

and wildlife. Although designated an American Heritage River in 1998, the Detroit River is still threatened by environmental practices; and

Whereas, Congress is considering a measure, H.R. 1230, that would establish the Detroit River International Wildlife Refuge. This bill would provide a mechanism to preserve the character of the area through land acquisition and agreements for cooperative management. Under this legislation, the Secretary of the Interior could acquire land along an 18-mile stretch of the Detroit River. A key component of the proposal is that it does not authorize the taking of land but relies upon willing sellers; and

Whereas, Establishing the Detroit International Wildlife Refuge along one of the great metropolitan regions in the country is an excellent investment in Michigan's resources; now, therefore, be it

*Resolved by the House of Representatives,* That we memorialize the Congress of the United States to enact the Detroit River International Wildlife Refuge Establishment Act; and be it further

*Resolved,* That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

Whereas, It would be proper and fitting for our Nation to recognize our coal miners, both past and present, for their contributions to this Nation; therefore be it

*Resolved (the Senate concurring),* That the general Assembly memorialize the United States Postal Service to issue a postal stamp to honor our coal miners and to commemorate their contributions to our nation and its citizens; and be it further

#### HOUSE RESOLUTION NO. 212

Whereas, In the 1980s the American steel industry experienced an economic crisis due to existing trade policies resulting in steel mill shutdowns, steelworker layoffs and a weakening of the entire steel industry; and

Whereas, In the early 1990s the American steel industry experienced a period of relative stability; and

Whereas, In late 1997 and early 1998 the Asian economic crisis and the collapse of the Russian economy produced a flood of manufactured products, including steel, leading to the most serious crisis for the steel industry since the 1980s; and

Whereas, That crisis resulted in the layoffs of 10,000 steelworkers, bankruptcy of steel companies, weakening of the entire steel industry and increase in the level of imports deemed "normal and acceptable" by the Federal Government; and

Whereas, In the week ending December 30, 2000, the steel industry operated at less than 65% of capacity, its lowest operating level in 14 years; and

Whereas, Since the beginning of the Asian economic crisis, 14 steel companies have been driven into bankruptcy and many others are on the brink of bankruptcy; and

Whereas, The bankruptcy and potential bankruptcy of steel companies represents a threat to the health benefits of employees and retirees; therefore be it

*Resolved,* That the House of Representatives of the Commonwealth of Pennsylvania memorialize the President and Congress to support and pass legislation establishing a Health Care Benefit Guarantee Corporation similar to the Pension Benefit Guarantee Corporation to ensure benefits to those employees and retirees whose health care plans have been terminated by companies as a result of financial difficulties caused in whole or in part by unfairly traded foreign imports; and be it further

Whereas, At least 800,000 Pennsylvanians are victims of domestic violence each year; and

Whereas, Domestic violence is a health care problem of epidemic proportions; and

Whereas, Health care providers can be a critical link to safety by offering support, information, education, resources and follow-up services to patients who are identified as victims of domestic violence; and

Whereas, Approximately only 10% of primary care physicians across the nation routinely screen for partner abuse when a patient is not currently injured; and

Whereas, The General Assembly recognized the importance of screening patients for symptoms of domestic violence in enacting Act 115 of 1998, which established the Domestic Health Care Response Program; and

Whereas, Act 115 of 1998 made Pennsylvania the first state in the nation to establish patient screening and advocacy programs in hospitals and health care systems; and

Whereas, The Family Violence Prevention Fund recognized Pennsylvania as the only state to receive an "A" grade for laws regarding health care response to domestic violence; and

Whereas, A team from Pennsylvania has joined teams from 14 other states and tribes and the Family Violence Prevention Fund to create innovative and sustainable health care responses to domestic violence on a national level through the National Health Care Standards Campaign; therefore be it

*Resolved,* That copies of this resolution be transmitted to the presiding officers of each house of Congress and to each member of Congress from Pennsylvania.
