

touch. That is, when he wasn't obscured by one of the much-beloved posts that always caused so many of us to strain our necks. There was the smell of the popcorn, the peanuts and the hot dogs. And there were the unforgettable sounds the crack of the bat, and the roar of a hometown crowd.

Like many Detroiters, my feelings on this occasion are best captured by the words spoken by Al Kaline about his first day at Tiger Stadium. He said, "As I was walking under the corridors trying to find the locker room, I took a peek right behind home plate. I walked out, the sun was shining beautifully, and I thought, 'Man, I never saw anything so pretty in my life.'"

While over the years, the name may have changed, the address for baseball in Detroit was the same the Corner of Michigan and Trumbull. It is still one of oldest ballparks in one of the oldest cities in America. In it we feel our hometown pride in a national landmark. Our city. Our ballpark. The new commemorative stamp to be unveiled today celebrates their common spirit, and it gives me great pride today to join the people of Detroit, in praise of both.●

REMEMBERING KAREN KITZMILLER

● Mr. LEAHY. Mr. President, I rise today to remember a very special Vermonter, and a good friend, Karen Kitzmiller. Karen, at the young age of 53, lost her long battle with breast cancer on May 20 of this year. In East Montpelier the following Saturday, I joined hundreds of family, friends, colleagues, and admirers who gathered together to share their memories of Karen, and to honor her life.

For the past 11 years Karen Kitzmiller served as Montpelier's Democratic State representative in the Vermont Legislature. Her legislative achievements were many, but most outstanding was her work on the House Health and Welfare Committee. Karen was a determined advocate and principled leader on behalf of the health and well-being of Vermonters. She fought to prevent tobacco companies from targeting children with advertisements designed to encourage youth smoking. To help patients appeal coverage denials by health maintenance organizations, Karen dedicated her efforts to the establishment of Vermont's health care ombudsman. She devoted considerable energies to the provision of health care coverage for the uninsured. This spring, after almost four years of effort, she witnessed the Governor sign legislation to ensure that uninsured patients who volunteer to participate in cancer treatment clinical trials are provided with health care coverage.

Karen was diagnosed with cancer more than four years ago, and yet through it all, she did not give up her work on behalf of Vermonters. She continued to serve in the Legislature, she

leaned her experience as a cancer survivor in efforts to promote awareness about the importance of support groups, and she helped to establish the annual Breast Cancer Conference in Burlington. These are just a few of the lasting contributions that will serve as a tribute to Karen's life for years to come.

Karen leaves behind a loving family—her husband, Warren, and two daughters, Amy and Carrie. Amy is a student at the University of Virginia, studying government and women's studies, and Carrie is a student at the University of Pennsylvania studying at the School of Arts and Sciences. I had the privilege of sponsoring Amy as a Senate Page in 1996 and as an intern in my Montpelier office in the summer of 2000. They are both bright young women. I know their mother was very proud of them both. Although their loss is great, the Kitzmillers can take some small comfort in knowing how special Karen was to so many people. Her strength, her courage, and her compassion served as inspiration to all those who were fortunate enough to come in contact with her. She will be missed by all.●

REPORT ON BLOCKING PROPERTY OF PERSONS WHO THREATEN INTERNATIONAL STABILIZATION EFFORTS IN THE WESTERN BALKANS—MESSAGE FROM THE PRESIDENT—PM 30

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs.

To the Congress of the United States:

Pursuant to section 204(b) of the International Emergency Economic Powers Act, 50 U.S.C. 1703(b) (IEEPA), and section 301 of the National Emergencies Act, 50 U.S.C. 1631, I hereby report that I have exercised my statutory authority to declare a national emergency in response to the unusual and extraordinary threat posed to the national security and foreign policy of the United States by (i) actions of persons engaged in, or assisting, sponsoring, or supporting, extremist violence in the former Yugoslav Republic of Macedonia, southern Serbia, the Federal Republic of Yugoslavia (FRY), and elsewhere in the Western Balkans region, and (ii) the actions of persons engaged in, or assisting, sponsoring, or

supporting acts obstructing implementation of the Dayton Accords in Bosnia or United Nations Security Council Resolution 1244 of June 10, 1999, in Kosovo. The actions of these individuals and groups threaten the peace in or diminish the security and stability of the Western Balkans, undermine the authority, efforts, and objectives of the United Nations, the North Atlantic Treaty Organization (NATO), and other international organizations and entities present in those areas and the wider region, and endanger the safety of persons participating in or providing support to the activities of those organizations and entities, including United States military forces and Government officials. In order to deal with this threat, I have issued an Executive order blocking the property and interests in property of those persons determined to have undertaken the actions described above.

The Executive order prohibits United States persons from transferring, paying, exporting, withdrawing, or otherwise dealing in the property or interests in property of persons I have identified in the Annex to the order or persons designated pursuant to the order by the Secretary of the Treasury, in consultation with the Secretary of State. Included among the activities prohibited by the order are the making or receiving by United States persons of any contribution or provision of funds, goods, or services to or for the benefit of any person designated in or pursuant to the order. In the Executive order, I also have made a determination pursuant to section 203(b)(2) of IEEPA that the operation of the IEEPA exemption for certain humanitarian donations from the scope of the prohibitions would seriously impair my ability to deal with the national emergency. Absent such a determination, such donations of the type specified in section 203(b)(2) of IEEPA could strengthen the position of individuals and groups that endanger the safety of persons participating in or providing support to the United Nations, NATO, and other international organizations or entities, including U.S. military forces and Government officials, present in the region. The Secretary of the Treasury, in consultation with the Secretary of State, is authorized to issue regulations in exercise of my authorities under IEEPA to implement the prohibitions set forth in the Executive order. All Federal agencies are also directed to take actions within their authority to carry out the provisions of the order, and, where appropriate, to advise the Secretary of the Treasury in a timely manner of the measures taken.

I am enclosing a copy of the Executive order I have issued. The order was effective at 12:01 a.m. eastern daylight time on June 27, 2001.

I have issued the order in response to recent developments in the former Yugoslav Republic of Macedonia, southern Serbia, and elsewhere in the
