

## V. THE RECOMMENDATION OF THE BOARD OF DIRECTORS

When the section 508 amendments were enacted as part of the Workforce Investment Act of 1998, much if not most of the technology necessary to carry out its substantive mandates did not exist. Indeed, even at this stage, some in the electronic information community consider fully compliant technology to be non-existent. In any event, the Executive Branch is fully engaged in reaching Section 508 compliance. Furthermore, both the Library of Congress and the Government Printing Office, each of which maintains extensive and heavily visited web sites (GPO operates approximately 30 web sites for other executive and legislative branch agencies), have announced that they are proceeding voluntarily to achieve section 508 compliance. However, absent Congressional action, universal legislative branch electronic information accessibility will remain optional, and not a legal requirement.

The Congress commissioned this Board to monitor and comment on all laws which concern "access to public services and accommodations." This responsibility of the Board helps ensure that the Legislative Branch is kept apprised regarding advances in access to electronic information technology, and is advised "whether such provisions should be made applicable to the legislative branch."

Pursuant to that mandate, the Board of Directors of the Office of Compliance recommends that the Congress enact amendments to sections 201 and 210 of the CAA to incorporate the substantive employee access and public access requirements of section 508 of the Rehabilitation Act of 1973 for all CAA-covered employing offices. We further suggest that the Office's existing section 401 and section 210 regulatory and enforcement authorities covering both employee and public access to electronic information systems be extended to include section 508 substantive requirements. Finally, we suggest that section 508 requirements regarding employee and public access also be applied to the Government Printing Office, Government Accounting Office, and Library of Congress.

The Office of Compliance stands ready to participate in the coordination of section 508 training and education for those in Congress and in the instrumentalities who are responsible for the maintenance and development of electronic information systems.

This Supplemental Section 102(b) Report is also available on the web site of the Office of Compliance, at [www.compliance.gov](http://www.compliance.gov).

#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. LUGAR (for himself, Mr. HELMS, Mr. HAGEL, and Mr. DOMENICI):

S. 1778. A bill to designate the National Foreign Affairs Training Center as the George P. Shultz National Foreign Affairs Training Center; to the Committee on Foreign Relations.

Mr. LUGAR. Madam President, it is a great honor to rise today to introduce legislation that would name the Department of State's Foreign Affairs Training Center after former Secretary of State George P. Shultz. I am pleased to be joined by Senators HELMS, HAGEL, and DOMENICI in honoring this outstanding public servant.

Many of my most productive and enjoyable foreign policy experiences were those involving George Shultz as Secretary of State. Secretary Shultz celebrated the visits of foreign leaders to Washington by inviting hundreds of people to a luncheon or dinner at the State Department. If the guests were, for example, the President of Brazil, Shultz would identify prominent Brazilian business leaders, journalists, and scholars in the United States and a host of comparable Americans with interests in Brazil. He sprinkled the invitation list with members of the Reagan Administration and both houses of Congress. On most occasions, I was invited and introduced to a host of new friends deeply interested in international affairs.

When I became chairman of the Senate Foreign Relations Committee in 1985, the Secretary invited me to breakfast about once a month when Congress was in session. He always had a list of Reagan Administration legislative objectives for me to achieve and good suggestions on people and resources needed to accomplish each task.

In a two year period, I chaired extensive hearings on the Philippines, South Africa, and the prospects for democracy in Central America. Though the recommendations of Secretary Shultz, I co-chaired Presidential election observer efforts in Guatemala, El Salvador and the Philippines. These experiences led to considerable post-election interest and diplomacy, especially in the Philippines. These events and the influence of Secretary Shultz played a large role in the context of my book "Letters to the Next President".

In recent years, I have been a participant in the Asia Roundtable meetings sponsored by Stanford University and inspired by the leadership of George Shultz and his ability to bring statesmen from each Asian country to his meetings. Similarly, he brings distinguished leaders from all over the world to Stanford University Advisory Committee meetings and I have been the beneficiary of those rich experiences.

My continuing service in the United States Senate has received constant support from Secretary Shultz. His letters and wise counsel during conversations have made a significant difference in my understanding of complex issues. From the years at the State Department dinners to the present, he has introduced me to a legion of friends in many countries, and
