HONORING INDEPENDENCE, MISSOURI AS AN ALL-AMERICAN CITY

● Mrs. CARNAHAN. Mr. President. I am proud to take this opportunity to honor a very special place in Missouri. On Saturday, June 23rd, Independence, MO, the hometown of Harry S. Truman, was selected as an All-American City. The All-American City Competition is the Nation's oldest award for civic accomplishment. The winning cities serve as "models of exemplary grass-roots problem solving."

A 51-member delegation of business interests, community leaders, and non-profit organizations came together to lead Independence's participation in the competition. While community partnerships are sprouting up in cities across America, Independence is in a league of its own. Under the leadership of Mayor Ron Stewart, Independence has achieved a real sense of unity and community. So many different entities with widely divergent interests were recognized for their ability to successfully work together when faced with civic challenges.

Independence's winning presentation, appropriately themed "Together We Can," highlighted recent citywide improvements such as cleaning up the historic Truman district, a sales tax approved by the voters to repair streets and parks, and the William Chrisman High School program which involved youth in public service programs. Furthermore, even Independence's physical presence at the competition was a united effort. Community groups worked together to raise funds to pay for the trip and prepare the presentation. This truly exceptional community certainly deserves its prestigious recognition as an All-American City.

Congratulations to Mayor Ron Stewart, participation coordinator Larry Kaufman, the delegation, and the residents of Independence. Your passionate work epitomizes the unlimited possibilities of cooperation. Thank you for making me proud to be a Missourian.●
