STATEMENTS ON INTRODUCED BILLS AND JOINTS RESOLUTIONS

By Mr. THOMAS (for himself and Mrs. LINCOLN):

S. 1760. A bill to amend title XVIII of the Social Security Act to provide for the coverage of marriage and family therapist services and mental health counselor services under part B of the Medicare Program, and for other purposes; to the Committee on Finance.

Mr. THOMAS. Mr. President, I am pleased to rise today to introduce the Seniors Mental Health Access Improvement Act of 2001 with my distinguished colleague from Arkansas, Mrs. LINCOLN. Specifically, the Seniors Mental Health Access Improvement Act of 2001 permits mental health counselors and marriage and family therapists to bill Medicare for their services. This will result in an increased choice of providers for seniors and enhance their ability to access mental health services in their communities.

This legislation is especially crucial to rural seniors who are often forced to travel long distances to utilize the services of mental health providers currently recognized by the Medicare program. Rural communities have difficulty recruiting and retaining providers, especially mental health providers. In many small towns a mental health counselor or a marriage and family therapist is the only mental health care provider in the area. Medicare law, as it exists today, compounds the situation because only psychiatrists, clinical psychologists, clinical social workers and clinical nurse specialists are able to bill Medicare for their services.

It is time the Medicare program recognized the qualifications of mental health counselors and marriage and family therapists as well as the critical role they play in the mental health care infrastructure. These providers go through rigorous training, similar to the curriculum of masters level social workers, and yet are excluded from the Medicare program.

Particularly troubling to me is the fact that seniors have disproportionately higher rates of depression and suicide than other populations. Additionally, 75 percent of the 518 nationally designated Mental Health Professional Shortage Areas are located in rural areas and one-fifth of all rural counties have no mental health services of any kind. Frontier counties have even more drastic numbers as 95 percent do not have a psychiatrist, 68 percent do not have a psychologist and 78 percent do not have a social worker. It is quite obvious we have an enormous task ahead of us to reduce these staggering statistics. Providing mental health counselors and marriage and family therapists the ability to bill Medicare for their services is a key part of the solution.

Virtually all of my State of Wyoming is a mental health professional shortage area and will greatly benefit from this legislation. Wyoming has 169 psychologists, 121 psychiatrists, and 247 social workers for a total of 537 Medicare eligible mental health providers. Enactment of the Seniors Mental Health Access Improvement Act of 2001 will double the number of mental health providers available to seniors in my State with the addition of 517 mental health counselors and 55 marriage and family therapists currently licensed in the State.

In crafting this legislation Senator LINCOLN and I worked with numerous outside organizations with an interest in this issue. As a result of this collaboration, the "Seniors Mental Health Access Improvement Act of 2001" is strongly supported by the American Counseling Association, the Wyoming Counseling Association, the American Mental Health Counselors Association, the Arkansas Mental Health Counselors Association, the American Association for Marriage and Family Therapy, the Wyoming and Arkansas Chap-

ters of the Association for Marriage and Family Therapy, the California Association of Marriage and Family Therapists, and the National Rural Health Association.

I believe this legislation is critically important to the health and well-being of our Nation's Seniors and I strongly urge all my colleagues to become a co-sponsor.

Mr. President, I ask unanimous consent that the text of the bill and letters of endorsement from supporting organizations be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:
