PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-19. A resolution adopted by the House of the Legislature of the State of Michigan relative to nonindigenous species being released in the ballast water of ships on the Great Lakes; to the Committee on Commerce, Science, and Transportation.

HOUSE RESOLUTION NO. 24

Whereas, While the problems created by the introduction of nonindigenous species into the Great Lakes from ballast water are not new, this situation is raising greater concerns as the damage done to this freshwater network becomes more apparent. The alarming rate at which the zebra mussel has spread demonstrates the serious problems that can result when the area's delicate ecology is thrown out of balance; and

Whereas, In recent years, numerous proposals have been advanced to halt the introduction of new species. Many of these proposals involve strengthening laws and enforcement on the release or treatment of ballast water; and

Whereas, In all discussions to address the issue created by ballast water discharges in the Great Lakes, it is essential that a regional approach be taken. With the multiple levels of government, including states, provinces, and two federal governments, it is important that there be a well-coordinated effort on this matter. A quilt of regulations or practices developed by the individual entities could provide more harm than good, not

only to the environment, but also to specific communities and to specific uses of the lakes; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to enact legislation that offers a regional solution to the problems of nonindigenous species being released in the ballast water of ships on the Great Lakes; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Adopted by the House of Representatives, March 7, 2001.
