpit security, the Senate higher funding for the Coast Guard, the Senate provision to compensate airports for the costs of implementing stronger security requirements and the higher House level for hiring sky marshals;

(5) the Senate position for higher levels for FEMA disaster relief payments for recovery activities in New York, Virginia and Pennsylvania, Community Development Block grant assistance, Payments to hospitals that responded to the attacks of September 11, 2001, assistance in meeting workmen's compensation needs related to the terrorist attacks, funding for improved security in the Amtrak tunnels in New York, assistance to the ferry system between New York and New Jersey, and to reimburse claims for first response emergency service personnel who were injured, disabled or died in the terrorist attacks.

The SPEAKER pro tempore. The gentleman from Wisconsin (Mr. OBEY) will be recognized for 30 minutes and the gentleman from Florida (Mr. YOUNG) will be recognized for 30 minutes.

The Chair recognizes the gentleman from Wisconsin (Mr. OBEY).

Mr. OBEY. Mr. Speaker, I yield myself 5 minutes.

Mr. Speaker, the House has a decision to make today which in the real world would have a real effect on virtually every American. We have to face this question:

Are we going to provide money now to tighten security on our borders, in our ports, on our airplanes, or are we going to wait?

Are we going to provide the public health services and local governments with money now to defend against bioterrorism, or are we going to wait?
