

agencies to increase their assistance to these individuals, I cannot support this resolution.

In the past I have complained that similar bills have come to the House Floor without going through the committee process. In this instance the committees were included and I applaud the Chairman for ensuring we had an opportunity to discuss this issue at committee. I am also grateful to the committee staff who worked with me in helping facilitate that discussion.

At the subcommittee I introduced an amendment for discussion purposes only. That amendment would have deleted the specific references to governmental assistance contained in this bill. Had that amendment been adopted I could have supported this resolution. Simply, I believe it is not proper for us to force taxpayers in this country to provide this kind of assistance by having the IRS collect these funds. Next, I believe that the Red Cross, for example, would not only be a more sympathetic entity for the purposes of collecting funds used for relief, but also that it would be a more efficient distributor of such funds than are the plethora of government agencies referenced in this resolution.

Mr. BALLENGER. Madam Speaker, I have no further requests for time, and I yield back the balance of my time.
