SEC. 343. SAFETY OF CROSS-BORDER TRUCKING BETWEEN UNITED STATES AND MEXICO. No funds limited or appropriated by this Act may be obligated or expended for the review or processing of an application by a motor carrier for authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border until—

(1) the Federal Motor Carrier Safety Administration—

(A)(i) requires a safety review of such motor carrier to be performed before the carrier is granted conditional operating authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border, and before the carrier is granted permanent operating authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border;

(ii) requires the safety review to include verification of available performance data and safety management programs, including drug and alcohol testing, drivers’ qualifications, drivers’ hours-of-service records, records of periodic vehicle inspections, insurance, and other information necessary to determine the carrier’s preparedness to comply with Federal motor carrier safety rules and regulations; and

(iii) requires that every commercial vehicle operating beyond United States municipalities and commercial zones on the United States-Mexico border, that is operated by a motor carrier authorized to operate beyond those municipalities and zones, display a valid Commercial Vehicle Safety Alliance decal obtained as a result of a Level I North American Standard Inspection, or a Level V Vehicle-Only Inspection, whenever that vehicle is operating beyond such motor carrier operating a vehicle in violation of this requirement to pay a fine of up to \$10,000 for each such violation;

(B) establishes a policy that any safety review of such a motor carrier should be conducted on site at the motor carrier’s facilities where warranted by safety considerations or the availability of safety performance data;

(C) requires Federal and State inspectors, in conjunction with a Level I North American Standard Inspection, to verify, electronically or otherwise, the license of each driver of such a motor carrier’s commercial vehicle crossing the border, and institutes a policy for random electronic verification of the license of drivers of such motor carrier’s commercial vehicles at United States-Mexico border crossings;

(D) gives a distinctive Department of Transportation number to each such motor carrier to assist inspectors in enforcing motor carrier safety regulations, including hours-of-service rules part 395 of title 49, Code of Federal Regulations;

(E) requires State inspectors whose operations are funded in part or in whole by Federal funds to check for violations of Federal motor carrier safety laws and regulations, including those pertaining to operating authority and insurance;

(F) authorizes State inspectors who detect violations of Federal motor carrier safety laws or regulations to enforce such laws and regulations or to notify Federal authorities of such violations;

(G)(i) determines that there is a means of determining the weight of such motor carrier commercial vehicles at each crossing of the United States-Mexico border at which there is a sufficient number of such commercial vehicle crossings; and

(ii) initiates a study to determine which crossings should also be equipped with weight-in-motion systems that would enable State inspectors to verify the weight of each such commercial vehicle entering the United States at such a crossing;

(H) has implemented a policy to ensure that no such motor carrier will be granted authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border unless that carrier provides proof of valid insurance with an insurance company licensed in the United States;

(I) issues a policy—

(i) requiring motor carrier safety inspectors to be on duty during all operating hours at all United States-Mexico border crossings used by commercial vehicles;

(ii) with respect to standards for the determination of the appropriate number of Federal and State motor carrier inspectors for the United States-Mexico border (under sections 218(a) and (b) of the Motor Carrier Safety Improvement Act of 1999 (49 U.S.C. 31133 nt.)); and

(iii) with respect to prohibiting foreign motor carriers from operating in the United States that are found to have operated illegally in the United States (under section 219(a) of that Act (49 U.S.C. 14901 nt.)); and

(J) completes its rulemaking—

(i) to establish minimum requirements for motor carriers, including foreign motor carriers, to ensure they are knowledgeable about Federal safety standards (under section 210(b) of the Motor Carrier Safety Improvement Act of 1999 (49 U.S.C. 31144 nt.)),

(ii) to implement measures to improve training and provide for the certification of motor carrier safety auditors (under section 31148 of title 49, United States Code), and

(iii) to prohibit foreign motor carriers from leasing vehicles to another carrier to transport products to the United States while the lessor is subject to a suspension, restriction, or limitation on its right to operate in the United States (under section 219(d), of that Act (49 U.S.C. 14901 nt.)),

or transmits to the Congress, within 30 days after the date of enactment of this Act, a notice in writing that it will not be able to complete any such rulemaking, that explains why it will not be able to complete the rulemaking, and that states the date by which it expects to complete the rulemaking; and

(2) until the Department of Transportation Inspector General certifies in writing to the Secretary of Transportation and to the Senate Committee on Commerce, Science, and Transportation, the Senate Committee on Appropriations, the House of Representatives Committee on Transportation and Infrastructure, and the House of Representatives Committee on Appropriations that the Inspector General will report in writing to the Secretary and to each such Committee—

(A) on the number of Federal motor carrier safety inspectors hired, trained as safety specialists, and prepared to be on duty during

hours of operation at the United States-Mexico border by January 1, 2002;

(B) periodically—

(i) on the adequacy of the number of Federal and State inspectors at the United States-Mexico border; and

(ii) as to whether the Federal Motor Carrier Safety Administration is ensuring compliance with hours-of-service rules under part 395 of title 49, Code of Federal Regulations, by such motor carriers;

(iii) as to whether United States and Mexican enforcement databases are sufficiently integrated and accessible to ensure that licenses, vehicle registrations, and insurance information can be verified at border crossings or by mobile enforcement units; and

(iv) as to whether there is adequate capacity at each United States-Mexico border crossing used by motor carrier commercial vehicles to conduct a sufficient number of vehicle safety inspections and to accommodate vehicles placed out-of-service as a result of the inspections.

In this section, the term "motor carrier" means a motor carrier domiciled in Mexico that seeks authority to operate beyond United States municipalities and commercial zones on the United States-Mexico border.

**SA 1054.** Mr. WYDEN submitted an amendment intended to be proposed by him to the bill H.R. 2299, making appropriations for the Department of Transportation and related agencies for the fiscal year ending September 30, 2002, and for other purposes; which was ordered to lie on the table; as follows:
