#### THE ESTABLISHMENT OF A NATIONAL WORDS CAN HEAL DAY

Mr. REID. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 183 introduced earlier today by Senator REID of Nevada and Senator BROWNBACK.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The assistant legislative clerk read as follows:

A resolution (S. Res. 183) expressing the sense of the Senate regarding the establishment of a National Words Can Heal Day.

There being no objection, the Senate proceeded to consider the resolution.

Mr. REID. Mr. President, it is with great pleasure that I support this resolution in support of the Words Can Heal Campaign to promote more responsible and civil speech to reduce conflict and build understanding between all peoples.

The Jerusalem Fund has launched a Words Can Heal Campaign on September 4, 2001, to reduce verbal violence and gossip and to promote the value and practice of ethical speech in order to improve our democracy, build mutual respect, honor, and dignity in our country.

The ability to express views freely and resolve differences through dialogue and education is fundamental to American democracy. For that process to work well, our words must reflect

mutual respect, truth and fairness. Friends, families, and communities need to speak to each other in ways that help build people up, not tear them down. The Words Can Heal Campaign will draw attention to the language we use and provide practical help to parents, school kids, supervisors, employees, teachers, government officials, entertainers, athletes—people from all walks of life—to speak more kindly and less destructively with and about each other. Through this campaign, the Jerusalem Fund will seek to make November 23, and every day thereafter, a day when unfair gossip, prejudicial comments, and verbal humiliation will be replaced by words that are encouraging, helpful, and healing.

Since the terrorist attacks of September 11, many Americans have felt that what happens in their neighborhood is beyond their control. This resolution can offer a comprehensive plan to rebuild our communities and relationship through the words we speak and the way we communicate. This holiday season, as we take an in-depth look at our lives and those around us, the Words Can Heal message resonates even more forcefully.

Mr. President, I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, the motion to reconsider be laid upon the table, and that any statements relating thereto be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 183) was agreed to.

The preamble was agreed to.

(The text of the resolution, with its preamble, is printed in today's RECORD under "Submitted Resolutions.")
