

immigration, and fisheries law enforcement. We are increasing our demands, but we are expanding our expectations, but we are not investing in our capability. We cannot continue to live off our principal and expect to achieve results.

The recent record maritime seizure of 13 tons of cocaine on a vessel in the Eastern Pacific only serves to highlight the significant Transit Zone threat and reinforces the urgent need for modernization of the U.S. Customs Service and the U.S. Coast Guard fleets. I urge my colleagues to continue to support our Nation's counterdrug efforts, including those in the Transit Zone and at our borders, and in support of these two important U.S. agencies.

##### HEBREW ORPHAN SOCIETY CELEBRATES 200TH ANNIVERSARY

• Mr. HOLLINGS. Mr. President, the Hebrew Orphan Society of Charleston, SC has a long, rich history that deserves to be celebrated. On June 24, a reception and dinner will be held at Charleston's Middleton Place Gardens in honor of the society's 200 years of good works. Founded in 1801 by a small group of Jewish men at K.K. Beth Elohim synagogue, the society flourished in culturally and religiously tolerant 19th-century Charleston. Its members reached out to widows and their families and to Jewish youth who could not afford a proper education. Membership was initially limited to 18, or "chai," the number representing life in the Jewish faith, but has now doubled and includes women as well as men with a distinguished record of service in the Jewish community and the larger Charleston community. Today, the society assists Social Services clients with transportation and medical bills and meets requests from Hospice and Jenkins Orphanage in North Charleston. A quiet, yet diligent effort by The Hebrew Orphan Society

may often go unnoticed by the public. However, rest assured of the many grateful citizens throughout history who have experienced its munificence. My wife, Peatsy, and I send The Hebrew Orphan Society our heartfelt congratulations on this milestone and best wishes in the years ahead.●

#### TRIBUTE TO GLEN TAIT

• Mr. CRAPO. Mr. President, I rise today to commend my Legislative Director, Glen Tait, who is leaving my employ for other opportunities outside the Senate. He has been an integral part of my staff since I was elected to the Senate, and his absence will be greatly noted. Glen's involvement in the Senate dates back more than a decade, much of it spent in service to the State of Idaho. Prior to coming to work for me, he worked for my predecessor, Dirk Kempthorne, so he truly has become an adopted Idahoan.

Glen has headed up my legislative efforts since I was first elected, and has provided invaluable guidance and direction for my legislative staff. He is particularly knowledgeable about military and energy issues, both of which hold significant importance to the State of Idaho. Mountain Home Air Force Base and the Idaho National Engineering and Environmental Laboratory owe a great debt to his expertise and ability. Glen has strong insight into the legislative processes of the Senate and served as a mentor to a number of staffers, who have taken that knowledge and used it to help improve their career options.

Glen's wife tells me that he will miss working directly for the people of Idaho, and we will miss him tremendously as well. But he will have a constant reminder of the State in at least one of his two daughters. Glen and his lovely wife, Jeanette, have two young toddlers at home, Lindsey Marie and Hailey Madison. Hailey was named for the town of the same name in Idaho, and for the county in Idaho in which she was born. I wish him the very best and want him to know how much I appreciate the stability and guidance he provided to a fledgling Senate legislative staff several years ago. My best wishes go out to him as he moves on to other opportunities.●

#### CONGRATULATIONS TO LINCOLN HIGH SCHOOL

• Mr. SMITH of Oregon. Mr. President, I rise today to congratulate another class from Lincoln High School in Portland, OR, competing in the national finals of the program "We the People . . . The Citizens and the Constitution". This April, students from Lincoln High School placed third among 49 classes in this national competition. I had the great pleasure of meeting these impressive young people while they were visiting the Capitol, and I am very proud of their efforts. I know that they worked diligently to reach the national finals, demonstrating a remarkable understanding

of the principles and values that support our constitutional government.

The "We the People . . . The Citizen and the Constitution" program is the most extensive educational program in the country developed specifically to educate young people about the Constitution and the Bill of Rights. The three-day national competition is modeled after hearings in the United States Congress, consisting of oral presentations by high school students before a panel of adult judges. The student testimony is followed by a period of questioning during which the judges probe students for their depth of understanding and ability to apply their constitutional knowledge.

It is extremely important that our young people come to understand and appreciate the unique concepts and values which have guided our Nation since its inception. These are the young leaders who must guide our country's future, and their wisdom must be equal to our country's need. Again, I congratulate the student team from Lincoln High School and thank each member for their dedication, hard work, and enthusiasm.

The student team from Lincoln High School consists of: Brett Bell; Michael Blank; Ben Brewer; Chris Chamness; Greg Damis-Wulff; Alex Dewar; David Dickey-Griffith; Heather Dunlap; Jenni Hamni; Jennifer Hill; Scott Huan; Nick Johnson; Kathayoon Khalil; Cali Lanza-Wei; Jenelle Milam; Jonathan Pulvers; Julie Rhew; Katie Rose; Andrew Rosenthal; Anay Shah; Chris Shay; Rafael Spielman; Jason Trombley; Jessica Vandermeer; Oliver Vandermeer; Ben Walsh; Colleen Wearn; and with their teacher, Jennifer Vaught.●
