NATIONAL CHILD CARE WORTHY WAGE DAY

• Mrs. CARNAHAN. Mr. President, I want to tell you about one of my constituents, Julianne Woodle. Julianne was raised in St. Louis and went to the University of Missouri-Columbia after high school. As she worked toward a bachelor's degree in children and group settings, she planned to take her degree and find a job in the classroom. She dreamed of working with preschoolers in a childcare center, helping them develop the social and mental skills necessary to start school.

When she graduated in 1998, she started looking for a job. There were many available, but none of them paid enough for her to live on. She looked for more than a month, but seven or eight dollars an hour was the most anyone could pay her. Julianne still dreamed of working with young children in a classroom setting, but she had to make a living. It was a hard choice, but Julianne decided to go back to school. She hopes that a master's degree will allow her to find a job where she can work with children and still earn a decent salary.

It is because of people like Julianne that I cosponsored S.R. 79, calling for the designation of May 1, 2001 as "National Child Care Worthy Wage Day." This resolution calls on the President to set aside the first day in May as "National Child Care Worthy Wage Day."

Study after study has shown that good quality infant and toddler care has positive long term effects on children, and that poor quality care can have devastating effects. Despite the extreme importance of their work, child care providers earn an average of only \$7.42 an hour nationally. In Missouri the average is even lower, just \$7.02 an hour. The average housekeeper and restaurant worker make more.

Child care providers are largely responsible for the social, emotional, and mental development of the children in their care, yet we do not pay enough to attract qualified individuals to the field. Instead young graduates like Julianne, who really want to nurture and teach young children, are forced to look elsewhere for jobs. It is a pressing national problem, and it deserves recognition and attention from our national leaders. The resolution is a symbolic action, but it is an important one. We must bring this issue to the forefront of public discussion.

We owe it to our children.•

PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM-34. A concurrent resolution adopted by the House of the Legislature of the State of Arkansas relative to the Railroad Retirement and Survivors Improvement Act; to the Committee on Finance.

HOUSE CONCURRENT RESOLUTION No. 1008

Whereas, the Railroad Retirement and Survivors Improvement Act of 2000 was approved in a bipartisan effort by 391 members of the United States House of Representatives in the 106th Congress, including the entire Arkansas delegation to Congress; and

Whereas, more than eighty United States Senators, including both Arkansas' Senator Tim Hutchinson and Senator Blanche Lincoln, signed letters of support for this legislation in 2000; and

Whereas, the bill now before the 107th Congress modernizes the railroad retirement system for its 748,000 beneficiaries nationwide, including over 10,000 in Arkansas; and

Whereas, railroad management, labor and retiree organizations have agreed to support this legislation; and

Whereas, this legislation provides tax relief to freight railroads, Amtrak and commuter lines; and

Whereas, no outside contributions from taxpayers are needed to implement the changes called for in this legislation; and

Whereas, all changes will be paid for from within the railroad industry, including a full share by active employees: Now therefore, be it

Resolved by the House of Representatives of the eighty-third General Assembly of the State of Arkansas, the Senate concurring therein, That the General Assembly urges the United States Congress to support and enact the Railroad Retirement and Survivors Improvement Act in the 107th Congress. Be it further

Resolved, That copies of this Resolution be sent by the Chief Clerk of the House of Representatives to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and all members of the Arkansas Congressional Delegation.

POM-35. A concurrent resolution adopted by the House of the Legislature of the State

of Arkansas relative to the availability of funds to prevent catastrophic damage from wildfires; to the Committee on Appropriations.

HOUSE CONCURRENT RESOLUTION No. 1035

Whereas, the ice storms of December 13 and 25, 2000, ravaged thousands of acres of private and public forests in Arkansas, Oklahoma, and Texas; and

Whereas, President Clinton declared sixty-seven (67) Arkansas counties as federal disaster areas for the purposes of providing early financial assistance to cities and counties to help with their most urgent ice storm-caused health and safety problems; and

Whereas, these early funds do not provide for the critical treatment and restoration work needed to prevent catastrophic wildfires on the private and public forestlands of Arkansas; and

Whereas, if these lands go untreated, the ten-fold increase in fuel loadings may result in major conflagrations that destroy private and public property and threaten the health and safety of countless Arkansans; and

Whereas, supplemental appropriation requests detailing the need by program area and the work that would be accomplished were sent by agency field officers to their agency headquarters in Washington, D.C.: Now, therefore, be it

Resolved by the House of Representatives of the eighty-third General Assembly of the State of Arkansas, the Senate concurring therein, That the Arkansas General Assembly urges the President of the United States and the United States Congress to take all reasonable action necessary to provide adequate and timely funding to the federal agencies responsible for the treatment and restoration work on these lands. Be it further

Resolved, That upon adoption of this resolution, the Chief Clerk of the House of Representatives shall transmit a copy of this resolution to the President of the United States, to the presiding officers of the United States Senate and the United States House of Representatives, and to each member of the Arkansas congressional delegation.

POM-36. A concurrent resolution adopted by the House of the Legislature of the State of Arkansas relative to prescription drugs; to the Committee on Health, Education, Labor, and Pensions.

HOUSE CONCURRENT RESOLUTION No. 1027

Whereas, the price of prescription drugs in the United States has increased significantly in each of the past several years; and

Whereas, a large percentage of the people who cannot afford to buy drugs needed to maintain a reasonable quality of life are children and the elderly who have no means to improve their financial situation; and

Whereas, many people in this country must make a choice of buying food or buying the drugs they need; and

Whereas, the states have very limited ability to take the necessary action to assure that prescription drugs are available and affordable to those who need them and only the U.S. Congress has the authority to accomplish this goal, now, therefore, be it

Resolved by the House of Representatives of the eighty-third General Assembly of the State of Arkansas, the Senate concurring therein:

That the Arkansas General Assembly hereby urges the United States Congress to take all reasonable action to assure that prescription drugs are available and affordable to all citizens. Be it further

Resolved, That upon adoption of this resolution, the Chief Clerk of the House of Representatives shall transmit a copy hereof to the President of the United States, to the presiding officers of the U.S. Senate and the
